Intro: [F]/// [Gm]/// [Bb]/// [F]/// x2

[C] Wake up Maggie I [Bb] think I've got something to [F] say to you

It's [C] late September and I [Bb] really should be [F] back at school

I [Bb] know I keep you a-[F]mused, but I [Bb] feel I'm being [C] used

Oh [Gm] Maggie I couldn't have [Am] tried any [Gm] more

You [Gm] led me away from [C] home just to [Gm] save you from being a-[C]lone

You [Gm] stole my heart and [C] that's what really [F] hurts

The [C] morning sun when it's [Bb] in your face really [F] shows your age
But [C] that don't worry me [Bb] none in my eyes you're [F] everything
I [Bb] laugh at all of your [F] jokes, my [Bb] love you didn't need to [C] coax

Oh [Gm] Maggie I couldn't have [Am] tried any [Gm] more

You [Gm] led me away from [C] home just to [Gm] save you from being a-[C]lone

You [Gm] stole my soul and that's a [C] pain I can do with-[F]out

[C] All I needed was a [Bb] friend to lend a [F] guiding hand

But you [C] turned into a lover and [Bb] mother what a lover you wore [F] me out
[Bb] All you did was wreck my [F] bed and in the [Bb] morning kick me in the [C] head

Oh [Gm] Maggie I couldn't have [Am] tried any [Gm] more

You [Gm] led me away from [C] home 'cause you [Gm] didn't want to be a-[C]lone

You [Gm] stole my heart I couldn't [C] leave you if I [F] tried

Instrumental: [Gm]/// [C]/// [F]/// [Bb]/// [Gm]/// [Bb]/ [C]/ [F]/////

I [C] suppose I could coll-[Bb]ect my books and get on [F] back to school

Or [C] steal my daddy's [Bb] cue and make a living out of [F] playing pool

Or [Bb] find myself a Rock and Roll [F] band that [Bb] needs a helping [C] hand

Oh [Gm] Maggie I wish I'd [Am] never seen your [Gm] face

You made a [Gm] first class fool out of [C] me, but I'm as [Gm] blind as a fool can [C] be

You [Gm] stole my heart but I [C] love you any-[F]way

Instrumental: [Gm]/// [C]/// [F]/// [Bb]/// [Gm]/// [Bb]/ [C]/ [F]/////

[F] Maggie I [Gm] wish I'd [Bb] never seen your [F] face

[F]/// [Gm]/// [Bb]/// [F]///

[F] I'll get back [Gm] home one [Bb] of these [F] days

[F]/// [Gm]/// [Bb]/// [F]///

Slower: [F] Maggie I [Gm] wish I'd [Bb] never seen your [F\] face
