I've been [G] walking [C] in my [G] sleep
Counting [Em] troubles 'stead of counting [C] sheep
Where the [G] years went I can't [Em] say
I just [C] turned around [D] and they've gone [G] away

I've been [G] walking [C] in my [G] sleep
Counting [Em] troubles 'stead of counting [C] sheep
Where the [G] years went I can't [Em] say
I just [C] turned around [D], and they've gone [G] away (234, 1 stop)
[G] I've been sifting [C] through the [G] layers Of
dusty [Em] books and faded [C] papers
They tell a [G] story I used to [Em] know,
And it was one that [C] happened [D], so long [G] ago

It's gone [G] away, in [C] yester-[G] day
Now I [Em] find myself on the mountain-[C]side (234, 1 stop) (23)
Where the [G] rivers change di-[Em]rection
[D] Across the [C] Great Div-[G]ide (234 12)
[G] Now I heard,.. the [C] owl a [G] callin'
Softly [Em] as,.. the night was [C] fallin'
With a [G] question and I re-[Em]plied
But he's [C] gone a-[D]cross the border [G] line

[G] It's gone away, in [C] yester-[G] day
Now I [Em] find myself on the mountain-[C] side (234, 1 stop) (23)
Where the [G] rivers change di-[Em]rection
[D] Across the [C] Great Div-[G]ide (234 12)

[G] The finest hour that [C] I have [G] seen [Em]
one,.. that comes in be-[C]tween
Is the edge of [G] night, and the break of [Em] day
It's when the [C] darkness [D] rolls a [G] way

[G] It's gone away, in [C] yester-[G] day
Now I [Em] find myself on the mountain-[C]side

Where the [G] rivers change di-[Em]rection
[D] Across the [C] Great Div-[G]ide . . [D][G]
