INTRO

I've been [G] walking [C] in my [G] sleep . . .
Counting [Em] troubles 'stead of counting [C] sheep . .
Where the [G] years went I can't [Em] say . . .
I just [C] turned around [D] and they've gone [G] away . .

I've been [G] walking [C] in my [G] sleep . . .
Counting [Em] troubles 'stead of counting [C] sheep . .
Where the [G] years went I can't [Em] say . . .
I just [C] turned around [D], and they've gone [G] away . .
[G] I' been sifting [C] through the [G] layers Of dusty [Em] books and
faded [C] papers . .
They tell a [G] story I used to [Em] know, . . .
And it was one that [C] happened [D], so long [G] ago . [G\]

It's gone [G] away, in [C] yester-[G] day . .
Now I [Em] find myself on the mountain-[C]side . . .
Where the [G] rivers change di-[Em]rection .
[D] Across the [C] Great Div-[G] ide . .
[G] Now I heard,.. the [C] owl a [G] callin' . .
Softly [Em] as,.. the night was [C] fallin' . .
With a [G] question and I re-[Em]plied . . .
But he's [C] gone a-[D]cross the border [G] line . [G\]

[G] It's gone away, in [C] yester-[G] day . .
Now I [Em] find myself on the mountain-[C]side . . .
Where the [G] rivers change di-[Em]rection .
[D\] Across the [C\] Great Div-[G\]ide . . .

[G] The finest hour that [C] I have [G] seen . . .
[Em]one,.. that comes in be-[C]tween . .
Is the edge of [G]night, and the break of [Em]day . . .
It's when the [C] darkness [D] rolls a[G]way . [G\]

[G] It's gone away, in [C] yester-[G]day . . .
Now I [Em] find myself on the mountain-[C]side . . .
