Back Home Again - John Denver #5 in '74

5/9 -
Date:

5/9

There's a storm across the valley clouds are rolling in the afternoon is
 Heavy on your shoulders There's a truck out on the four lane a mile or
 More away The whining of his wheels just makes it colder
 He's an hour away from ridin' on your prayers up in the sky And ten days
 On the road are barely gone There's a fire softly burning Supper's
 On the stove But it's the light in your eyes that makes him warm

Hey it's good to be back home again Sometimes this old farm
 Feels like a long lost friend yes and hey it's good to be back home again

There's all the news to tell him how'd you spend your time what's the
 Latest thing the neighbors say And your mother called last Friday
 Sunshine made her cry you felt the baby move just yesterday

Hey it's good to be back home again Sometimes this old farm
 Feels like a long lost friend yes and hey it's good to be back home again

And oh the time that I can lay this tired old body down Feel your
 Fingers feather soft upon me The kisses that I live for the love
 That lights my way The happiness that living with you brings me

It's the sweetest thing I know of just spending time with you It's the
 Little things that make a house a home Like a fire softly burn
 Supper on the stove and the light in your eyes that makes me warm

Hey it's good to be back home again Sometimes this old farm
 Feels like a long lost friend yes and hey it's good to be back home again

I said hey it's good to be back home again

recorded by The Cascades - written by John Gummoe

[INTRO] [C] ... [F] ... [C] ... [G7] ...

[C] Listen to the rhythm of the **[F]** falling rain
[C] Telling me just what a fool I've **[G7]** been
I **[C]** wish that it would go and let me **[F]** cry in vain
And **[C]** let me be a-**[G7]**lone a-**[C]**gain **[G7]**

[C] Now the only girl I've ever loved has **[F]** gone away
[C] Looking for a brand new **[G7]** start
[C] Little does she know that when she **[F]** left that day
[C] Along with her she **[G7]** took my **[C]** heart

[F] Rain please tell me now does **[Em]** that seem fair
For **[F]** her to steal my heart away when **[C]** she don't care
I **[Am]** can't love another when my **[F]** heart's
Somewhere far **[C]** away **[G7]**
