

SIMPLY THE BEST

INTRO: F . . . X4

Tina Turner

F Fmaj6 F |||||
I call you when I need you and my heart's on fire,
F Fmaj6
you come to me, come to me wild and wired.

Dm Bb A
You come to me, and give me everything I need,
F

You bring a lifetime of promises and a world of dreams,
F
you speak the language of love like you know what it means.

Dm Dm7 Bb C
And it can't be wrong, take my heart and make it strong

F
'Cause you're simply the best,

better than all the rest,

Dm Dm7 C7
better than anyone, anyone I've ever met.
F

I'm stuck on your heart,

I hang on every word you said,

Dm C C7
Tear us apart, baby, I would rather be dead.

F
Deep in your heart I see the start of every night and every day,

and in your eyes I get lost, I get washed away.

Dm Bb C
Just as long as I'm here in your arms I could be in no better place.

F
'Cause you're simply the best,

Better than all the rest,

Dm C C7

Better than anyone, anyone I ever met.

F

I'm stuck on your heart,

I hang on every word you said,

Dm C C7

Tear us apart, baby, I would rather be dead.

Bb

Each time you leave me I start loosing control,

Dm

walking away with my heart and my soul

Bb C Dm

I can feel you even when I'm alone Oh baby, don't let go
