Catch A Falling Star – PERRY COMO

**Catch a falling star and put it in your po-cket,
never let it fade a-way.**

Strangers In The Night

Strangers in the night exchanging glances,
wondering in the night what were the chances
We'd be sharing love before the night was
through?

Something in your eyes was so inviting, something
in your smile was so exciting
Something in my heart
told me I must have you

Strangers in the night, two lonely people, we were
strangers in the night up to the moment
When we said our first hello, little did we know, love
was just a glance away, a warm embracing dance
away

And ever since that night we've been together, lovers at
first sight in love forever
It turned out so right for
strangers in the night

Love was just a glance away, a warm embracing dance
away

Ever since that night we've been together, lovers at
first sight in love forever
It turned out so right for
strangers in the night

Do dee do be doo do do do dee da,

The Way You Look Tonight

**Some day, when I'm awfully low,
when the world is cold,
I will feel a glow just thinking of you
and the way you look tonight
You're lovely, with your smile so warm and your
cheeks so soft,**

**There is nothing for me but to love you, and the
way you look tonight.**

**With each word your tenderness grows, Tearing
my fear apart:**

**And that laugh that wrinkles your nose, Touches
my foolish heart.**

You're lovely, never, never change

**Keep that breathless charm,
Won't you please arrange it? Cause I love you
just the way you look tonight.**

The way you look tonight.

LADY of SPAIN

Lady of Spain I adore you, right from the night I first saw you . My heart has been yearning for you. What else could my hear do?

Lady of Spain I'm ap-pealing, why should my lips be con-cealing. All that my eyes are re-vealing? Lady of of Spain I love you

Night in Madrid, blue and tender, Spanish moon makers silver splendor. Music throbbing, plaintive, sobbing notes of a guitar, while ardent caballeros ser-nade.

Lady of Spain I adore you, right from the night I first saw you . My heart has been yearning for you. What else could my hear do?

Lady of Spain I'm ap-pealing, why should my lips be con-cealing. All that my eyes are re-vealing? Lady of of Spain Lady of Spain, Lady of Spain I love you

SWEET CAROLINE

**Where it began, I can't begin to knowin'
But then I know it's growing strong**

**Was in the Spring and Spring became the
Summer Who'd have believed you'd come
along?**

**Hands touchin' hands Reachin' out touchin'
me touchin' you Sweet Caro-line. Good times
never seemed so good I've been in-clined to
believe they never would but now I**

**Look at the night and it don't seem so lonely
We fill it up with only two And when I hurt
hurtin' runs off my shoulders How can I hurt
when holding you?**

**Warm touchin' warm Reachin' out touchin' me
touchin' you Sweet Caro-line. Good times
never seemed so good I've been inclined to
believe they never would oh no no**

**Sweet Caro-line. Good times never seemed so
good I've been in-clined to believe they never
would oh no no* no.**

ROSEVILLE GALS

Roseville gals won't you come out tonight, come out tonight, come out tonight. Roseville gals won't you come out tonight and dance by the light of the moon.

As I was walking down the street, down the street, down the street
A pretty little gal I chanced to meet oh, he was fair to see..
I stopped her and we had a talk, had a talk, had a talk,
Her feet took up the whole sidewalk and left no room for me

Roseville gals won't you come out tonight, come out tonight, come out tonight. Roseville gals won't you come out tonight and dance by the light of the moon.

I asked her if she'd have a dance, have a dance, have a dance
I thought that I might hae a chance to shake a foot with her

I danced with a gal with a hole in her stroking', her heel kept a-knockin'
and her toes kept a rockin'
I danced with a gal with a hole in her stockin' and we danced by the light of the moon.

Roseville gals won't you come out tonight, come out tonight, come out tonight. Roseville gals won't you come out tonight and dance by the light of the moon.

Mars in other words hold my hand
in other words darling kiss me**

**Fill my heart with song and let me sing
forever more**

**You are all I long for all I worship and adore
In other words please be true
In other words I love you**
