

Song for a Winters Night

11/8/23

F C Dm Bb
 The lamp is burning low upon my table top
 F C F C
 The snow is softly falling
 F C Dm Bb
 The air is still within the silence of my room
 F C F
 I hear your voice softly calling

Bridge:
 F C Bb C
 If I could only have you near
 Am Dm Bb C
 To breathe a sigh or two

Chorus:
 F C Dm Bb
 I would be happy just to hold the hands I love
 F C F C
 On this winter's night with you

F C Dm Bb
 The smoke is rising in the shadows overhead
 F C F C
 My glass is almost empty
 F C Dm Bb
 I read again between the lines upon each page
 F C F
 The words of love you send me

Bridge:
 Chorus:
 F C Dm Bb
 The fire is dying now my lamp is getting dim
 F C F C
 The shades of night are lifting
 F C Dm Bb
 The morning light steals across my windowpane
 F C F
 Where webs of snow are drifting

Bridge:
 Chorus:
 Bb C F
 And to be once again with you
 And to be once again with you
