

I GOT YOU

Jack Johnson

Intro: C G -X2- C G D

11 5 23

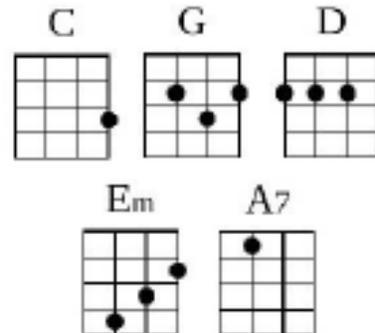

Back when all my little goals seemed so important
 Every pot of gold filled and full of distortion
 Heaven was a place still in space and not in motion
 But soon

CHORUS

I got you
 I got everything
 I got you
 I don't need nothing
 More than you
 I got everything
 I got you

OUTRO: C G D

We went walking through the hills
 Tryin' to pretend that we both know
 Maybe if we save up
 We can build a little home
 But then the hell storm came and yelled
 "You need to let go, you got no control. No"

TO CHORUS

This weight's too much alone
 Some days I can't hold it at all
 You take it on for me
 When tomorrow's too much
 I'll carry it all
 I've got you

ALL X2
