

It's beginning to look a lot like Christmas

Everywhere you go Take a look at the five and ten glistening once again With candy canes and silver lanes a-glow

It's beginning to look a lot like Christmas Toys in every store. But the prettiest site to see is the holly that will be on your own front door.

Hop a long boots and a pistol that shoots are the wishes of Barney and Ben Dolls that will talk and will go for a walk is the hope of Janice and Jen.

And Mom and Dad can hardly wait for school to start again.

It's beginning to look a lot like Christmas every where you go There's a tree in the Grand Hotel one in the park as well The sturdy that doesn't mind the snow

It's beginning to look a lot like Christmas soon the bells will start And the thing that will make them ring is the carol that you sing Right within your heart Right within your heart.
