[G] Well, I know a guy who's got a lot to lose,
he's a [C] pretty nice fella, kinda confused,
He's got [G] muscles in his head, never been used,
thinks he owns half of this [D] town. [D7]

[G] Starts drinkin' heavy, got a big red nose,
[C] Sees his old lady with holes in her hose, *(alt verse)*
Then he [G] takes her out to dinner, buys her new clothes,
that's the way the [D7] world goes [G] round

[G] That's the way the world goes [G7] round,
you're [C] up one day, the next you're down,
It's [G] half an inch of water, but you think you're gonna drown
that's the way the [D7] world goes [G] round.

[G] Sittin' in my bathtub, countin' my [G7] toes
when the [C] radiator broke, the water all froze
I got [G] stuck in the ice without my clothes
naked as the eyes of a [D] clown. [D7]
I was [G] cryin' ice cubes, hopin' I'd croak,
when the [C] sun came through the window, the ice all broke,
[G] I stood up and laughed, thought it was a joke,
that's the way the [D7] world goes [G] 'round.

[G] That's the way the world goes [G7] round,
you're [C] up one day, the next you're down,
It's [G] half an inch of water, but you think you're gonna drown
that's the way the [D7] world goes [G] round.

[G] That's the way the world goes [G7] round,
you're [C] up one day, the next you're down,
It's [G] half an inch of water, but you think you're gonna drown
that's the way the [D7] world goes [G] round.

that's the way the [D7] world goes [G] 'round.
that's the way the [D7] world goes ... [G] 'round.
