

Jamaican Farewell

Me heart is down, me head is turning around
I had to leave a little girl in Kingston town
Down the way where the nights are gay
And the sun shines gaily on the mountain top
I took a trip on a sailing ship
And when I reached Jamaica I made a stop

But I'm sad to say, I'm on my way
Won't be back for many a day *CHORUS*
Me heart is down, me head is turning around
I had to leave a little girl in Kingston town

Down at the market you can hear
Ladies cry out while on their heads they bear
Akee, rice, salt fish are nice
And the rum is fine any time of year
TO CHORUS

Sounds of laughter everywhere
And the dancing girls sway to and fro
I must declare my heart is there
Though I've been from Maine to Mexico
TO CHORUS

But I'm sad to say, I'm on my way Won't be back
for many a day Me heart is down, me head is
turning around I had to leave a little girl in
Kingston town I had to leave a little girl in
Kingston town

Lahaina

I was sitting at a table on an open bay
Waiting for a drink of rum
When I asked my waiter for the time of day
She said "look out there's a centipede coming your way"

In La-haina, the sugar cane grow
In La-haina, the living is slow
In La-haina, the mangoes are sweet
But the centipede he crawls all over your feet

I was laying by the water in the morning sun
Shaded by a coconut tree
When I turned around it was all I could see
There was great big centipede staring at me

In La-haina, the sugar cane grow
In La-haina, the living is slow
In La-haina, the mangoes are sweet
But the centipede he crawls all over your feet

Boh doh doh doh boh boh Boh boh doh doh doh
Boh doh doh doh boh doh
Boh doh doh doh boh boh Boh boh doh doh doh Boh doh doh
doh boh doh

I had only just a second to decide what to do
While looking at his poisonous fangs
When I said I thought it was a beautiful day
He said " Look out, Mister Howely!
I think you're pushing my leg."

In La-haina, the sugar cane grow
In La-haina, the living is slow
In La-haina, the mangoes are sweet
But the centipede he crawls all over your feet
Boh doh doh doh boh boh Boh boh doh doh doh Boh doh doh
doh boh doh Boh doh doh doh boh boh Boh boh doh doh doh
Boh doh doh doh boh doh

Look for the good

Look for the good in everything
Look for the people who will set your soul free
It always seems impossible until it's done look for the good in everyone

People done gone crazy, people done gone mad
People done forgot the superpowers we all have
People want to love, not hate We can decide our fate

And look for the good in everyone And celebrate our love most days
If there's a silver lining (Silver lining) you still have to find it, find it, find it

Look for the good in everything, hmm, hmm
Look for the people who will set your soul free
It always seems impossible until it's done Look for the good in everyone

Everyone needs sunshine, everyone needs rain
Everyone is carrying around some kind of pain I see who you are, you're just like me
I see you're searching for a purpose, guided by a dream

I see who you are, I'm just like you I get lost sometimes
and I forget what I came here to do I keep on trying (Keep on trying)
When it gets frightening

Look for the good in everything, hmm, hmm
Look for the people who will set your soul free
It always seems impossible until it's done Look for the good Look for the good
Look for the good in everyone

Everyone is nature, everyone is God Everyone is love and light and vibration
Look for the good, look for the good
Everyone gets mad sometimes and maybe they should

Look for the good Look for the good
Yeah, look out for all the heroes in your neighborhood

Look for the good Look for the good
Life sure would be sweeter if everybody would

Look for the good in everything Look for the people who will set your soul free
It always seems impossible until it's done
Look for the good
Look for the good
Look for the good in everyone

Hmm, hmm

LEMON TREE

When I was just a lad of ten, my father said to me
Come here and take a lesson from the lovely lemon tree
Don't put your faith in love, my boy, my father said to me
I fear you'll find that love is like the lovely lemon tree

CHORUS

Lemon tree very pretty and the lemon flower is sweet
But the fruit of the lemon is impossible to eat
Lemon tree, very pretty, and the lemon flower is sweet
But the fruit of the lemon is impossible to eat

One day beneath the lemon tree, my love and I did lie,
A girl so sweet that when she smiled, the stars rose in the sky
We passed that summer lost in love, beneath the lemon tree-
The music of her laughter hid my father's words from me

to CHORUS

One day he left without a word, she took away the sun
And in the dark she left behind, I knew what she had done.
She left me for another, it's a common tale but true
A sadder man, but wiser now, I sing these words to you.

to CHORUS

The Language of Love

Oh, two lovers sittin' on a lover's lane
Just a watchin' the stars above
They don't have to say a thing
They're speaking the language of love

Dooby dooby dooby doo (dooby dooby dooby doo)
Dooby dooby dooby doo (dooby dooby dooby
doo)Dooby dooby dooby dooby doo doo, dooby doo
doo, doo doo.

Oh,two lovers sippin' on a chocolate shake
You can tell what they're thinking of
Their eyes are saying little secret things
They're using the language of love.

Dooby dooby dooby doo (dooby dooby dooby doo)
Dooby dooby doobydoo (dooby dooby dooby
doo)Dooby dooby dooby dooby doo doo, dooby doo
doo, doo doo.

Oh two lovers sittin' in a English class
Don't know what the teacher's speaking of
Ain't learned no English, but they're learnin' fast
The language of love.

Dooby dooby dooby doo (dooby dooby dooby doo)
Dooby dooby doobydoo (dooby dooby dooby doo)
Dooby dooby dooby dooby doo doo, dooby doo doo,
doo doo Dooby dooby dooby dooby doo doo, dooby doo
doo, doo doo

Moonlight Bay

We were sailing a long on Moonlight Bay
We could hear the voices ringing
They seemed to say, (They seemed to say)
You have stolen my heart, now don't go away
As we sang love's old sweet song on Moonlight Bay

We were sailing a long, (We were sailing a long)
On Moonlight Bay, Moonlight Bay

We could hear the voices ringing
They seemed to say, (They seemed to say)
You have stolen my heart, (You have stolen my heart)
Now don't go away As we sang love's old sweet song
on Moonlight Bay

We were sailing along on Moonlight Bay
We could hear the voices ringing
They seemed to say, (They seemed to say),
You have stolen my heart, now don't go away
As we sang love's old sweet song on Moonlight Bay

We were sailing a long, (We were sailing a long)
On Moonlight Bay, (Moonlight Bay)
We could hear the voices ringing
They seemed to say, (They seemed to say)
You have stolen my heart, (You have stolen my heart)
Now don't go away As we sang love's old sweet song
on MoonlightBay
As we sang love's old sweet song on Moonlight

Blame It On The Bossa Nova

I was at a dance, when he caught my eye
Standin' all alone, lookin' sad and shy
We began to dance swaying' to and fro
And soon I knew I'd never let him go

CHORUS

Blame it on the bossa nova with its magic spell
Blame it on the bossa nova that he did so well
Oh, it all began with just one little dance
But soon it ended up a big romance
Blame it on the bossa nova
The dance of love

Now was it the moon? (No, no, the bossa nova)
Or the stars above? (No, no, the bossa nova)
Now was it the tune? (Yeah, yeah, the bossa
nova) The dance of love

Now I'm glad to say, I'm his bride to be
And we're gonna raise, a fami-ly
And when our kids ask, how it came a-bout
I'm gonna say to them without a doubt

TO CHORUS

Now was it the moon? (No, no, the bossa nova)
Or the stars above? (No, no, the bossa nova)
Now was it the tune? (Yeah, yeah, the bossa
nova) The dance of love

Day Is Done

Do you like me? Well I hope you do
Cause if you like me,
then I think I'm gonna have to like you too.
We'll share our things, and have some fun,
Then we'll say goodbye, and go back home when the day is done.

If you tell me, I'll tell you too.
And we'll say the things and do the things that lovers do.
We'll keep it to ourselves, we won't hurt no one.
Then we'll say goodbye, and go back home when the day is done.

We'll carve our names, on a tree,
Then we'll burn it down so no one in the world will see
And we'll make love, while we watch the flame
Then we'll walk away as if we never had no shame.

Do you like me? Well I hope you do,
Cause if you like me, then I think I'm gonna have to like you too.
We'll share our things, and have some fun,
Then we'll say goodbye, and go back home when the day is done.

Now we must hide, to be alone,
And we can't say our sweet things on the telephone
If we can't stop, what we've begun,
We should say goodbye and go back home when the day is done.

Do you still like me? Well I hope you do.
Cause if you still like me then I think I'm gonna have to still like you.
We shared our things, and had some fun
Now we'll say goodbye and go back home when the day is done.
