[Sounds best with a capo on 2nd – like the original]

[D!] [D!] [D!] [D!] [D!] [D!] [D!] [D!] x4

[JANET]

[D] In the velvet darkness of the blackest night

[G] burning bright, there's a guiding [D] star

No matter [B7] what or [E] who you [A] are

[CHORUS]

There's a [D] light

[D] Over at the Frankenstein Place

There's a [G] light

[Gm] Burning in the Fireplace

There's a [D] light, lig[B7] ht

In the [E] darkness of [A] everybody's [D] life

[RIFF RAFF]

[D] The darkness must [F#M] go

Down the [BM] river of nights [F#M] dreaming

[D] Flow Morphia [F#M] slow

Let the [BM] sun and light come [F#M] streaming

Into my [G] life,

Into my [A] life

[CHORUS]

There's a [D] light

[D] Over at the Frankenstein Place

There's a [G] light

[Gm] Burning in the Fireplace

There's a [D] light, lig[B7] ht

[JANET]

In the [E] darkness of [A] everybody's [D ROLL] life
