

Let It Snow

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow

CHORUS

When we finally kiss good night How I'll hate
going out in the snow. But if you really hold me
tight All the way home I'll be warm

The fire is slowly dying And my dear we're still
good byeing But as long as you love me so Let it
snow, let it snow, let it snow *TO CHORUS*
