[F] Pearly shells from the ocean [F7]
Shining in the [Bb] sun covering the [G] shore [C]
When I [F] see them
My heart [Bb] tells me that I love [Bbm] you
More than [F] all the [C7] little pearly [F] shells

For every [C7] grain of sand upon the beach
I [F] got a kiss for you
And I've got [C7] more left over for each star
That [G] twinkles in the [C] blue
