

# Autumn Leaves [Am]

artist:Everly Brothers , writer:Joseph Kosma, Jacques  
Jacques Andre Marie

The falling leaves drift by the window  
The Autumn leaves of red and gold  
I see your lips the summer kisses  
The sun-burned hands I used to hold

Since you went away the days grow long  
And soon I'll hear old winter's song  
But I miss you most of all my dar-ling  
When Au-tumn leaves start to fall

Since you went away the days grow long  
And soon I'll hear old winter's song  
But I miss you most of all my darling  
When Autumn leaves start to fall

When Autumn leaves start to fall

# For Me And My Gal

artist:Perry Como , writer:Edgar Leslie, Ray C

The bells are ringing for me and my gal  
The birds are singing for me and my gal.  
Everybody's been knowing  
To a wedding they're going  
And for weeks they've been sewing,  
Every Susie and Sal.

They're congre-gating for me and my gal.  
The parson's waiting for me and my gal.

And someday,  
We're gonna build a little home for two  
Or three, or four, or more,  
In love-land  
For me and my gal  
For me and my gal

## Stumbling Through the Dark

Your so in love, little girl    So much in love little girl

Running around in circles why? You know it's a crime

No less no more than a rose    No less no more than a rose

Try to attach a meaning    To words that you've heard

Stumbling through the dark

Seems I'm stumbling through the dark

Everybody's stumbling through the dark

The men who proceeded us here

Left only questions and fears

The vanity formed by beauty lies

You know it's a crime

# Summertime [Dm]

artist:George Gershwin , writer:George and  
George Gershwin

Intro:

Summer time  
And the livin' is easy  
Fish are jumpin'  
And the cotton is high  
Oh, your daddy's rich  
And your ma is good lookin'  
So hush, little baby; don't you cry

One of these mornings  
You're gonna rise up singing  
Then you'll spread your wings  
And you'll take to the sky  
But 'til that morning  
There ain't nothin' can harm you  
With daddy and mammy stand- in' by

## AIN'T SHE SWEET

Ain't she sweet? See her coming down the street  
Now I ask you very confidentially Ain't she sweet

Ain't he nice? Look her over once or twice  
Now I ask you very confidentially Ain't she nice?

Just cast an eye in her direction  
Oh, me! Oh, my! Ain't that perfection?

I repeat  
Don't you think that's kind of neat?  
And I ask you very confidentially, Ain't she sweet?

and I ask you very confidentially, Ain't she sweet?

REPEAT ALL

# **ALWAYS**

**I'll be loving you, always  
With a love that's true, always  
When the things you've planned  
Need a helping hand  
I will understand, always, always**

**Days may not be fair , always  
That's when I'll be there, always  
Not for just an hour, not for just a day  
Not for just a year, but always**

## **MUSIC**

## When You're Smiling - Medley

1/27/24

When you're smiling, when you're smiling  
The whole world smiles with you  
When you're laughing, when you're laughing  
The sun comes shining through  
But when you're crying, you bring on the rain  
So stop you're sighing, be happy again  
Keep on smiling, cause when you're smiling  
The whole world smiles with you.

*When you're smiling*

If you knew Susie, like I know Susie  
Oh, Oh, Oh what a girl  
There's none so classy as this fair lassie  
Oh, Oh, Holy Moses, what a chassie  
We went riding, she didn't baulk  
Back from Yonkers, I'm the one that had to walk  
If you knew Susie, like I know Susie  
Oh, Oh what a girl

*If You Knew Susie*

Ma, he's making eyes at me, Ma, he's awful nice to me  
Ma, he's almost breaking my heart  
I'm beside him, mercy, let his conscience guide him Ma, he  
wants to marry me, be my honey bee  
Every minute he gets bolder, now he's leaning on my shoulder  
Ma, he's kissing me.

*Ma, He's Making Eyes  
at ME*

I'm looking over a four leaf clover, that I overlooked before  
One leaf is sunshine, the other is rain  
The [A7] third is for roses, that grow in the lane  
No use explaining, the one remaining, is somebody I adore  
I'm looking over, a four leaf clover  
That I over looked be fore  
That I over looked be fore

*I'm Looking Over  
A 4 Leaf Clover*

# EVERYBODY LOVES SOMEBODY SOMETIMES

Everybody loves somebody sometimes  
Everybody fall in love somehow.  
Something in your kiss just tells me  
That sometime, is now

Everybody finds somebody someplace  
there's no telling where love may appear  
Something in my heart keeps saying  
my someplace .... is here.

If I had it in my power  
I would arrange for every girl to have your charm.  
Then every minute, every hour  
every boy would find what I've found in your arms

Everybody loves somebody sometime,  
and although my dream was over-due  
your love made it all worth waiting,  
for someone...like you.

Everybody loves somebody sometimes,  
and although my dream was overdue,  
your love made it all worth waiting,  
for someone...like you
