[G] [Em] [G] [Em]

[G] Well I can't do nothin' with the [Em] blues I got but G/ sing, D7/ sing, [G] sing.

[G] Then I tell all my troubles to the [Em] friends I meet, I'm gonna G/ sing, D7/ sing, [G] sing. Everybody

[D7] Sing away your troubles, [G] let's be happy and gay, *yeah, yeah, yeah!*

[D7] Let's shout hallelujah, [G] sing your blues away. *Hey, hey, hey, hey, hey!*

[C] If you feel down- [A7] hearted, [G] join me in my [E7] song

And [A7] tell (*and tell*) the [D7] blues (*the blues*) so [G] long, *tell the blues so long.*

[G] Well if you wanna be happy, sing a [Em] happy song. Come on and G/ sing, D7/ sing, [G] sing

Everything'll be all right that you [Em] thought was wrong if you G/ sing, D7/ sing, [G] sing.

When your best friend steals all your [Em] clothes from you, you've gotta G/ sing, D7/ sing, [G] sing

Cause tomorrow you'll find a [Em] love that's true, if you G/ sing, D7/ sing, [G] sing

[D7] Sing away your troubles, [G] let's be happy and gay, *yeah, yeah, yeah!*

[D7] Let's shout hallelujah, [G] sing your blues away. *Hey, hey, hey, hey, hey!*

[C] If you feel down- [A7] hearted, [G] join me in my [E7] song

And [A7] tell (*and tell*) the [D7] blues (*the blues*) so [G] long, *tell the blues so long. One more time I said,*

an' [A7] tell (*and tell*) the [D7] blues (*the blues*) so G7/ long, *tell the C/ blues so G long.*
