# 50 Ways to Leave Your Lover  Paul Simon

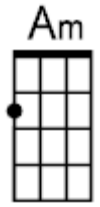

G D G Em
The problem is all inside your head she said to me
Em D Bm7 B
The answer is easy if you take it logically
G D G Em
I'd like to help you in your struggle to be free
G Am G
There must be - fifty ways to leave your lover

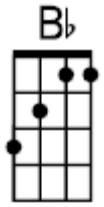

G D G Em
You know it's really not my habit to intrude
Em D Bm7 B
And furthermore I hope my meaning won't be lost or misconstrued
G D G Em
But I'll repeat myself at the risk of being crude
G Am G G Am G
There must be - fifty ways to leave your lover. Fifty ways to leave your lover

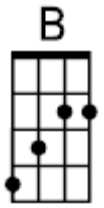

*G Bb*
*Just slip out the back, Jack, make a new plan, Stan*
*C7 G*
*No need to be coy, Roy, just listen to me*
*G Bb*
*Hop on the bus, Gus, don't need to discuss much*
*C7 G*
*Just drop of the key, Lee, and set yourself free*
***<repeat chorus>***

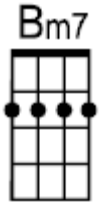

G D G Em
You know it grieves me so to see you in such pain
Em D Bm7 B
I wish there was something I could do to make you smile again
G D G Em
I said I appreciate that, and would you please explain
G Am G
'Bout the fifty ways

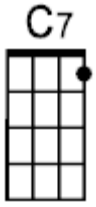

G D G Em
She said why don't we both just sleep on it tonight
Em D Bm7 B
And I believe that in the morning you'll begin to see the light
G D G Em
Then she kissed me, and I realized she probably was right
G Am G G Am G
There must be - fifty ways to leave your lover. Fifty ways to leave your lover

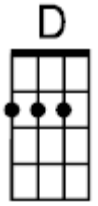

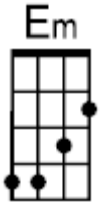

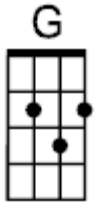

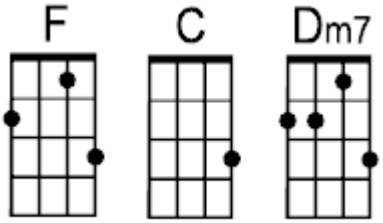

## 59th Street Bridge Song  Paul Simon

**Abracadabra** Steve Miller

Hiding in these minor chords is a super simple I, IV, V song.

Am Dm E7 Am
I heat up, I can't cool down. You got me spinnin', round and round
Am Dm E7 Am
Round and round and round it goes, where it stops nobody knows

**Verse 2**

Am Dm E7 Am
Every time you call my name. I heat up like a burnin' flame
Am Dm E7 Am
Burnin flame full of desire. Kiss me baby, let the fire get higher

Am Dm E7 Am

Am Dm E7 Am
A - bra-abra-cadabra. Abracadabra

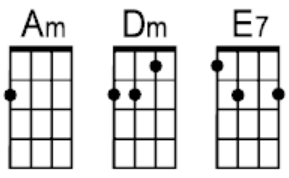

The first "A –" comes on beat 4 of the prior measure.

Am Dm E7 Am
You make me hot, you make me sigh You make me laugh, you make me cry
Am Dm E7 Am
Keep me burnin for your love with the touch of a velvet glove

***<Chorus>***

Am Dm E7 Am
I feel the magic in your caress. I feel magic when I touch your dress
Am Dm E7 Am
Silk and satin, leather and lace. Black panties with an angel's face

Am Dm E7 Am

Am Dm E7 Am
Just when I think I'm gonna get away, I hear those words that you always say

***<Chorus> <Verse 2>***

With Abraham, Martin, and John

This hit for Dion in 1968 had an unlikely writer/producer pair whose prior collaboration had been the smash hit "Snoopy vs. the Red Baron." Many others have recorded it. Notably, a version by Moms Mabely hit #33 in 1969, making her at age 75 the oldest person to ever have a Top 40 hit.

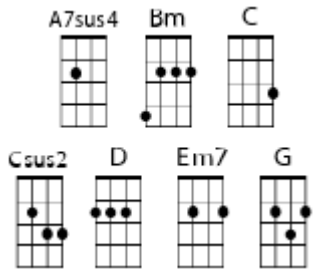

**Absolutely (Story of a Girl)** John Hampson (Nine Days)

Bm Csus2 G D
How many days disappear when you look in the mirror so how do you choose?

How do we get there today when we're walking too far for the price of our shoes

**Ain’t No Rest for the Wicked** Champion, Parish, Shultz, Shultz, Tichenor

D D
I was walking down the street when out the corner of my eye
F// G// D
I saw a pretty little thing approaching me
D D
She said, “I've never seen a man who looks so all alone
F// G// D
Could you use a little company?
D D
If you pay the right price your evening will be nice
F// G// D
And you can go and send me on my way”
D D
I said, "You're such a sweet young thing why'd you do this to yourself?"
F// G// D
She looked at me and this is what she said

D F// G// D F// G//
Oh, there ain't no rest for the wicked money don't grow on trees
D F// G// D F// G//
I got bills to pay I got mouths to feed there ain't nothing in this world for free
D F// G// D F// G//
I know I can't slow down, I can't hold back tho you know I wish I could
D F// G// D F// G//
Oh, no there ain't no rest for the wicked until we close our eyes for good

Not even 15 minutes later I'm still walking down the street
When I saw the shadow of a man creep out of sight
And then he swept up from behind he put a gun up to my head
He made it clear he wasn't looking for a fight
He said, "Give me all you've got I want your money not your life
But if you try to make a move, I won't think twice"
I told him, "You can have my cash but first you know I got to ask
What made you want to live this kind of life?" He said

***<Chorus>***

Well, now a couple hours passed and I was sitting at my house
The day was winding down and coming to an end
And so I turned on the TV and flipped it over to the news
And what I saw I almost couldn't comprehend
I saw a preacher man in cuffs he'd taken money from the church
He'd stuffed his bank account with righteous dollar bills
But even still I can't say much because I know we're all the same
Oh yes, we all seek out to satisfy those thrills ***<Chorus>***

Tune: Jamaica Farewell

C F
Up the road where the nights are cold
G7 C
And the fog creeps slowly o'er the mountain tops
C F G7 C
I took a drive up Highway 9 and when I reached Ben Lomond I made a stop

C F
Now I'm glad to say I'm here today
G7 C
Making music the ukulele way
C F
When the sun goes down with my friends around
G7 C C
We're gonna light that sucker up and burn it down

C F
Three squares a day and a place to lay
G7 C
While my friends and I uke the day away
C F G7 C
Tiki King and Roaring Camp and when I wake up my tent is damp

***<Chorus>***

C F G7 C
The songs are led and we get fed, all we have to do is just show up
C F G7 C
I look forward to it every year but I can't imagine they need my help

Irving Berlin wrote this song in 1925 as a wedding gift for his new wife and presented her in 1926 with the royalties.

The intro is rarely sung:

Everything went wrong
All the whole day long
I'd feel so blue
For the longest while
I'd forget to smile
Then I met you
Now that my blue days have passed
Now that I've found you at last

A long long time ago, I can still remember how that music used to make me smile
      G//      D// Em7                Am                        C
And I knew if I had my chance, that I could make those people dance

## And So It Goes

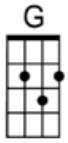

Billy Joel says this song has no fixed meter, so you just have to know how it goes!

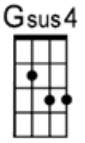

C F Am C F G
In ev'ry heart there is a room, a sanctuary safe and strong
C F Am C F F7 C
To heal the wounds from lovers past, until a new one comes along

C F7 Am C F G
I spoke to you in cautious tones, you answered me with no pretense
C F7 Am C F F7 C
And still I feel I said too much. My silence is my self defense

C7 F7 F C Am D F Gsus4 G
And every time I've held a rose, it seems I only felt the thorns
C7 F7 F C Am D F Gsus4 G
And so it goes, and so it goes, and so will you soon I suppose

C F7 Am C F G
But if my silence made you leave, then that would be my worst mistake
C F7 Am C F F7 C
So I will share this room with you, and you can have this heart to break

C7 F7 F C Am D F Gsus4 G
And this is why my eyes are closed, it's just as well for all I've seen
C7 F7 F C Am D F Gsus4 G
And so it goes, and so it goes, and you're the only one who knows

C F7 Am C F G
So I would choose to be with you, that's if the choice were mine to make
C F7 Am C F F7 C
But you can make decisions too, and you can have this heart to break

Come on home, Angelina, my love for you will never grow old

D7 D7
Well, now I've tried to love you with diamonds and pearls

## Angie Baby

Alan O'Day

Am Am Am Am
You live your life in the songs you hear on the rock and roll radio
Am Am Am Am// Bm7//
And when a young girl doesn't have any friends that's a really nice place to go
Dm7 G Em F
Folks hoping you'd turn out cool, but they had to take you out of school
Bm7 E Am Am Am Am
You're a little touched you know, Angie Baby

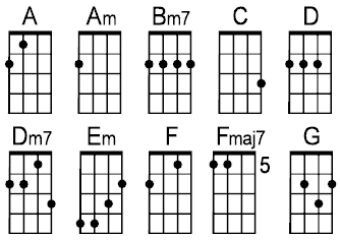

Lovers appear in your room each night and they whirl you across the floor
But they always seem to fade away when your daddy taps on your door
Dm7 G Em F
Angie girl, are you all right? Tell the radio good-night
Bm7 E Am Am// Bm7//
All alone once more, Angie Baby

Dm7 G Dm7 Em F// G// G G G G Am Am Am Am
Angie Baby, you're a special lady. Living in a world of make-believe. Well, maybe

Stopping at her house is a neighbor boy with evil on his mind
'Cause he's been peeking in Angie's room at night through her window blind
I see your folks have gone away, would you dance with me today?
I'll show you how to have a good time, Angie Baby

When he walks in her room he feels confused like he's walked into a play
And the music's so loud it spins him around 'til his soul has lost its way
C C D D
And as she turns the volume down, he's getting smaller with the sound
F F G G A A A A
It seems to pull him off the ground, toward the radio he's bound, never to be found

The headlines read that a boy disappeared and everyone thinks he died
'Cept a crazy girl with a secret lover who keeps her satisfied
It's so nice to be insane, no one asks you to explain
Radio by your side, Angie Baby

You can find versions with fewer words, such as when Shirley Temple premiered the song in "Captain January", and versions with more words, such as an odd cover version by John Lithgow. I went with medium Disney amount of words even though the final line has nod to the Beatles that would never have been in the 1936 original. To compensate for that anachronism I did include the original intro which Disney left out.

A "Plaice" is a type of flounder.

## The Ballad of Harry T. Moore

Langston Hughes, Bernice Johnson Reagon

C F C G7
It seems I hear Harry Moore from the earth his voice still cries
C F C G7 C
No bomb can kill the dreams I hold, freedom never dies

It happened in Florida, the land of flowers it was on a Christmas night
Men came stealing through the orange groves men of hate carrying dynamite
It was to a little cottage, the family the name of Moore
At the windows hung sprigs of holly, a pine wreath at the door
It was on a Christmas evening and the family prayers were said
Mother, father, daughter and grandmother went to bed
The father's name was Harry Moore of the N-A-A-C-P
He fought for the right for us to live, black folk must be free

C F C G7
It seems I hear Harry Moore from the earth his voice still cries
C F C G7 C
No bomb can kill the dreams I hold, for freedom never dies
C G7
Freedom never dies I say, freedom never dies
C F C G7 C
No bomb can kill the dreams I hold, for freedom never dies

It could not be in Jesus' name beneath the bedroom floor
On Christmas night the killer's hid the bomb for Harry Moore
It could not be in Jesus' name the killer's took his life
And blew his home to pieces and killed his faithful wife
It could not be for the sake of love they did this awful thing
For when the bomb exploded and the Moore's died, no hearts were heard to sing
And certainly no angels cried, "Peace on earth goodwill to men"
But 'round the world an echo hurled, the question, "When, when when?"
When will people in Jesus' name and when will they by prayer
Know that each one has the right to stand up everywhere
When will people for the sake of peace, for the sake of democracy
Know that no bomb that you can make can stop us from being free

***<Chorus>***

So if you see old Harry Moore walking on a Christmas night
Do not fear and run away, he has no dynamite
For in his heart is only love for all the human race
And for each and everyone one of us to have his rightful place

***<Chorus>***

## The Ballad of John Henry  Traditional

D D D D D D A7 A7
When John Henry was a little baby, sittin' on his daddy's knee
D G7 D G7
Well he picked up a hammer and a little piece of steel
D A7 D Bm7
Said this hammer's gonna be the death of me Lord, Lord
D A7 D D
This hammer's gonna be the death of me

The captain said to John Henry, I'm gonna bring that steam drill 'round
I'm gonna bring that stream drill out on the job
I'm gonna whup that steel on down, Lord Lord, I'm gonna whup that steel on down

Well John Henry told his captain, a man ain't nothin' but a man
But before I'd let your steam drill beat me down
I would die with a hammer in my hand, Lord Lord
I would die with a hammer in my hand

John Henry said to his shaker, Shaker why don't you sing?
Because I'm swinging thirty pounds from my hips on down
Just listen to that cold steel sing, Lord Lord. Just listen to that cold steel sing

Now the captain said to John Henry, I believe that mountain's cavin' in
John Henry said right back to the captain
Ain't nothin' but my hammer suckin' wind, Lord Lord
Ain't nothin' but my hanner suckin' wind

Now the man that invented the steam drill, he thought he was mighy fine
But John Henry drove fifteen feet
That steam drill only made nine, Lord Lord. That steam drilll only made nine

John Henry hammered in the moutains, his hammer was striking fire
But he worked so hard, it broke his poor heart
And he laid down his hammer and he died, Lord Lord
He laid down his hammer and he died

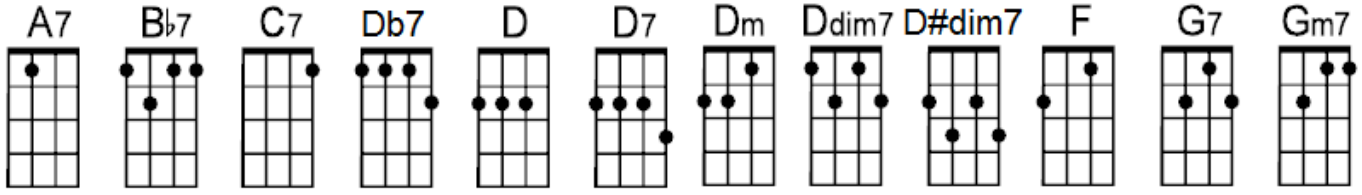

John Henry he had a little baby, you could hold him in the palm of your hand
And the last words I heard that poor boy say
My daddy was a steel driving man, Lord Lord. My daddy was a steel driving man

This song started in the late 1800s as a farm worker's protest song in Italy. It grew in popularity when it was adapted as an anti-fascist song in the 1900s. It has now been done in many languages for many purposes, but generally is used as a protest song. More recently, it has been used as the theme song to the streaming TV show "Money Heist" (*La Casa de Papel).*

The Creation was an English Mod band in the mid 60s. It has been suggested – by their biographer – that they are second only to Velvet Underground as an unknown band that was highly influential. For the sound of this song, think of early Kinks or The Who.

## **Bill Bailey, Won't You Please Come Home?** Hughie Cannon, 1902

G
On one summer's day, sun was shining fine
The lady love of old Bill Bailey was hanging clothes on the line
D7 G
In her back yard and weeping hard
G
She married a B. and O. brakeman, that took and throw'd her down
Bellowing like a prune-fed calf, with a big gang hanging 'round
D7 G
And to that crowd, she yelled out loud

G
Won't you come home Bill Bailey won't you come home
D7
I moan the whole night long
G
I'll do the cooking honey I'll pay the rent, I know I done you wrong

'member that rainy evening that
G7 C
I drove you out, with nothing but a fine tooth comb
G E7
Yes I know that I'm to blame well ain't that a shame
A7 D7 G
Bill Bailey won't you please come home

G
Bill drove by that door, in an automobile
A great big diamond coach and footman hear that big wench squeal
D7 G
"He's all alone," I heard her groan
G
She hollered through that door, "Bill Bailey is you sore?
Stop a minute, won't you listen to me? Won't I see you no more?"
D7 G
Bill winked his eye, as he heard her cry

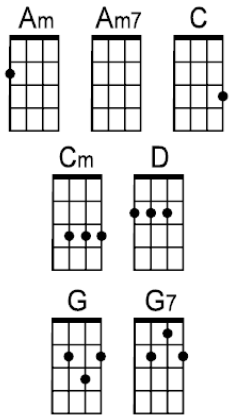

***<Chorus>***

**Billy, Don't Be a Hero** Mitch Murray, Peter Callander

Am D G G
The marchin' band came down along Main Street, the soldier blues fell in behind

I looked across and there I saw Billy waiting to go and join the line
Am D Am D
And with her head upon his shoulder, his young and lovely fiancée
Am D Am D
From where I stood I saw she was cryin and through her tears I heard her say

G G Am Am
Billy, don't be a hero, don't be a fool with your life
Am7 Am7 G G
Billy, don't be a hero, come back and make me your wife
G G7 C Cm
And as he started to go she said Billy keep your head low
G D G G
Billy, don't be a hero, come back to me

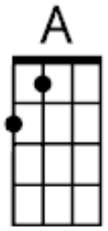

Am D G G
The soldier blues were trapped on a hillside, the battle raging all around
Am D G G
The sergeant cried, we've got to hang on, boys we've gotta hold this piece of ground
Am D Am D
I need a volunteer to ride out, and bring us back some extra men
Am D Am D D7
And Billy's hand was up in a moment, forgettin' all the words she said, she said
***<Chorus>***

Am↓ D↓ G↓ G↓
I heard his fiancée got a letter, that told how Billy died that day
Am↓ D↓ G↓ G↓

Culture is a funny thing. This was a big Vietnam anti-war hit in the U.S. Even though it is about the Civil War. Even though it was originally recorded by Paper Lace, an English band.

## **Brand New Dance** Louden Wainwright III

This song is a simple 12 bar blues in C, with an extra 4 bars of C vamp between verses.

C C
There's a new dance craze sweepin' the land
C C
First you get out of bed, then you attempt to stand
F7 F7
You get out of bed, you get on your feet.
C C
You got to just stand there, you can't retreat
G7 G7
Now here comes the hard part, here's the bad news.
F7↓ <tacet> C C C C
You got to bend over and put on your shoes

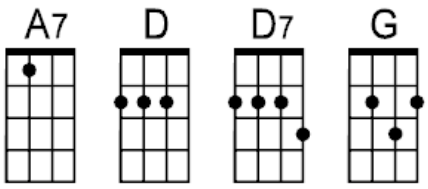

Over in the bed lies your sleepin' wife. Snorin' like a sailor, she's the love of your life
But that woman is a martyr and you know it's true. Who the hell else would put up with you?
You got a brand new dance and it goes like this
Wake up in the mornin' and look in to the abyss *<Take a look>*

It's a fight to the finish. It's a flackin' and a fray. Got a brand new song and I sing it everyday
I got a new smell and it's called "The Old Man." A new taste sensation, I'd say it was bland
That senior discount, that's my kind of treat, when I get on the bus, you got to give me a seat
*<Move over baby>*
Yeah the water is rising way past flood stage
And the woods are on fire, and we got to turn the page
So we stagger to the table to get something to eat
You drink a little coffee then you go take a seat
Read your business section, up there on your throne
You got a brand new dance, and you do it alone *<Don't just sit there...do something>*

You got a brand new dance, you gotta get you some work
It's a little like the Monkey, and a lot like the Jerk
The Chicken and the Pony and the Frug and the Slop
It's a brand new dance, and you wish it would stop
You'd rather be a workin' stiff, than a lazy slob. Sha Na Na don't get you no job

Hey hallelujah it's election time. Vote in a booth you form a big long line
But it's the same old song, same old dance
Same long shot at the same slim chance
One of those fools is bound to win, but it's the same old, same old, all over again
***<Repeat 1st verse>***

***<Chorus 3 times>***

This chord chart shows 2 counts each for the G and the A. It is more correct to have 1.5 counts for G and 2.5 counts for A, so when you strum D-U-D-U for the G chord, change to A on the second U strum. Same for the chorus.

Art Garfunkel suggested that Paul Simon sing this song, but Simon insisted Garfunkel do it as a solo. The last verse was recorded in Los Angeles before the first 2 verses were recorded in New York.

The 3rd verse was added at the producer's suggestion, and Simon felt that it wasn't cohesive with the others.

I am the captain of my pain 'tis the bit, the bridle, and the thrashing cane

Yes, let me tell you once again I am the captain of my pain
```

***<Chorus>***

```
Em        I cannot blame it all on her, to blame her all would be a lie
Am – Em   For many a night I lay awake and wished that I could watch her die
Em        To see her accusing finger spurt, to see flies swarm her hateful eye
Am – Em   To watch her groaning in the dirt, to see her clicking tongue crack dry
Em        Oh, brother, buy me one more drink, one more drink and then goodbye
Am – Em   And do not mock me when I say, "Let's drink one more before I die."
```

***<Chorus>***

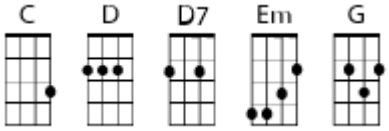

```
Em        I've been sliding down on rainbows, I've been swinging from the stars
Am – Em   Now this wretch in beggar's clothing bangs his cup across the bars
Em        Look, this cup of mine is empty! Seems I've misplaced my desires
Am – Em   Seems I'm sweeping up the ashes of all my former fires
Em        So brother, be a brother and fill this tiny cup of mine
Am – Em   And please, sir, make it whiskey I have no head for wine
```

***<Chorus 2 times>***

```
Em        I counted up my blessings and I counted only one
Am – Em   One tiny little blessing and now that blessing's gone
Em    So buy me one more drink, my brother, then I'm taking to the road
Am – Em   Yes, I'm taking to the rain, and I'm taking to the snow
Em        O my friend, my only brother do not let the party grieve
Am – Em   So throw a dollar on the bar now kiss my ass and leave
```

## Cat's in the Cradle  Harry Chapin

E G A E
A child arrived just the other day he came into the world in the usual way
E G A E
But there were planes to catch and there were bills to pay, he learned to walk while I was away
D D
He was talking 'fore I knew it and when he could, he said,
G E G E E
"I'm gonna be like you, Dad, you know I'm gonna be like you."

E G D A
And the cats in the cradle and the silver spoon, little boy blue and the man in the moon
E G
When you comin' home Dad, I don't know when
D E G E E
But we'll get together then, yeah, you know we'll have a good time then

E G A E
My son turned ten just the other day, he said, "Thanks for the ball dad, come on, let's play.
E G A E
Can you teach me to throw?," I said "Not today, I got a lot to do," he said "That's OK."
D D
And he walked away but his smile never dimmed, he said
G E G E E
"I'm gonna be like him, yeah, you know I'm gonna be like him." ***<Chorus>***

E G A E
Well he came from college just the other day, so much like a man I just had to say:
E G A E
"Son, I'm proud of you, can you sit for a while?" He shook his head and he said with a smile,
D D
"What I'd really like, Dad, is to borrow the car keys.
G E E
See you later, can I have them please?" ***<Chorus>***

E G A E E
I've long since retired, my son moved away. I called him up just the other day, I said,
E G A E E
"I'd like to see you, if you don't mind." He said, "I'd love to, Dad, if I could find the time.
D D
You see, my new job's hassle and the kids have the flu,
G E G E E
But it's sure nice talking to you, Dad, it's been sure nice talking to you."
D D
And as I hung up the phone is occurred to me,
G E G E E
He'd grown up just like me. My boy was just like me. ***<Chorus>***

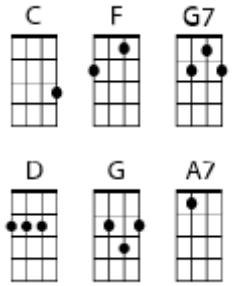

Based upon a poem written by his wife, Chapin has said this song "scares him to death."

```
        C                F/C          C          F/C
In the chilly hours and minutes of uncertainty I want to be

In the warm hold of your loving mind

     C              F/C              C                F/C
To feel you all around me and to take your hand along the sand

Ah but I may as well try and catch the wind

        C                F/C          C              F/C
When sundown pales the sky, I want to hide a while behind your smile

And everywhere I'd look your eyes I'd find

When rain has hung the leaves with tears I want you near to kill my fears
     C                   F///   G7///     C     G7
To help me to leave all my blues behind

      C                F/C              C              F/C
For standing in your heart is where I wanna be and I long to be

# Changes in Lattitudes, Changes in Attitudes

Jimmy Buffet

G D A G// D D

The "G//" represents an extra half-measure in the chorus.

D G A D
I took off for a weekend last month just to try and recall the whole year
D G A D
All of the faces and all of the places, wonderin' where they all disappeared
Bm F#m G A
I didn't ponder the question too long, I was hungry and went out for a bite
G D A D
Ran into a chum with a bottle of rum, and we wound up drinkin' all night

G D A D
It's those changes in latitudes changes in attitudes nothing remains quite the same
G D A G// D D
With all of our running and all of our cunning if we couldn't laugh we would all go insane

D G A D
Reading departure signs in some big airport reminds me of the places I've been
D G A D
Visions of good times that brought so much pleasure, makes me want to go back again
Bm F#m G A
If it suddenly ended tomorrow I could somehow adjust to the fall
G D A D
Good times and riches and son of a bitches, I've seen more than I can recall

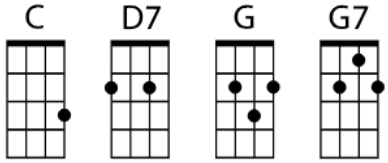

G D A D
These changes in latitudes, changes in attitudes, nothing remains quite the same
G D A G// D D
Through all of the islands and all of the highlands if we couldn't laugh we would all go insane

D G A D
I think about Paris when I'm high on red wine, I wish I could jump on a plane
D G A D
So many nights I just dream of the ocean, god, I wish I was sailin' again
Bm F#m G A
Oh, yesterdays are over my shoulder, so I can't look back for too long
G D A D
There's just too much to see waiting in front of me and I know that I just can't go wrong

With these changes in latitudes changes in attitudes nothing remains quite the same

With all of my running and all of my cunning if I couldn't laugh I just would go insane

# City of New Orleans  Steve Goodman

D A D D Bm G D D
Riding on the City of New Orleans, Illinois Central Monday morning rail
D A D D Bm A D D
Fifteen cars and fifteen restless riders, three conductors, twenty-five sacks of mail
Bm Bm F#m F#m
All along the south bound odyssey, the train pulls out a Kankakee
A A E E
Rolls along past houses, farms, and fields
Bm Bm F#m F#m
Passing trains that have no name, freight yards full of old black men
A A7 D D
And the graveyards of the rusted automobiles

G A7 D D Bm G D A7
Good morning America how are you? Don't you know me, I'm your native son?
D A Bm E7
I'm the train they call the City of New Orleans
C// Bm// A// A7// D D
I'll be gone five hundred miles when the day is done

D A D D Bm G D D
Dealing card games with the old men in the club car, penny a point ain't no one keepin' score
D A D D Bm A D D
Pass the paper bag that holds the bottle. Feel the wheels rumbling 'neath the floor
Bm Bm F#m F#m
And the sons of Pullman porters, and the sons of engineers
A A E E
Ride their father's magic carpets made of steel
Bm Bm F#m F#m
Mother with her babes asleep, rocking to the gentle beat
A A7 D D
And the rhythm of the rails is all they feel

Associated with Arlo Guthrie, this song has the feel of '40s or '50s Americana/hobo music, but it was written in 1971.

***<chorus>***

D A D D Bm G D D
Nightime on the City of New Orleans, changing cars in Memphis Tennessee
D A D D Bm A D D
Halfway home and we'll be there by morning, through the Mississippi darkness rollin' down to the sea

But all the towns and people seem to fade into a dark dream
A A E E
And the steel rail still ain't heard the news
Bm Bm F#m F#m
The conductor sings his songs again, the passengers will please refrain
A A7 D D
This train has got the disappearing railroad blues

## Cold Cold Heart — Hank Williams

I I I V7

Yet you're afraid each thing I do is just some evil scheme
I I I7 IV
A memory from your lonesome past, keeps us so far apart
V7 V7 V7 I I
Why can't I free your doubtful mind, and melt your cold cold heart

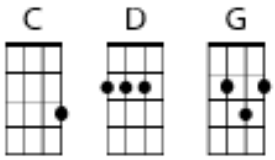

I I I V7
Another love before my time made your heart sad and blue
V7 V7 V7 I
And so my heart is paying now for things I didn't do
I I I7 IV
In anger unkind words are said that make the teardrops start
V7 V7 V7 I I
Why can't I free your doubtful mind, and melt your cold cold heart

I I I V7
You'll never know how much it hurts to see you sit and cry
V7 V7 V7 I
You know you need and want my love yet you're afraid to try
I I I7 IV
Why do you run and hide from life to try it just ain't smart
V7 V7 V7 I I
Why can't I free your doubtful mind, and melt your cold cold heart

I I I V7
There was a time when I believed that you belonged to me
V7 V7 V7 I
But now I know your heart is shackled to a memory
I I I7 IV
The more I learn to care for you the more we drift apart

Beautiful music Dangerous rhythm

It's something daring the Continental, a way of dancing that's really ultra new

It's very subtle, The Continental, because it does what you want it to do

A7 D A7 D
It has a passion, The Continental, an invitation to moonlight and romance
A7 D
It's quite the fashion, The Continental
A7 D//
Because you tell of your love while you dance

Your lips whisper so tenderly. Her eyes answer your song

**Cotton Jenny** Gordon Lightfoot

G G C G
There's a house on a hill, by a worn down weathered old mill
D D D G
In the valley below where the river winds there's no such thing as bad times

She wakes my up when the sun goes down and the wheel of love goes round

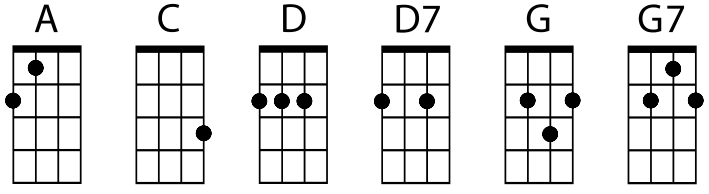

***<Chorus:>***
C C G G7 A A D D7
Wheels of love go round, love go round, love go round, a joyful sound

When the new day begins, I go down to the cotton gin

## **Cover of the Rolling Stone** Shel Silverstein

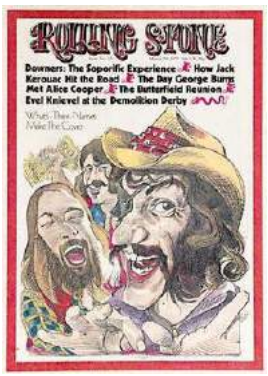

G G G D
Well we're big rock singers, we got golden fingers and we're loved everywhere we go.
D D D7 G
We sing about beauty, and we sing about truth at ten thousand dollars a show.
G G G C
We take all kinds of pills to give us all kind of thrills but the thrill we've never known
D D D G
Is the thrill that'll getcha when you get your picture on the cover of the Rolling Stone.

Rolling Stone...Wanna see my picture on the cover.

Stone...Wanna buy five copies for my mother.

G G G D
I got a freaky old lady named Cocaine Katy who embroiders all my jeans.
D D D7 G
I got my poor old grey-haired daddy drivin' my limousine.
G G G C
Now it's all designed to blow our minds but our minds won't really get blown
D D D G
Like the blow that'll getcha when you get your picture on the cover of the Rolling Stone.

***<Chorus>***

G G G D
We gotta lotta little teenage blue-eyed groupies who do anything we say.

And we keep getting richer, but we can't get our picture on the cover of the Rolling Stone

In March of 1973 *Dr Hook and the Medicine Show* DID make the cover of Rolling Stone with the caption: "**What's-their-names make the cover**."

Cracklin' Rosie is not a woman. Rather, it is a sparkling ("cracklin") rosé wine that lonely men would drink around the fire.

This song is ***not*** by Anna Kendrick, though she is often credited. It was originally performed by the Carter Family and written in 1931 by A.P Carter (Alvin Pleasant Delaney Carter).

In the 2000's the words were rewritten by Luisa Gerstein and performed by Lulu and the Lampshade - a London busking group that now goes by the name Landshapes - using hand claps and a plastic cup for percussion. Anna Kendrick saw the video on YouTube and learned how to do it. The director of the film Pitch Perfect saw her do the song and added it to the film. The rest, as they say, is history.

Tomorrow night at the Darktown Strutter's Ball.

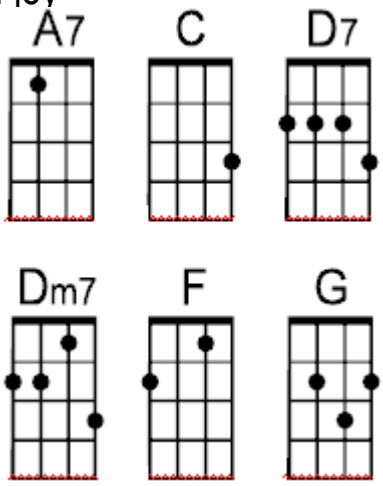

C G7 C G7
We'll meet our hightoned neighbors, an exhibition of the "Baby dolls,"
G G// E7// Am// D7// G// G7//
And each one will do their best, just to outclass all the rest,
C G7
And there'll be dancers from ev'ry foreign land,
E7 Am
The classic buck and wing, and the wooden clog:
G G// E7// Am// D7// G// G7//
We'll win that fifty dollar prize, when we step out and "Walk the Dog."

Published in 1917, Darktown Strutter's Ball became an instant classic. "Darktown" was a region of Chicago. It is believed there was an exclusive, invitation-only ball there that became the must-have ticket of the year. Shelton Brooks makes several popular references in his song including "Jelly Roll Blues", published in 1915 by Ferdinand "Jelly Roll" Morton, and Brooks' own hit "Walk the Dog." It is not clear who the "Baby Dolls" were; likely a local dance group.

Stop wishin' for bad luck and knockin' on wood

My wife hollers at me and my kids are all freaks
Every side I get up on is the wrong side of bed
If it weren't so expensive I'd wish I were dead
Signed [Unhappy]

Dear Abby, Dear Abby, you won't believe this
But my stomach makes noises whenever I kiss
My girlfriend tells me it's all in my head
But my stomach tells me to write you instead

That me and my girlfriend would ever get caught
We were sittin' in the back seat just shootin' the breeze
With her hair up in curlers and her pants to her knees

Ry Cooder wrote “I Always Knew You Were the One” for a film in 1980. 21 years later Gillian Welch and David Rawlings wrote their own lyrics. Fast forward another 18 years to 2019 and “Dear Someone” was recorded by Lila Downs and Norah Jones. I love Norah but am a huge fan of Lila Downs. Now it is your turn to encounter this lovely waltz.

Deeper than the oceans, higher than the stars above.
      F                Bb              F                Bb

       F                Bb              F                Bb
But I heard that ocean's salty, and the stars, they sometimes fall.

And that would not do justice to the way I feel for you.

There's at least a million love songs that people love to sing.

And this is just another way of sayin' the same thing.

***<Chorus>***

The 1948 Plane Crash at Los Gatos caught Guthrie's attention and he wrote a lengthy poem. Hoffman wrote the melody years later. When Guthrie recorded it, he didn't remember all the words. That is what is given here. You can easily find – and hear – the missing verses and learn more about the complex story.

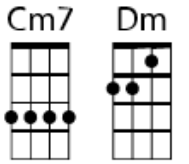

On a side note, the first two lines refer to a government program to pay farmers to destroy their crops.

Porter bought a poem by Fletcher, an engineer for the Highwya Dept. in Montana, for $250, reworked it and added the melody. There are two verses about Wildcat Kelly that are rarely sung.

This song appeared on Zevon’s 2000 album *Life’ll Kill Ya*. He was diagnosed with mesothelioma on 2002 and died in 2003.

Zevon was a frequent guest of David Letternan, and Letterman hosted Zevon for an entire hour on Octoveber of 2002, when his death was considered imminent. Letterman asked him, given the often morbid tone of songs throughout his career, if he had any new perspective on life and death. Zevon said, “Enjoy every sandwich.”

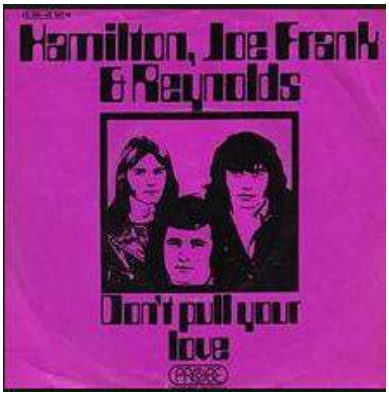

*Enjoy every sandwich.*

**Down on the Corner** John Fogerty

In 1969 Creedence Clearwater Revival appeared on the Ed Sullivan show as "Willy and the Poor Boys" with bassist Stu Cook playing a gut bucket bass.

```
  G                    D                  G
Early in the evenin' just about supper time
  G                                  D             G
Over by the courthouse, they're starting to unwind
  C                          G
Four kids on the corner, tryin' to pick you up
  G                                 D               G
Willy picks a tune out and he blows it on the harp

  C             G       D          G
Down on the corner, out in the street
  G              C          G               D                  G
Willy and the Poorboys playin', bring a nickel, tap your feet.

  G                                  D                  G
Rooster hits the washboard, people just gotta smile
  G                                 D              G
Blinky thumps the gut bass and solos for awhile
  C                                 G
Poorboy twangs the rhythm out on his Kalamzoo
      G                                  D                 G
And Willy goes in to a dance and doubles on Kazoo.
```

**<Chorus>**

```
  G                        D                  G
You don't need a penny just to hang around
    G                                 D                  G
But if you got a nickel won't you lay your money down.
  C                      G
Over on the corner, there's a happy noise
  G                                 D                  G
People come from all around to watch the magic boy

**Down South in New Orleans** J. Wright, J Anglin

```
 G                G                G                D7
Down south in New Orleans, the prettiest girls I've ever seen.

 G                G                G                D7
Ship's at anchor, my suitcase packed, got a one way ticket, ain't comin' back.
 D7               D7               D7               G
Life's a pleasure, and love's a dream, down south in New Orleans.
```

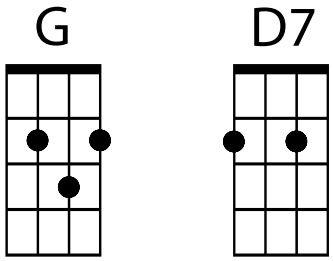

My dark eyed baby, I'm on my way, back into your arms to stay.
I'm tired of work, I wanna play, I'll make sweet love to you night and day.

***<Chorus>***

I crave her smile that shines so bright, her beautiful teeth lights up the night
Come on, skipper, I'm ready to ride, I'm only waiting for the tide

***<Chorus>***

The moon is lighter and hearts are, too. Mighty good place to lose my blues
Wrapped up in my baby's arms, I'll tell her of her many charms

This version above is as written. The Band popularized the song. Their version only had two verses. They sang the first verse above, and after a chorus they played the verse shown below.

I want to get too loose, on Toulose Street, I wanna kiss all the Creole girls I see.
Drink all day, dance all night, do it wrong, 'til I do it right.

G                    C              F                    C

Released originally in 1931 by Ozzie Nelson, Dream a Liuttle Dream of Me had as many as 7 simultaneously released recordings in 1950, with 2 of them reaching the Top 20. Michelle Phillips of the Mamas and The Papas convinced them to record the song which she knew because her father , while in Mexico City, was friends with the song's co-writer Fabian Andre.

While this song provided the Beatles with their 7th #1 hit in the U.S. the Beatles never liked it. John went so far as to call it "lousy."

The band never performed the song live.

The recording featured a first for the Beatles: a fade-in.

You can recreate the feel of the recording if someone can add the hand claps!

Clap on every back beat (2 and 4) except for the lines:

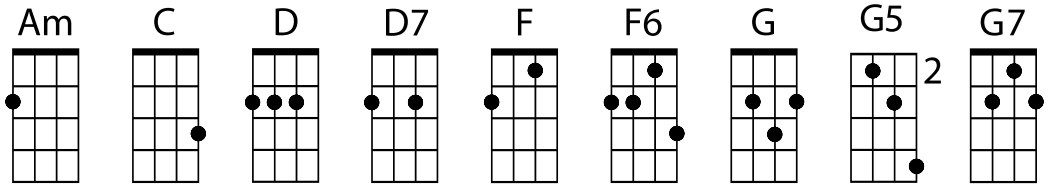

Hold me <clap-clap>, Love me <clap-clap>

2.  The things I did not know at first I learned by doin' twice
3.  I've played all kinds of palaces, and laid all kinds of girls
4.  I'd like to spend a day or two, I can't stay that long
5.  You've heard my latest record, It's been on the radio
6.  I make all kinds of money when I go on the stage

      G          G          C              C
1.  Today I am your champion, I may have won your hearts
2.  Ah, but still they come to haunt me, still they want their say
3.  I can't remember faces, I don't remember names
4.  No, I've got to meet expenses, I got to stay in line
5.  Ah, it took me years to write it, they were the best years of my life
6.  Ah, you've seen me in the papers, I've been in the magazines

      Cmaj7                D
1.  But I know the game, you'll forget my name
2.  So I've learned to dance with a hand in my pants
3.  Ah, but what the hell you know it's just as well
4.  Gotta get those fees to the agencies
5.  It was a beautiful song but it ran too long
6.  But if I go cold I won't get sold

      Am          Cmaj7          D              G   G   G   G
1.  And I won't be here in another year if I don't stay on the charts
2.  I let 'em rub my neck and I write 'em a check and they go their merry way
3.  'Cause after a while and a thousand miles, it all becomes the same
4.  And I'd love to stay but there's bills to pay so I just don't have the time
5.  If you're gonna have a hit you gotta make it fit so they cut it down to 3:05
6.  I'll get put in the back in the discount rack like another can of beans

I was tired of my lady,  we'd been together too long
Like a worn out recording of a favorite song
So while she lay there sleepin' I read the paper in bed
And in the personal columns, there was this letter I read

If you like piña coladas and getting caught in the rain
If you're not into yoga, if you have half a brain
If you like making love at midnight in the dunes of the cape
Then I'm the love that you've looked for, write to me and escape
***<Instrumental>***
I didn't think about my lady, I know that sounds kind of mean
But me and my old lady had fallen into the same old dull routine
So I wrote to the paper, took out a personal ad
And though I'm nobody's poet, I thought it wasn't half bad

Yes, I like piña coladas and getting caught in the rain
I'm not much into health food, I am into champagne
I've got to meet you by tomorrow noon and cut through all this red tape
At a bar called O'Malley's where we'll plan our escape

***<Instrumental>***
So I waited with high hopes and she walked in the place
I knew her smile in an instant, I knew the curve of her face
It was my own lovely lady and she said, "Aw, it's you."
Then we laughed for a moment and I said, "I never knew."

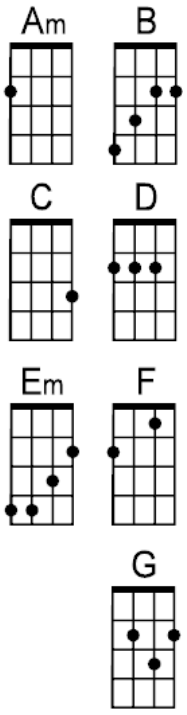

That you like piña coladas and gettin' caught in the rain
And the feel of the ocean and the taste of champagne
If you like making love at midnight in the dunes on the cape
You're the lady I've looked for, come with me and escape
***<Instrumental>***
If you like piña coladas and getting caught in the rain
If you're not into yoga, if you have half a brain
If you like making love at midnight in the dunes on the cape
I'm the love that you've looked for, write to me and escape

***<fade out on highlighted chorus>***

**TWO CHORDS ONLY!**

Jack Johnson plays this song using only two chords and a reggae strum. As shown here, the two chords are C and F, but they could be any I and IV chords, like A & D.

# **Factory Girl** Traditional Irish Ballad **6/8 timing**

```
    D           D           D                C       C
As I went out walkin' one fine summer's mornin'
      D           D           C        D      D
The birds in the branches they did gaily sing
      D           D        D           C       C
The lads and the lasses together were sportin'
        D           D           C        D      D
Goin' down to the fact'ry their work to begin

  D                                    C
I spied a fair damsel far fairer than any
       D                                C           D
Her cheeks like the red rose that none could excel
      D                                   C
Her skin like the lily that grows in yon valley
       D                                C      D
She's my own bonnie Annie my factory girl
```

I stepped it up to her just thinkin' to view her
But at me she cast a proud look of disdain
Sayin' "Stand off me young man and do not insult me
For although I am poor sure I think it no shame"

"It's not to insult you fair maid I adore thee
Ah pray grant me one favor it's where do ya dwell?"
"Kind sir forgive me it's now I must leave you
For I hear the dumb sound of the factory bell

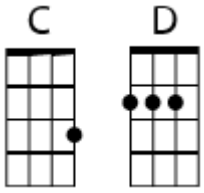

“Now love is a thing that does rule every nation
Good mornin' kind sir and I hope ya do well
My friends and relations would all frown upon it
Besides I'm a hardworkin' factory girl”

Oh it's true I do love her but now she won't have me
For her sake I'll wander through valley and dell
And for her sake I'll wander where no one can find me
I'll die for the sake of my factory girl

This song has been recorded since the 1950s by many traditional and folk performers. I learned this version from a recording by “The Roches” in 1980.

Some form of the lyrics go back as far as the 1830s in England and it is presumed to have come from Northern Ireland before that time.

All of the pauses are at your discretion. You may choose to omit some or all of the extra measures at the ends of each line, and may choose to insert pauses in the middle of some lines. These pauses tend to be 6 beats, hence my choice of 6/8 rather than 3/4 .

"Traditional." So much history encapsulated in a single word. First off, "Fare Thee Well" is also the title of a traditional English folk song from the 1700s. This song, however, was captured by the pioneering ethnomusicologist John Lomax in 1909. It is formally called "Dink's Song" after the woman who was recorded singing it while she was washing clothes. Unfortunately, the original recording has been lost.

Traditional songs tend to have rather fluid lyrics. This version is from Oscar Isaac and Marcus Mumford. The first three verses align with Dink's lyrics.

Both this song and "Do You Know What it Means to Miss New Orleans" can be found in a wonderful movie tribute to the origins of Jazz called "New Orleans" with Louis Armstrong, Billie Holiday, and a host of jazz luminaries.

**Stronger Every Day** Peter Cetera, James Pankow

A A C G

I do believe I'm feeling stronger every day

You know if it is by Chicago, it's gonna be weird!

The chords in this chart are two slow beats each. Except, of course, the "C/ G/ D" where the C and the G are one each. Except that the C is really 1/2 and the G is 1 and 1/2!

Then we get to the end where we double our strum speed and, if you can, include a rockabilly feel with your chord variations.

A A C G
I know we really tried together we had a love inside
C/ G/ D C/ G/ D
Oh oh yeah oh oh yeah
A A C G
So now the time has come for both of us to live on the run
C/ G/ D C/ G/ D
Oh oh yeah oh oh yeah

***<Chorus>***

**Feeling Alright** Dave Mason

C7 F7
Seems I've got to have a change of scene
Every night I have the strangest dreams
Imprisoned by the way it could have been
Left here on my own or so it seems
I've got to leave before I start to scream
Won't someone lock the door and took the key

C7 F7
You feeling alright (oh ho)
I'm not feeling too good myself (oh ho) ***<Repeat both lines>***

C7 F7
Boy you sure took me for one big ride
And even now I sit and I wonder why
That when I think of you I stop myself from crying
I just can't waste my time I must keep trying
Got to stop believing in all your lies
'Cause there's too much to do before I die, hey

This is the key Cocker did it in, but this song is so each to change the key. How about D7/G7? Or A7/D7? Or G7/C7?

***<Chorus>***

C7 F7
Don't you get too lost in all I say
Yeah, but at the time you know I really felt that way
C7 F7
But that was then and now you know it's today
C7 F7
I can't escape I guess I'm here to stay
C7 F7
'Til someone comes along and take my place
With a different name or in a different place

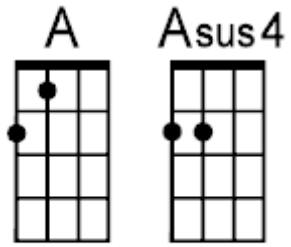

***<Chorus as desired>***

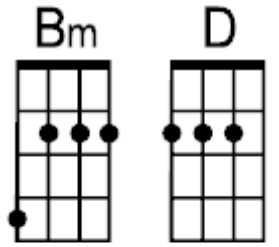

This song originated with the band Traffic and became a hit when covered by Joe Cocker. Cocker changed the title from “Feelin’ Alright?” to “Feeling Alright.”

## Fire and Rain  James Taylor

C  Dm  F  C
Just yesterday morning they let me know you were gone.
C  Dm  F  F
Suzanne, the plans they made put an end to you.
C  Dm  F  C
I walked out this morning and I wrote down this song
C  Dm  F  C
I just can't remember who to send it to.

F  G  C  C
Oh, I've seen fire and I've seen rain.
F  G  C  C
I've seen sunny days that I thought would never end.
F  G  C  C
I've seen lonely times when I could not find a friend,
Bb  G7  C  C
But I always thought that I'd see you again.

The first verse relates to Taylor's friend Suzanne who died while he was recording his first album. Friends kept the news from him for six months.

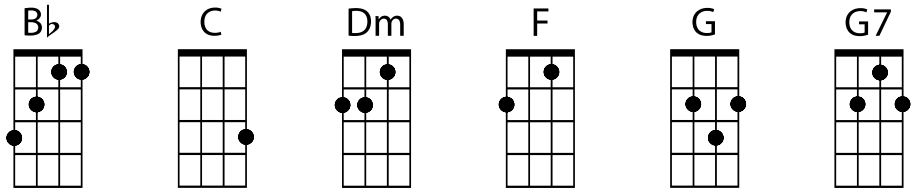

The next verse deals with his battles with depression.

Finally he refers to a short-lived band named James Taylor and the Flying Machine.

C  Dm  F  C
Won't you look down upon me, Jesus, you've got to help me make a stand.
C  Dm  F  F
You've just got to see me through another day.
C  Dm  F  C
My body's aching and my time is at hand,
C  Dm  F  C
I just won't make it any other way

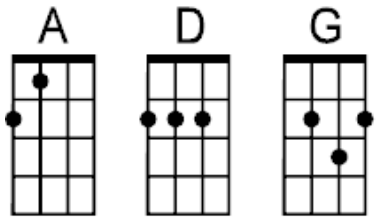

***<chorus>***

C  Dm  F  C
Now I'm walking my mind to an easy time, my back turned towards the sun.
C  Dm  F  F
Lord knows when the cold wind blows, it'll turn your head around.
C  Dm  F  C
There's hours of time on the telephone line to talk about things to come
C  Dm  F  C
Sweet dreams and flying machines in pieces on the ground.

***<chorus>***

But when it comes to being loved she's first, that's how I know
D A G A D A G A
The first cut is the deepest, baby I know, the first cut is the deepest

D A G A
I'll try to love again But baby
D G A A
I'll try to love again, but I know

***<Chorus>***

Cat Stevens? What? Not Rod Stewart? Nope. Cat Stevens wrote the song very early on when trying to become a songwriter. He sold the song for 30 pounds! He did include a rather ethereal version on his 2nd album in 1967.

The uke doesn't have as many strings as a guitar, so when you have a song like this which is basically one chord, Gm, with many variations, you have to do your best to approximate what is happening on the guitar. Try this chart on for size.

F F C C
I'm stuck in Folsom prison and time keeps draggin' on

But that train keeps a rollin' on down to San Antone

C C7
Always be a good boy don't ever play with guns"
F F C C
But I shot a man in Reno just to watch him die
G7 G7 C
When I hear that whistle blowing I hang my head and cry

C C
I bet there's rich folks eating in a fancy dining car
C C7
They're probably drinkin' coffee and smoking big cigars
F F C C
Well I know I had it coming I know I can't be free
G7 G7 C
But those people keep a movin' and that's what tortures me

C C
Well if they freed me from this prison if that railroad train was mine
C C7
I bet I'd move it on a little farther down the line
F F C C
Far from Folsom prison that's where I want to stay
G7 G7 C
And I'd let that lonesome whistle blow my blues away

This song chart is written as an 11 bar blues, which is the way Cash performed it. It is often played as a standard 12 bar blues with an extra C chord at the end.

Written by Cash in 1955, he borrowed liberally from 1953’s “Crescent City Blues.” That’s and understatement!

The name Buffalo-Springfield came from the side of a steam roller. The band's record producer deemed Neil Young's voice "too weird" to do the vocals.

**Frankenstein** (to the tune of My Darling, Clementine)

C G7
In a castle, in Geneva, lived a man with great designs
C G7 C
His reliance was on science and his name was Frankenstein

It's a monster, it's a monster, it's a monster, Frankenstein
You are gonna make a monster can't you read the warning signs

In the tower, with machine'ry, and a great big power line
Came a frightening bolt of lightning, then the monster was alive

It's a monster, it's a monster, it's a monster, Frankenstein
You have gone and made a monster and you think it's mighty fine

Then the monster grew salacious and it said "make me a bride -
Here's the spec folks, add some neck bolts and make sure Intel's Inside"

It's a monster, it's a monster, it's a monster, Frankenstein
You have gone and made a monster and it's turned on all the time

So we all marched to the castle with our weapons at our side
'Cause we fear it, we will spear it, now it's time the monster died

It's a monster, it's a monster, it's a monster, Frankenstein
There will not be any monsters, this is where we draw the line

But a big TV producer said "The monster is a find -
On our network, it'll get work," so a contract has been signed

It's a monster, it's a monster, it's a monster, Frankenstein
It's the latest and the greatest, it's on channel fifty-nine

So we all turn on the telly while we sit back with some wine
Watch the life of, and the wife of, and the times of Frankenstein

It's a monster, it's a monster, it's a monster, Frankenstein
It's a monster in the ratings, every Wednesday night at nine

Miss Mouse she said, "I can't answer that,"
...'til I see my brother, Rat," hey hey hey hey

When brother Rat gave his consent
The weasel wrote the publishment

Who will the wedding guests all be?
A lady spoke in the bumblebee

Well, the first to come was a little ladybug
She had a great big whiskey jug

The next to come was a bumble bee
Danced to the jig with a two-legged flea

The first one to come was a little-bitty moth
First one to lay the tablecloth

So, here they end in a 1-2-3
A snake, and a frog, and a Miss Mousey

The rhyme goes back to the 1500s and the song to at least 1611. There is no end to the number of verses. These come from a Woody Guthrie recording.

# From a Window Seat  Taylor Goldsmith (Dawes)

To recreate the Dawes' sound for this song, the verses are all syncopated downstrums:

1st and 4th line alternating Em & Bm;
2nd line C & G;
3rd line Am & G.

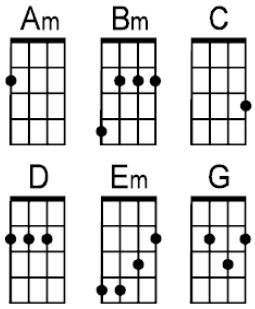

```
  Em          Em                  Em          Em
I buckle in my seat belt and plug my headset in a chair
            G             G               C       C
And to the music, I watch flight attendants move
          Am            Am        Am              Am
They are pointing out the exits but it looks more like a prayer
       Em                  Em                Em      Em
Or an ancient dance their bloodline reaches through
```

```
Em    These planes are good for sifting through the warriors from the men
G - C I get time to sit and watch them for a while
Am    You can see everywhere they're going and everywhere they've been
Em    And how they look out at the clouds each time they smile
```

```
                Em            D                C          C
And I think, maybe he's in town for someone's birthday
 Em                D           C          C
Maybe he makes trouble everywhere
                    Em            D                C              C
But as much he resists the conversation between the rivers and the freeways
Bm              Bm      Em      Em
    He knows it's always there
```

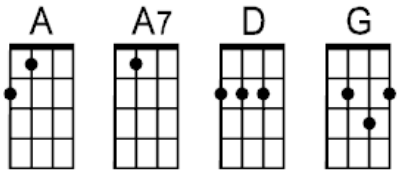

```
Em      As the northwest passage sits somewhere below me as I sleep
G - C   I dream of captains and explorers eating boots
Am      When I ask if I can join them and they offer one to me
Em      I wake up as my home comes into view
Em      So I reach down for my notebook to see what impressions could be spun
G - C   But it's just buildings and a million swimming pools
Am      So I leaf back through the pages to see where I am from
Em      Or for some crumbled map of what it's leading to

                    Em          D              C       C
And I find that the hero in the song that I am writing
          Em              D           C       C
Doesn't know he's just an image of myself
                    Em            D                C              C
But as much he resists the conversation between the rivers and the freeways
       Bm               Bm              Em      Em
He's somehow always asking them for help
                  Em              D                C       C
       I want to make out all the signs I've been ignoring
                 Em                D           C                C
       How the trees reach for the sky or in the length of someone's hair
              Em                      D               C       C
       'Cause when you don't know where you are going
       Bm        Bm                Em      Em
             Any road will take you there

# The Gambler  Don Schlitz

D G D G D G A7
On a warm summer's evening, on a train bound for nowhere, I met up with a gambler, we were both too tired to sleep,
D G D G D A D
So we took turns a-staring, out the window at the darkness, till boredom overtook us, and he began to speak.

D G D G D G A7
He said, "Son, I've made a life out of reading people's faces, knowing what the cards were by the way they held their eyes.
D G D G D A D
So if you don't mind my saying, I can see you're out of aces, for a taste of your whiskey, I'll give you some advice."

D G D G D G A7
So I handed him my bottle, and he drank down my last swallow, then he bummed a cigarette, and asked me for a light.
D G D
And the night got deathly quiet, and his face lost all expression,
G D A D
Said, "If you're gonna play the game, boy, you gotta learn to play it right."

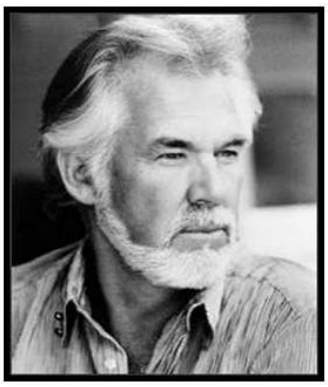

D G D G D G A7
"You got to know when to hold 'em, know when to fold 'em, know when to walk away, know when to run
D G D G D A D
You never count your money when you're sitting at the table, there'll be time enough for counting when the dealing's done

D G D G D G A7
"Every gambler knows that the secret to surviving is knowing what to throw away, knowing what to keep.
D G D G D A D
'Cause every hand's a winner, and every hand's a loser, and the best that you can hope for is to die in your sleep."

D G D G D G A7
And when he finished speaking, he turned back toward the window, crushed out his cigarette, faded off to sleep.
D G D G D A D
And somewhere in the darkness, the gambler he broke even, but in his final words I found an ace that I could keep.

D G D G D G A7
"You got to know when to hold 'em, know when to fold 'em, know when to walk away, know when to run
D G D G D A D
You never count your money when you're sitting at the table, there'll be time enough for counting when the dealing's done

Get Together was recorded by several artists in the 60s. The Youngbloods released the most popular version in 1967, but it peaked at only #62. The song was later used in a radio Public Service Announcement. With this renewed interest, the song was re-released in 1969 and reached #5.

And you could hear me screaming a mile away as I was headed out towards the door.

Ronnie Van Zant had a gun pulled on him at a biker bar known as “The Pastime” in Jacksonville, Florida. He wrote this song on the way home.

The band’s name was chosen to mock their high school PE teacher who strictly enforced the school’s long hair policy: Leonard Skinner

## God Shuffled His Feet  Brad Roberts

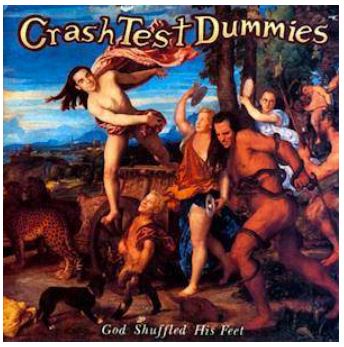

D  Bm  G  D//  A//
After seven days, he was quite tired, so God said
D  Bm  G  Bm//  G//
Let there be a day just for picnics, with wine and bread
A//  D//  G//  Em//  A//  D//  G//  Em//
Gathered up some people he had made.  Created blankets and laid back in the shade

A  E  A  D
God shuffled his feet and glanced around at them
A  E  A  D//  G//
The people cleared their throats and stared right back at him

D  Bm  G  D//  A//
The people sipped their wine, and what with God there, asked him questions
D  Bm  G  Bm//  G//
Like, Do you have to eat, or get your hair cut in hea - ven
A//  D//  G//  Em//  A//  D//  G//  Em//
And if your eye got poked out in this life, would it be waiting up in heaven with your wife

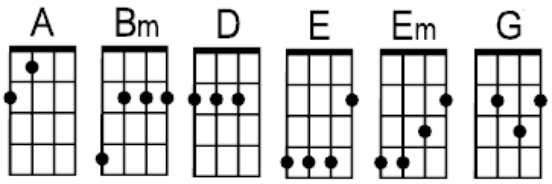

***<Chorus>***

D  Bm  G  D//  A//
So he said once there was a boy, who woke up with blue hair
D  Bm  G  Bm//  G//
To him it was a joy, until he ran out into the warm air
A//  D//  G//  Em//
He thought of how his friends would come to see
A//  D//  G//  Em//
And would they laugh or had he got some strange disease

***<Chorus>***

D  Bm  G  D//  A//
The people sat waiting out on their blankets in the garden.
D  Bm  G  Bm//  G//
But God said nothing, so someone asked him, beg your par - don
A//  D//  G//  Em//
I'm not quite clear about what you just spoke
A//  D//  G//  Em//
Was that a parable or a very subtle joke

Just exactly where we're going I cannot say but

We might even leave the U.S.A.

G G D D
No use of you running or screaming and crying
A A D D
'Cause you've got a home as long as I've got mine

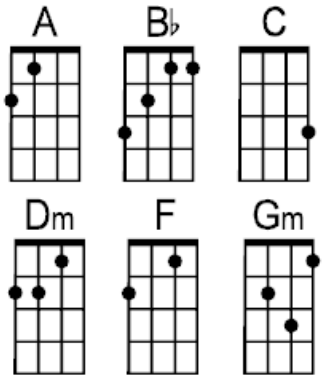

Henry Thomas is not listed as a composer on the hit song by Canned Heat. However, these are simply new lyrics to a Thomas song from the '20s called Bull Doze Blues.

Look at all those fancy clothes.
F A Dm Bb
But these could keep us warm just like those.
F A Dm Bb
And what about your soul? Is it cold?
Gm Gm C C
Is it straight from the mold, and ready to be sold?

F A Dm Bb
And cars and phones and diamond rings, bling bling
F A Dm Bb
Because those are only removable things.
F A Dm Bb
And what about your mind? Does it shine?
Gm Gm C C
Are there things that concern you, more than your time?

F C Dm Bb
Gone, going. Gone, everything.
F C Dm Bb
Gone, give a damn. Gone, be the birds if they don't wanna sing.
F C Dm Bb F Dm F Dm
Gone, people, all awkward with their things. Gone.

F A Dm Bb
Look at you, out to make a deal.
F A Dm Bb
You try to be appealing, but you lose your appeal.

And what about those shoes you're in today?
Gm Gm C C
They'll do no good on all the bridges that you burnt along the way.

Gone, with your herd. Leave your footprints, we'll shame them with our words.

 G                                    C             D7
It's so unnerving when they're constantly serving

in an eating spot, GROUND ROUND

    G                                        Em

Go up  - to your – waiter - there, and loudly pound on your table,

stand up on your chair, and shout:
     G                    C               D7
GROUND ROUND, always you're serving me,
     G                    C               D7
GROUND ROUND, always you're conning me,
     G                    C               D7
GROUND ROUND, why must it always be,
     G
GROUND ROUND, Ground Round, ground round...

Am Am F F

V1 I was passing by a pawn shop in an older part of town

*V2 Well what do you want for that old piece of junk I asked the old man*

V3 So I hit a couple of chords in my old country way of strumming

*V4 Well I lost all track of time and there was nothing I couldn't pick*

V5 Well when I finally put it down I couldn't catch my breath

*V6 Then he took down an old dusty case and said go ahead and pack up*

G G E7 E7

V1 Something caught my eye so I stopped and turned around

*V2 He just smiled and took it down and put it in my hand*

V3 Then my fingers turned to lightning and I never even heard it coming

*V4 Up and down the neck I never missed a lick*

V5 My hands were shaking and I was scared to death

*V6 You don't owe me nothing, then he said good luck*

Am Am F F

V1 Stepped inside and there I spied right in the middle of it all

*V2 You tell me what it's worth since your the one who wants it*

V3 It's like I always knew it I just don't know where I learned it

*V4 The guitar almost played itself and there was nothing I couldn't do*

V5 The old man finally got up said where in the hell you been

*V6 There was something spooky about is voice and something strange on his face*

G G E7 E7

V1 Was a beat up old guitar hanging on the wall

*V2 Tune it up and play a song let's just see what haunts it*

V3 It wasn't nothing but the truth so I just reared back and burned it

*V4 It was getting hard to tell just who was playing who*

V5 I've been waiting all these years for you to stumble in

*V6 When I saw him shut the lid I saw my name was on the case*

Your faith was strong but you needed proof. You saw her bathing on the roof
Her beauty in the moonlight overthrew you
She tied you to a kitchen chair, she broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

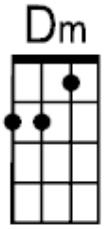

Baby I have been here before, I know this room, I've walked this floor
I used to live alone before I knew you.
I've seen your flag on the marble arch, love is not a victory march
It's a cold and it's a broken Hallelujah

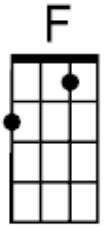

There was a time when you let me know what's really going on below
But now you never show it to me, do you?
And remember when I moved in you, the holy dove was moving too
And every breath we drew was Hallelujah

Maybe there's a God above but all I've ever learned from love
Was how to shoot at someone who outdrew you
It's not a cry you can hear at night, it's not somebody who has seen the light
It's a cold and it's a broken Hallelujah

You say I took the name in vain, I don't even know the name
But if I did, well, really, what's it to you?
There's a blaze of light in every word, it doesn't matter which you heard
The holy or the broken Hallelujah

I did my best, it wasn't much, I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool you
And even though it all went wrong I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah

**Harper Valley PTA** Tom T. Hall

(sung by Jeannie C. Riley)

A7 A7 A7 A7
I want to tell you all a story 'bout a Harper Valley widowed wife
D7 D7 D7 D7
Who had a teenage daughter who attended Harper Valley Junior High
A7 A7 A7 A7
Well her daughter came home one afternoon and didn't even stop to play
D7 E7 A7 A7
She said, "Mom, I got a note here from the Harper Valley P.T.A."

Each key change slides up one fret

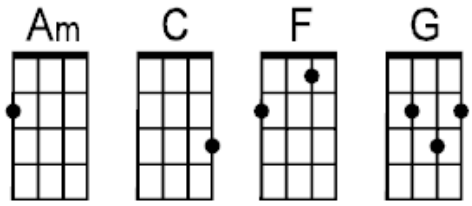

Well the note said, "Mrs. Johnson, you're wearing your dresses way too high
It's reported you've been drinking and a-runnin' 'round with men and going wild
And we don't believe you ought to be bringing up your little girl this way"
D7 E7 A7 A7
It was signed by the secretary, Harper Valley P.T.A.

Bb7 Bb7 Bb7 Bb7
Well, it happened that the P.T.A. was gonna meet that very afternoon
Eb7 Eb7 Eb7 Eb7
They were sure surprised when Mrs. Johnson wore her mini-skirt into the room
Bb7 Bb7 Bb7 Bb7
And as she walked up to the blackboard, I can still recall the words she had to say
Eb7 F7 Bb7 Bb7
She said, "I'd like to address this meeting of the Harper Valley P.T.A."

Well, there's Bobby Taylor sittin' there and seven times he's asked me for a date
And Mrs. Taylor sure seems to use a lot of ice whenever he's away
And Mr. Baker, can you tell us why your secretary had to leave this town?
Eb7 F7 Bb7 Bb7
And shouldn't widow Jones be told to keep her window shades all pulled completely down?

B7 B7 B7 B7
Well, Mr. Harper couldn't be here 'cause he stayed too long at Kelly's Bar again
E7 E7 E7 E7
And if you smell Shirley Thompson's breath, you'll find she's had a little nip of gin
B7 B7 B7 B7
Then you have the nerve to tell me you think that as a mother I'm not fit
E7 F#7 B7 B7
Well, this is just a little Peyton Place and you're all Harper Valley hypocrites
B7 B7 B7 B7
No I wouldn't put you on because it really did, it happened just this way
E7 F#7 B7 B7
The day my Mama socked it to the Harper Valley P.T.A. ***<Tag it>***

Cayet Mangiaracina finished Catholic high school in 1953 and joined a band while considering a religious vocation. He attended Loyola University while playing with the band and in 1954 he wrote "Merry Merry Lou." He left the band to enter the seminary. Later his band won a battle of the bands contest and recorded a 45, including Merry, Merry Lou. Bill Halley and the Comets did a version, and later Ricky Nelson recorded Hello Mary Lou written by Gene Pitney. It was the same song with altered lyrics. The band's publisher sued and won. The Dominican Order gets upwards of $100,000/year in royalties.

Erie Times-News: "I said, 'I want to write an INXS-y song. So they started playing kind of an INXS-y song, and I wrote the song 'Hey, Soul Sister' to it and the melodies and started to sing it. And I said, 'Man this just doesn't sound great to me.' "

"One of the guys, Espen, who's like a huge star in Norway, picked up a ***ukulele*** and said, ' Hey, how about this?' I said, are you ….. me?' And it made the difference. It made my words dance. It made sense. These words were meant to dance with ukulele and not guitar."

The lead guitarist Googled a ukulele tutorial to learn how to play the uke.

          Em                                    Am//    G//

            Em                                  Am//    G//

```
     F                                  G
A thousand miles seems pretty far but they've got planes and trains and cars
      C                                 Am
I'd walk to you if I had no other way
        F                                   G
Our friends would all make fun of us and we'll just laugh along because
       C                                    Am
We know that none of them have felt this way
     F                                  G
Delilah I can promise you that by the time that we get through
        Em                              Am                  G
The world will never ever be the same, and you're to blame

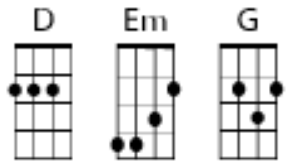

C                                   Em
    Hey there Delilah you be good and don't you miss me

You aint nothing but a hound dog, been snoopin' round my door
You aint nothing but a hound dog, been snoopin' round my door

## House of the Rising Sun  Unknown

There is a house in New Orleans they call the Rising Sun

**Return to Pooh Corner**

It's hard to explain how a few precious things seem to follow throughout all our lives
After all's said and done I was watching my son sleeping there with my bear by his side
So I tucked him in, kissed him and as I was going
I swear that old bear whispered "Boy welcome home"

Believe me if you can I've finally come back to the house at Pooh corner by one
What do you know there's so much to be done
Count all the bees in the hive. Chase all the clouds from the sky

## **Housewife's Lament** From a Civil War-era diary

G G C C D7 D7 D7 G
One day I was walking, I heard a complaining, and saw an old woman the picture of gloom
G G C C D7 D7 D7 G
She gazed at the mud on her doorstep, 'twas raining, and this was her song as she wielded her broom

G G B7 B7 Em Em D7 D7
Oh, life is a toil and love is a trouble, beauty will fade and riches will flee
G G C C D7 D7 D7 G
Pleasures they dwindle and prices they double, and nothing is as I would wish it to be.

G G C C D7 D7 D7 G
There's too much of worriment goes to a bonnet, there's too much of ironing goes to a shirt
There's nothing that pays for the time you waste on it, there's nothing that last us but trouble and dirt.

**<Chorus>**

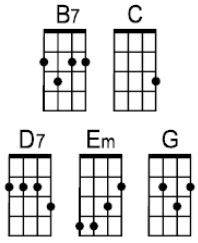

G G C C D7 D7 D7 G
In March it is mud, it is slush in December, the midsummer breezes are loaded with dust
In fall the leaves litter, in muddy September, the wallpaper rots and the candlesticks rust

G G C C D7 D7 D7 G
There are worms on the cherries and slugs on the roses, and ants in the sugar and mice in the pies
The rubbish of spiders no mortal supposes, and ravaging roaches and damaging flies

**<Chorus>**

G G C C D7 D7 D7 G
It's sweeping at six and it's dusting at seven, it's victuals at eight and it's dishes at nine
It's potting and panning from ten to eleven, we scarce break our fast till we plan how to dine

G G C C D7 D7 D7 G
With grease and with grime from corner to center, forever at war and forever alert
No rest for a day lest the enemy enter, I spend my whole life in a struggle with dirt

**<Chorus>**

G G C C D7 D7 D7 G
Last night in my dreams I was stationed forever, on a far little rock in the midst of the sea
My one chance of life was a ceaseless endeavor, to sweep off the waves as they swept over me

G G C C D7 D7 D7 G
Alas! 'Twas no dream; ahead I behold it, I see I am helpless my fate to avert
She lay down her broom, her apron she folded, she lay down and died and was buried in dirt.

Jack Owens wrote and recorded this song in 1948. He recorded the version we all know: Chorus, Intro, Chorus. This version, however, follows his original sheet music: Intro, Chorus1, Chorus 2. Ray Conniff is the only one I found in a quick search that used this form.

**I'm a Long Gone Daddy** Hank Williams

I I
All you want to do is sit around and pout
I I
And now I got enough and so I'm getting out.
IV IV IV I
I'm leavin' now I'm leavin' now.
V7 V7 I I
I'm a long gone daddy, I don't need you anyhow.

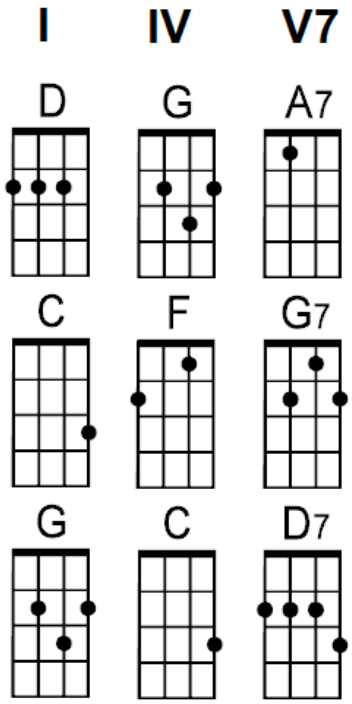

Lord, I've been in the doghouse so dog gone long
That when I get a kiss I think there's something wrong
I'm leavin' now...I'm leavin' now.
I'm a long gone daddy...I don't need you anyhow.

I'll go find a gal that wants to treat me right
You go get yourself a man who wants to fight
I'm leavin' now...I'm leavin' now.
I'm a long gone daddy...I don't need you any how.

You start up jaws a waggin' and they never stop
You never shut your mouth until I blow my top
I'm leavin' now...I'm leavin' now.
I'm a long gone daddy...I don't need you any how.

I remember back when you were nice and sweet
Things have changed...you'd rather fight than eat
I'm leavin' now...I'm leavin' now.
I'm a long gone daddy...I don't need you any how

I'm gonna do some riding on the midnight train
I'm takin' everything except my ball and chain
I'm leavin' now...I'm leavin' now.
I'm a long gone daddy...I don't need you anyhow

**I'm My Own Grandpa** Ray Stevens

C C G7 G7
Now many, many years ago with I was twenty-three
G7 G7 C C
I was married to a widow who was pretty as can be
C C F F
This widow had a grown up daughter who had hair of red
D D G7 G7
My father fell in love with her and soon they too were wed

This made my dad my son-in-law and changed my very life
My daugther was my mother for she was my father's wife
To complicate the matter even though it brought me joy
I soon became the father of a bouncing baby boy

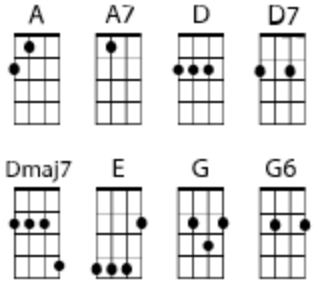

My little baby then became a brother-in-law to dad
And so became my uncle though it made me very sad
For if he was my uncle then that also made him brother
Of the widow's grown up daughter who of course was my stepmother

Father's wife then had a son who kept him on the run
And he became my grandchild for he was my daughter's son
My wife is now my mother's mother and it makes me blue
Because although she is my wife, she's my grandmother too

Now if my wife is my grandmother, then I am her grandchild
And every time I think of it, it nearly drives me wild
For now I have become the strangest case you ever saw
As husband to my grandmother, I am my own grandpa

C G7 C C7 F F7 G7 G7
I'm my own grandpa. I'm my own grandpa
C C7 F F7 C G7 C C
It sounds funny I know, but it really is so, oh, I'm my own grandpa

**I'm Not Sayin'** Gordon Lightfoot

I'm not sayin' that I'll care. I'm not sayin' I'll be there when you want me

D G Dmaj7 G
I can't give my heart to you
Dmaj7 G Dmaj7 G D
Or tell you that I'll sing your name up to the sky
D G6 A G6 A D
I can't lay the promise down that I'll always be around when you need me

D// D7// G6 A D D
Now I may not be alone each time you see me
G6 A D D
Along the street or in a small cafe
G6 A D D E E A A7
But still I won't deny you or mistreat you baby, if you let me have my way

D G Dmaj7 G
I'm not sayin' I'll be sorry
Dmaj7 G Dmaj7 G D
For all the things that I might say that make you cry
D G6 A G6 A
I can't say I'll always do the things you want me to

Don't be put off by all of the fancy chords. This is a simple 3 chord song and you can play it as such if you like. Simply play D, G, and A7. These are the I, IV, and V7 chord, so you can really play this in any key you like!

```

Starting with the G7 shown, simply walk down the neck!

These words are from the 1915 sheet music. I couldn't find any recordings, even from 1916, that didn't take liberties with the words and timings, especially the verses.

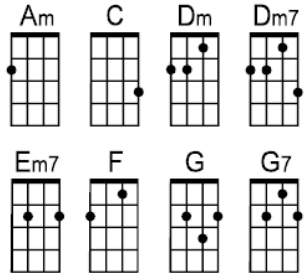

**I Am a Rock** Paul Simon Intro: C C Am Am

C C F C C Dm// G7// F// C
A winter's day in a deep and dark December. I am alone
Dm7// Em7// Dm7// Em7//
Gazing from my window to the streets below
Dm// F// G//
On a freshly fallen silent shroud of snow
F// C// F// G7 C C Am Am
I am a rock. I am an is - land

C C F C C Dm// G7// F// C
I've built walls a fortress deep and mighty that none may penetrate
Dm7// Em7// Dm7// Em7//
I have no need of friendship, friendship causes pain
Dm// F// G//
It's laughter and it's loving I disdain
F// C// F// G7 C C Am Am
I am a rock. I am an is - land

C C F C C Dm// G7// F// C
Don't talk of love. I've heard the words before. It's sleeping in my memory
Dm7// Em7// Dm7// Em7//
I won't disturb the slumber of feelings that have died
Dm// F// G//
If I never loved I never would have cried
F// C// F// G7 C C Am Am
I am a rock. I am an is - land

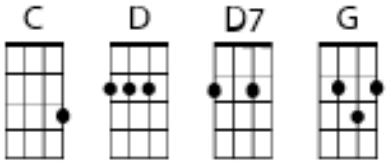

C C F C C Dm// G7// F// C
I have my books and my poetry to protect me. I am shielded in my armor
Dm7// Em7// Dm7// Em7//
Hiding in my room safe within my womb
Dm// F// G//
I touch no one and no one touches me
F// C// F// G7 C C
I am a rock. I am an is - land
Dm7/ G7/ C Dm7// G7// C
And a rock feels no pain. And an island never cries

C C
And then became one

If you talk about me the story's the same one
G G C C
But I got an emptiness deep inside and I've tried, but it won't let me go

And I know too much to go back and pretend
G C Bm Em
'Cause I've heard it all before and I've been down there on the floor
C G D C/D
No one's ever going to keep me down again

I am strong (strong) I am invincible (invinci) I am woman

And I'll come back even stronger not a novice any longer

'Cause you've deepened the conviction in my soul

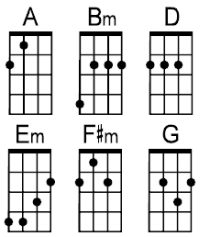

***<Chorus>***

G C Bm Em
I am woman, watch me grow. See me standing toe to toe

Listen to the story of a travelin man. He has a reputation all across the land

Idaho Red, wheelin and a dealin. Idaho Red, watch him reel and rock
E E7// A//
A Highway 40, mainline driver with a gal at every coffee stop

Now he takes a load of oranges from the Frisco dock
And he gets to Sacramento about five o'clock
The motor starts a-humming, Donner's Pass or bust
And he shags it out for Denver in a cloud of dust

**Boogie beat = 8 beats per chord**
**So "//" = 4 and "/" = 2**

He hits Reno, Lovelock, Winnemucca, Battle Mountain, Elko, Wells, and Salt Lake too

He tows a burned out flivver into Steamboat Springs
E// E/ A/
And he sets her down in Denver when the curfew rings
***<Chorus>***

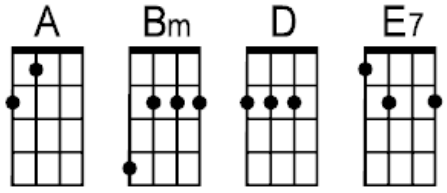

He has a little session with the dice and cards
And he gets another load at the Denver yards
He heads for Kansas City and for old St Lou
Cause he has a little date with a gal in old Mizzou

He hits Liman, Russell, Salina, Junction City, Manhattan, Topeka and old K. C.
At Boonville and Columbia he's-a rolling great
And he makes the Mississippi at quarter to eight
***<Chorus>***

He goes to Indianapolis for a brand new load
He checks her at Columbus then he hits the road
His final destination is the eastern shore
But he's bound to stay a day or two in Baltimore

He hits Zanesville, Cambridge, Wheeling, Uniontown
Cumberland, Hagerstown, and Frederick too
When he gets to Wilmington he's feeling fine
Cause he knows Atlantic City is the end of the line ***<Chorus>***

**If Not For You** Bob Dylan

C/// G/ F C/// G/ F

This is the main riff for the verses. For this chart, every time you see a “C” chord in the verse, play three beats of “C” and one beat of “G”. If you want to slide from a “B” into the “C”, even better! This does NOT apply to the bridge, where a C is just a C.

C F C F C F
If not for you babe I couldn't even find the door
C F Dm Dm C F
I couldn't even see the floor I'd be sad and blue if not for you

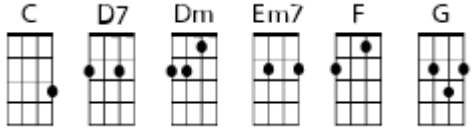

C F C F C F
If not for you babe the night would see me wide awake
C F
The day would surely have to break
Dm Dm C F C F

**BRIDGE**

I didn’t drink last night
Looked at your picture and shed just one tear

**I Hear You Knocking** Dave Bartholomew, Earl King

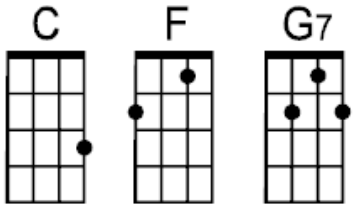

This is an old blues standard of uncertain origin. This 1955 record became the version upon which all future covers were modeled. The 1955 recording by Smiley Lewis is a very, very slow blues.

# I Hope That I Don't Fall in Love with You

Tom Waits

**2 beats per chord**
**Except where indicated**

```
        A                   D                E7sus/  E7/  E7sus/ E7/
Well I hope that I don't fall in love with you.
          A         D                      E7sus/  E7/  E7sus/ E7/
'Cause falling in love just makes me blue,
             D                  A                  Bm7            E7sus
Well the music plays and you display your heart for me to see,
  D                  A                 Bm7            E7sus  E7
I had a beer and now I hear you calling out for me
        A                  D      E7         A       A       A      A
And I hope that I don't fall in love with you.
```

Waits has 2 full measures of E7 at the end of each line, but unless you can introduce additional variaitions, I don't recommend it.

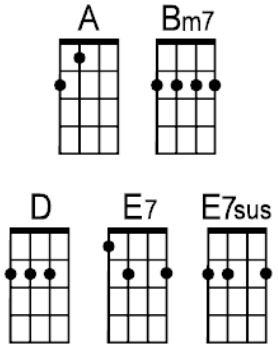

Well the room is crowded, there's people everywhere
And I wonder, should I offer you a chair?
Well if you sit down with this old clown, I'll take that frown and break it,
Before the evening's gone away I think that we could make it,
And I hope that I don't fall in love with you.

I can see that you are lonesome just like me,
And it being late, you'd like some company,
Well I've had two I look at you, and you look back at me,
The guy you're with has up and split, the chair next to you's free,
And I hope that you don't fall in love with me.

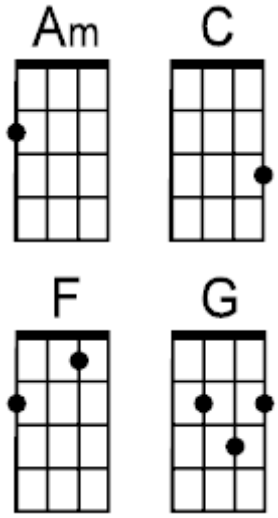

***<Instrumental verse, except vocal on last line>***

```
           A                   D                E7sus/  E7/  E7sus/ E7/
Well the night does funny things inside a man
            A                   D                E7sus/  E7/  E7sus/ E7/
These old tom-cat feelings you don't understand,
        D                A                  Bm7          E7sus
Well I turn around to look at you, you light a cigarette,
  D                A                  Bm7                E7sus  E7
I wish I had the guts to bum one but we've never met,
        A                  D      E7         A       A
And I hope that I don't fall in love with you.
```

Now it's closing time, the music's fading out
Last call for drinks, I'll have another stout.
Well I turn around to look at you, you're nowhere to be found,
I search the place for your lost face, guess I'll have another round
And I think that I just fell in love with you

## Additional Choruses

# I Love Me

1

I love me, I love me, my birthday's once a year
I love me, I love me, and when my birthday's near
I go with me and buy myself
Some gifts to put away
Then I suprise myself with them
When me wakes up that day
I love me, I love me, I'll marry me some day
Right away, Saturday, I'll give me all my pay
With me I like to make a date
To meet myself at half-past-eight
If I'm not there I never wait
I'm wild about myself

2

I love me, I love me, I love the way me talks
I love me, I love me, I love the way me walks
I take me to the ball-room and with me dance 'round the floor
And if me steps upon my feet - at me I don't get sore
I love me, I love me, I'm always in my sight
I love me, I love me, I'm with me day and night
To me my love I'll always give
And one thing that is positive
If me dies I won't care to live
I'm wild about myself

3

I love me, I love me, for better or for worse
I love me, I love me, for me and not my purse
I like to have a secret that I share with me alone
Because myself can trust me not to make my secret known
I love me, I love me, I'm my sweethearts beau
I love me, I love me, - not one can stand a show
I took me walking down the lane
Told me a joke that was profane
I'll never speak to me again
I'm wild about myself

4

I love me, I love me, I think me is a prize
I love me, I love me, 'cause me is just my size
I take me in my parlor and I sit on my settee
And then I lift myself right up and bounce me on my knee
I love me, I love me, I never leave my sight
I love me, I love me, I'm with me day and night
Myself and me we have a fight
And I can't fall to sleep at night
'Till I kiss me - then I'm all right
I'm wild about myself

The secret to playing this song is to forget everything you thought you knew about the Em chord! The standard method for playing Em is shown in the chord diagrams below. The fingering is 0432. Forget that! "They" have you fingering the 3rd fret on the E string. If you are playing an E chord, why on earth wouldn't you leave the E string open?!? Play the first line as:

This song peaked at #14 and was already down to #31 on April 4th 1964 when the Beatles held the top five spots along with #31, #41, #46, #58, #65, #68, and #79. This kind of chart dominance has never been duplicated. But…in 2005 with a much more diverse music scene than the Top-40 AM Radio of the 60s, rapper 50 Cent held three of the top six chart positions.

## **It's a Little Bit of Everything** Taylor Goldsmith (Dawes)

D G D F#m D
With his back against the San Francisco traffic, on the bridge's side that faces towards the jail,
*An older man stands in a buffet line, he is smiling and he's holding out his plate,*
Somewhere a pretty girl is writing invitations, to a wedding she has scheduled for the fall,

Bm A G D G D
Setting out to join a demographic, he hoists his first leg up over the rail.
*And the further he looks back into his timeline, that hard road always had led him to today,*
Her man says, "Baby, can I make an observation? You don't seem to be having any fun at all."

D G D F#m D
And a phone call's made, police cars show up quickly. The sergeant slams his passenger door.
*And making up for when his bright future had left him, making up for the fact his only son is gone,*
She said, "You just worry about your groomsmen and your shirt-size, and rest assured that this is making me feel good"

Bm A G D G D
He says, "Hey son why don't you talk through this with me, just tell me what you're doing it for."
*And letting everything out once his server asks him, "Have you figured out yet what it is you want?"*
I think that love is so much easier than you realize. If you can give yourself to someone, then you should.

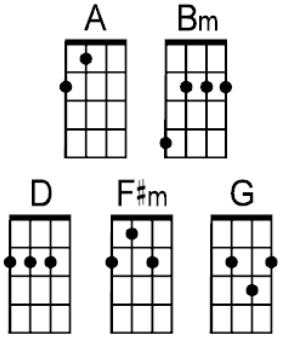

Bm D Bm F#m
"Oh, it's a little bit of everything, it's the mountains, it's the fog,
*I want a little bit of everything, the biscuits and the beans,*
Cause it's a little bit of everything, the way you joke, the way you ache,

Bm D A
It's the news at six o'clock, it's the death of my first dog,
*Whatever helps me to forget about the things that brought me to my knees,*
It is getting up before you, so I could watch you as you wake.

D G D Bm F#m A D
It's the angels up above me, it's the song that they don't sing. It's a little bit of everything."
*So pile on those mashed potatoes, and an extra chicken wing, I'm having a little bit of everything.*
So on that day in late September, it's not some stupid little ring, I'm gettin' a little bit of everything.

**<Sing all three verses, then end with:>**

Bm D Bm F#m
Oh, it's a little bit of everything, the matador and the bull
Bm D A
It's the suggested daily dosage, it is the red moon when it's full.
Bm D Bm F#m
All these psychics and these doctors, they're all right and they're all wrong,
Bm D A
It's like trying to make out every word, when they should simply hum along,
D G D Bm
It's not some message written in the dark, or some truth that no one's seen,
F#m A D
It's a little bit of everything.

**It Ain't Gonna Rain No Mo'** Traditional

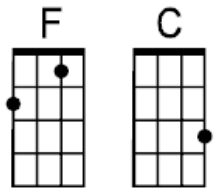

1923 recording by Wendell Hall, "comedian with Ukulele"

F C
Oh, the night was dark and dreary, and the air was full of leaks
C F
Well the old man stood out in the storm and his shoes were full of feet

F C
Oh, it ain't gonna rain no mo', no mo'. It ain't gonna rain no mo'
C F
But how in the world can the old folks tell? It ain't gonna rain no mo'

F C
Well the butterfly flits on wings of gold, the June Bug wings of flame
C F
The bedbug has no wings at all, but he gets there just the same

F C
Oh, mosquiti he fly high, oh, mosquiti he fly low
C F
If ol' misaquito light on me, he ain't a gonna fly no mo'

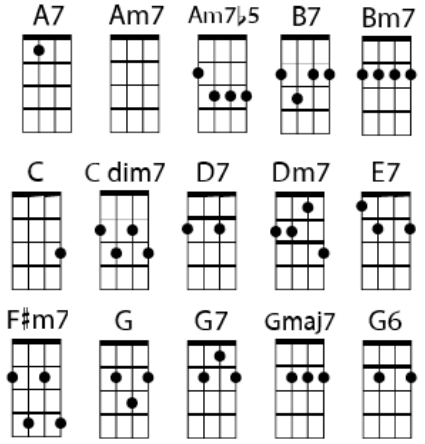

F C
Well, a bull frog sittin' on a lily pad, looking up at the sky
C F
Oh, the lily pad broke and the frog fell in, got water all in his eyes

F C
Well, here's a verse about a man and a trombone. Well, the words to it are few
C F
He blew, he blew, he blew, he blew, he blew, he blew, he blew

F C
Well, a man lay down by a sewer, and by the sewer he died, he died
C F
And at the coroner's request they called it sewer-cide

F C
A little black and white animal out in the woods, I says, "Ain't that little cat pretty?"
C F
I went right over to pick it up, but it wasn't that kind of a kitty

"I Want Candy" was originally recorded in 1965 by the Strangeloves, which is a name the songwriters gave themselves when they decided to record their own song. They had previously written other hits, including "My Boyfriend's Back." There are many covers, notably by the Bow Wow Wows in 1982. The song has a jungle-style beat. Many versions have nothing but drums for the first two chords of each line. The final two D chords include a single strum of C. All strums on the final two Ds are single down strums as follows:

D - D D - C D -
1 2 3 4 1 2 3 4

Some versions use the same strum on the first 2 Ds.

The whole rhythm section was the purple gang.

Number forty-seven said to number three:
You're the cutest jailbird I ever did see.
I sure would be delighted with your company,
Come on and do the jailhouse rock with me.

```
                A                                   A
I've got a little change in my pocket, goin' jingle-lingle-ling,
          A                                          A
I wanna call ya on the telephone baby, and give you a ring.
          D                          D
But each time we talk, I get the same ole thing,
           A                         A
Always no huggy, no kissy, 'till I get a wedding ring.
     E7                                   E7
My honey, my baby, don't put your love upon no shelf,
                    A                                  A
She said, "Don't give me no lines and keep your hands to yourself".

       A                                          A
Oooh baby, baby, baby, why you wanna treat me this way?
                  A                              A
You know I'm still your lover boy, I still feel the same way.
                    D                                D
That's when she told me a story, 'bout free milk and a cow,
                A                          A
She said no huggy, no kissy, 'till I get a wedding vow.
      E7                                   E7
My honey, my baby, don't put your love upon no shelf.
                    A                                  A
She said "don't give me no lines and keep your hands to yourself".

           A                                      A
You see I wanted her real bad and I was about to give in.
That's when she started talkin' 'bout true love, she started talkin' 'bout sin.
         D                                  D
I said "honey I'll live with you for the rest of my life",
                  A                                A
she said, "no huggy, no kissy, 'till you make me your wife.
     E7                                   A7
My honey, my baby, don't put your love upon no shelf.
                    A                                  A
She said,"don't give me no lines and keep your hands to yourself".

It made the children laugh and play,  laugh and play, laugh and play,
It made the children laugh and play, to see a lamb at school

And so the teacher turned it out, turned it out, turned it out,
And so the teacher turned it out, but still it lingered near

And waited patiently about, patiently about, patiently about,
And waited patiently about till Mary did appear

"Why does the lamb love Mary so? Love Mary so? Love Mary so?
"Why does the lamb love Mary so?" The eager children cry

"Why, Mary loves the lamb, you know. lamb you know, lamb you know
"Why, Mary loves the lamb, you know." The teacher did reply

This song has three different 6th chords. We don't always have chord diagrams handy for these unusual chords. Here's a tip. When you see a 6th chord, subtract 2 letters (one-and-one-half steps) and play the m7 chord.

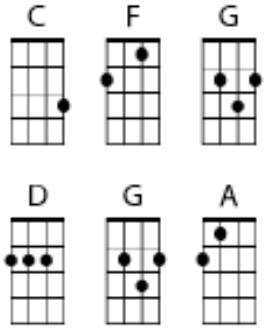

C6 = Am7

Eb6 = Cm7

F6 = Dm7

This song is not often done as a play along because it's easy to get lost in all the instrumental bits. To keep in time, sing "ba ba ba's", either aloud or to yourself, when playing the instrumental parts. The pattern of the verse keeps going on even when there are no words to sing.

Last Kiss is Pearl Jam's highest charting song, reaching #2 on the Billboard Hot 100.

D  G//  A//  D  G//  A//
There's so many times I've let you down, so many times I've played around.

Every place I go, I think of you, every song I sing, I sing for you.

**Let Your Love Flow** Larry E. Williams (Bellamy Brothers)

D D
There's a reason, for the sunshine in the sky
D D
And there's a reason why I'm feeling so high
A A D G
Must be the season, when that love light shines all around us

D D
So let that feeling, grab you deep inside
D D
And send you reeling, where your love can't hide
A A D D7
And then go stealing, through the moonlit nights with your lover

G G
Just let your love flow, like a mountain stream
D D
And let your love grow, with the smallest of dreams
A A D D7
And let your love show, and you'll know what I mean, it's the season

G G
Let your love fly like a bird on wing,
D D
and let your love bind you to all living things
A A D Dsus4
And let your love shine, and you'll know what I mean, that's the reason

D D
There's a reason, for the warm sweet nights
D D
And there's a reason, for the candle lights
A A D G
Must be the season, when those love lights shine, all around us

D D
So let that wonder, take into space
D D
And lay you under, it s loving embrace
A A D D7
Just feel the thunder, as it warms your face, you can't hold back

**Little Bird** Joe Darion, Mitch Leigh

C G G C
Little bird, little bird, in the cinnamon tree,
C G G C
Little bird, little bird, do you sing for me?
C Em Em F
Do you bring me word of one I know?
F G7 C
Little bird, little bird, I love her so,
G7 C//
Little bird, little bird, I have to know
G7// C C
Little bird, little bird.

F F Em Em
Beneath this tree, this cinnamon tree,
Dm Dm C C
We learned to love, we learned to cry;
F F Em Em
For here we met, and here we kissed,
F G7 C
And here one cold and moonless night we said goodbye

C G G C
Little bird, little bird, oh have pity on me
C G G C
Bring her back to me now, 'neath the cinnamon tree,
C Em Em F
I have waited too long without a song.
F G7 C
Little bird, little bird, please fly, please go
G7 C//
Little bird, little bird, and tell her so.
G7// C
Little bird, little bird.

**Living Years** Mike Rutherford, B.A. Robertson (Mike & the Mechanics)

G G Cmaj7 Cmaj7
Every generation blames the one before
G G Cmaj7 Cmaj7
And all of their frustrations come beating on your door
Fsus2 Fsus2
I know that I'm a prisoner to all my father held so dear
Am7 Am7
I know that I'm a hostage to all his hopes and fears
D7 C// D7// G G
I just wish I could have told him in the living years

G G Cmaj7 Cmaj7
Crumpled bits of paper filled with imperfect thought
Stilted conversations I'm afraid that's all we've got
Fsus2 You say you just don't see it, he says it's perfect sense
Am7 You just can't get agreement in this present tense
D7 C// D7// G G
We all talk a different language, talking in defense
G G C C Am7 D7 G G
Say it loud, say it clear. You can listen as well as you hear
G G C C Am7 D7 G G
It's too late when we die to admit we don't see eye to eye
G G Cmaj7 Cmaj7
So we open up a quarrel between the present and the past
We only sacrifice the future it's the bitterness that lasts
Fsus2 So don't yield to the fortunes you sometimes see as fate
Am7 It may have a new perspective on a different date
D7 C// D7// G G
And if you don't give up, and don't give in, you may just be O.K.
***<Chorus>***
G G Cmaj7 Cmaj7
I wasn't there that morning when my Father passed away
I didn't get to tell him all the things I had to say

I just wish I could have told him in the living years ***<Chorus>***

So come on, come on, do the Loco-motion with me

You gotta swing your hips, now. Come on, baby. Jump up. Jump back

Well, now, I think you've got the knack. Whoa whoa

Now that you can do it, let's make a chain, now. Come on baby, do the Loco-motion
A chug-a chug-a motion like a railroad train, now. Come on baby, do the Loco-motion
G Em G E
Do it nice and easy, now, don't lose control. A little bit of rhythm and a lot of soul
D/// A/ A D
So come on, come on, do the Loco-motion with me yeah yeah

D Bm D Bm
Move around the floor in a Loco-motion. Come on baby, do the Loco-motion
Do it holding hands if you get the notion. Come on baby, do the Loco-motion
G Em G E
There's never been a dance that's so easy to do. It even makes you happy when you're feeling blue

So come on, come on, do the Loco-motion with me ***<2 times>***
Bm D
Come on baby, do the Loco-motion ***<repeat as desired>***

Loco-motion was the first song to hit the top 5 in three consecutive decades. It was the 2nd song to hit #1 by two different acts. The first to do this was also a Carole King song. Did she write everything?

But Lola smiled and took me by the hand she said, "Dear boy, gonna make you a man"
       G                    G                    C

The Everly Brothers recorded Love Hurts in 1960 but did not release it as a single. Roy Orbison had a hit version in Australia in 1961. The biggest hit recording of Love Hurts was by the band Nazareth in 1975. Jim Capaldi, a former member of Traffic, also recorded it in 1975 and had a hit in the UK.

In the Nazareth version, love is like a "flame", not a "stove."

# The Man Who Can't be Moved — The Script

G D Am7 C
Going back to the corner where I first saw you, gonna camp in my sleeping bag not I'm not gonna move
G D
Got some words on cardboard got your picture in my hand,
Am7 C
Saying if you see this girl can you tell her where I am,
G D Am7 C
Some try to hand me money they don't understand, I'm not broke I'm just a broken hearted man,
G D Am7 C
I know it makes no sense, but what can I do, oh how can I move on when I'm still in love with you...

G D
Cos if one day you wake up and find that you're missing me,
Am7 C
And your heart starts to wonder where on this earth could I be,
G D
Thinking maybe you'd come back here to the place that we'd meet,
Am7 C
And you'd see me waiting for you on the corner of the street.
G D Am7 C G D Am7 C
So I'm not moving... I'm not moving yeah So I'm not moving... I'm not moving yeah

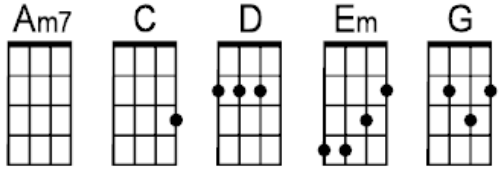

G D
Policeman says son you can't stay here,
Am7 C
I said there's someone I'm waiting for if it's a day, a month, a year,
G D Am7 C
Gotta stand my ground even if it rains or snows, if she changes her mind this is the first place she will go.

Chorus

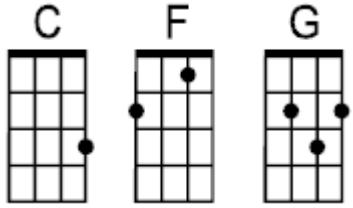

Em Am7 C
People talk about the guy who's waiting on a girl... Oohoohwoo
Em Am7 C
There are no holes in his shoes but a big hole in his world... Hmmmm
Em D
Maybe I'll get famous as the man who can't be moved,
Am7 C
Maybe you won't mean to but you'll see me on the news,
Em D Am7
And you'll come running to the corner cause you'll know it's just for you
C
I'm the man who can't be moved. I'm the man who can't be moved...

Chorus

Going back to the corner, where I first saw you, gonna camp in my sleeping bag I'm not gonna move.....

**Minnie the Moocher** Cab Calloway, Irving Mills

Folks, here's a story 'bout Minnie the Moocher
C7 B7// Em//
She was a low down hoochie-coocher

He took her down to Chinatown and he showed her how to kick the gong around

She had a dream about the King of Sweden. He gave her things that she was needin'
He gave her a home built of gold and steel, a diamond car with a platinum wheel

He gave her his townhouse and his racing horses. Each meal she ate was a dozen courses

**Minstrel of the Dawn** Gordon Lightfoot

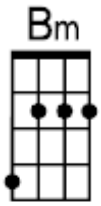

D D G A A
The Minstrel of the Dawn is here to make you laugh and bend your ear
***A Minstrel of the Dawn is he, not too wise, but oh so free***
Minstrel of the changing tide, he'll ask for nothing but his pride
***A Minstrel of the Dawn is near, just like a 'Step n Fetchet' here***
The minstrel boy will understand, he holds the promise in his hand

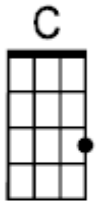

D D G A A
Up the steps you'll hear him climb all full of thoughts, all full of rhymes
***He'll talk of life out on the street he'll play it sad, he'll play it sweet***
Just sit him down upon that chair, fetch some wine and set it there
***He's like an old time troubadour, wanting life and nothing more***
He talks of better days ahead and by his words your fortune's read

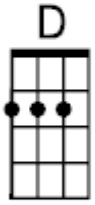

G C G C A A
Listen to the pictures flow across the room into your mind they go
***Look into his shining face, of loneliness you'll always find a trace***
Listen to the pictures flow, follow the fingers where they go
***Look into his shining eyes and if you see a ghost don't be surprised***
Listen to the pictures flow, across the room into your mind they go

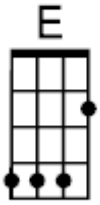

D G G Bm Bm E A A
Listen to the strings, they jangle and dangle while the old guitar rings
***Just like me and you, he's trying to get into things more happy than blue***
Listen to the strings, they jangle and dangle while the old guitar sings
***Just like me and you, he's tryng to get into things more happy than blue***
Listen to the strings, they jangle and dangle while the old guitar sings

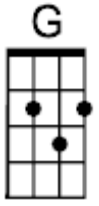

**<Sing all 5 verses, then end with:>**

The Minstrel of the Dawn is gone, I hope he'll call before too long
D D G A A
And if you meet him you must be the victim of his minstrelsy
G D D G G G G D
Sing for you a song, the Minstrel of the Dawn

This song is easily played in 4/4 time. Lightfoot does it in 6/8, which results in a bit more syncopation in the lyrics.

I was surprised to see Charles "Luckey" Roberts credited – although with his name misspelled - with a pop song in the 40s. He was a major figure in ragtime and stride piano and also wrote for Broadway shows in the 20s. Turns out Roberts wrote an instrumental called "Ripples of the Nile." Kim Gannon slowed it down, added the lyrics, and Glen Miller made it a hit.

**My Ding A Ling** Dave Bartholomew

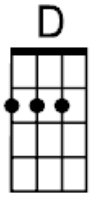

These lyrics are from Chuck Berry's 1972 version, his only #1 hit. The original in 1952 was even more scandalous.

D G A D
When I was a little bitty boy my grandmother bought me a cute little toy
D G A D
Silver bells hangin' on a string, she told me it was my ding a ling a ling

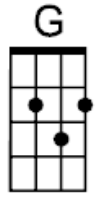

D G A D
My ding a ling, my ding a ling, I want to play with my ding a ling
My ding a ling, my ding a ling, I want to play with my ding a ling

D G A D
And then momma took me to grammar School but I stopped off in the vestibule
Every time that bell would ring, catch me playin' with my ding a ling a ling

***<Chorus>***

D G A D
Once I was climbing the garden wall. I slipped and had a terrible fall
I fell so hard I heard bells ring but held on to my ding a ling

***<Chorus>***

D G A D
Once I was swimming cross Turtle creek, man them snappers all around my feet
Sure was hard swimming cross that thing with both hands holdin' my ding a ling a ling

***<Chorus>***

D G A D
This here song it ain't so sad, the cutest little song you ever had
Those of you who will not sing, you must be playin' with your own ding a ling

***<Chorus>***

D G A D
Your ding a ling, your ding a ling, we saw you playin' with your ding a ling
My ding a ling everybody sing, I want to play with my ding a ling

Bagdasarian wrote his first hit song with his cousin, author and playwright William Saroyan: *Come on-a My House*. His most famous creations are ***The Chipmunks***. The first chorus of Witch Doctor features the recording technique that became ***The Chipmunks***.

G Am D7 G
In the heat of the summer night in the land of the dollar bill
When the town of Chicago died and they talk about it still
When a man named Al Capone (*huh*) tried to make that town his own (*huh*)
And he called his gang to war (*huh*) with the forces of the law

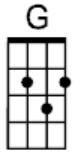

G G Am Am
I heard my Mama cry, I heard her pray the night Chicago died
D7 D7 G G

G G Am Am
I heard my Mama cry, I heard her pray the night Chicago died
D7 D7 G
Brother what a night the people saw**,** brother what a fight the people saw. Yes indeed

G Am D7 G
And the sound of the battle rang through the streets of the old eastside
Till the last of the hoodlum gang had surrendered up or died
There was shouting in the street (*huh*) and the sound of running feet (*huh*)
And I asked someone who said (*huh*) 'bout a hundred cops are dead

**<Chorus>**
G Am D7 G
Then there was no sound at all but the clock upon the wall
*<tacet> Tiic-toc tic-toc tic-toc*
Then the door bust open wide and my daddy stepped inside
And he kissed my Mama's face and he brushed her tears away

You take what you need and you leave the rest

Joan Baez had not seen printed copy of the song by *The Band* and she got some of the words wrong in her popular version. In recent concerts, she sings the original words given here.

**Not This Song Again** Lyrics by Leonard Kaufer ©2014

C E7
Not this song again. I can't believe we're doin' this song again
Dm
The life I love is making music with by friends
F G7 C
But I can't believe we're doin' this song again

C E7
Here it comes again. It always feels like it will never end
Dm
Singin' same old songs again, again, again
F G7 C
And I can't believe we're doin' this song again

F C
Doin' this song again, like a flock of parrots we go down the same way
F C
We once were friends, but they insist that we keep singing one way
G7
And that one way….Is singing this

C E7
… song again. I can't believe we're doin' this song again
Dm
I can't stand to make this music with my friends
F G7 C
And I can't believe we're doin' this song again

F C
Doin' this song again, like a bunch of lemmings we go down the same way
F C
It never ever ends, repeating this old chestnut damn near every day
G7
My brain will ooze away …… If I sing this ***<Repeat gray box>***
F G7 C
***<Final Tag:>*** Please shoot me if we do this song again

**Old Time Religion** Gordon R Dickson

G G D7 G
Gimme that old time religion, gimme that old time religion
G C G// D7// G
Gimmie that old time religion. It's good enough for me.

We will pray with Aphrodite, we will pray with Aphrodite
She wears that see-through nightie, and it's good enough for me.

We will pray with Zarathustra, We'll pray just like we use ta,
I'm a Zarathustra booster, and it's good enough for me.

G G D7 G
We will pray with those Egyptians, build pyramids to put our crypts in,
G C G// D7// G
Cover subways with inscriptions, and it's good enough for me.

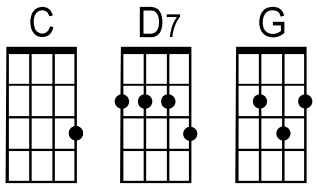

O-old Odin we will follow, and in fighting we will wallow
Til we wind up in Valhalla, and it's good enough for me.

Let me follow dear old Buddha, For there is nobody cuter
He comes in plaster, wood, or pewter, and it's good enough for me.

G G D7 G
We will pray with those old druids. They drink fermented fluids,
G C G// D7// G
Waltzing naked though the woo-ids, and it's good enough for me.

We do dances to bring water. Prepare animals for slaughter,
Sacrifice our sons and daughters, and it's good enough for me.

I'll arise at early morning, when my Lord gives me the warning,
That the solar age is dawning, and it's good enough for me.

So long ago, I don't remember when

That's when they say I lost my only friend
Well they said she died easy of a broken heart disease
As I listened through the cemetery trees

The long broken arm of human law
Now it always seemed such a waste, she always had a pretty face
So I wondered why she hung around this place

And I can't break away from this parade
But there's got to be an opening somewhere here in front of me
Through this maze of ugliness and greed
And I seen the sign up ahead at the county line bridge
Sayin', 'All is good and nothingness is dead'
Run until she's out of breath she ran until there's nothin' left
She hit the end, it's just her window ledge ***<Chorus>***

F C
Well this place is old, feels just like a beat up truck
E7 Am// C//
I turn the engine, but the engine doesn't turn
It smells of cheap wine, cigarettes, this place is always such a mess
Sometimes I think I'd like to watch it burn
I'm so alone and I feel just like somebody else
Man, I ain't changed, but I know I ain't the same
But somewhere here in between the city walls of dyin' dreams
I think of death, it must be killin' me ***<Chorus>***

**Patriot's Dream** (Page 1) Gordon Lightfoot

"Patriot's Dream" is essentially two songs stuck together. At the end the first part is reprised almost in its entirety.

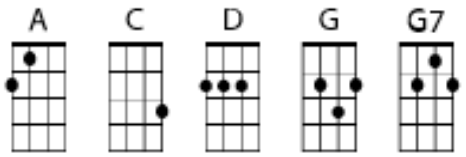

```
      G              G            C          C
The songs of the wars are as old as the hills
       G              G           A              D
They cling like the rust on the cold steel that kills
      G            G                G7           C
They tell of the boys who went down to the tracks
      D          D                  C                    G       G
In a patriotic manner with the cold steel on their backs
```

**Skip verse 2 the second time through**

```
      G          G           C           C
The patriot's dream is as old as the sky
   G             G          A             D
It lives in the lust of a cold callous lie
       G             G               G7             C
Let's drink to the men who got caught by the chill
         D        D                 C                G       G
Of the patriotic fever and the cold steel that kills
```

```
      G              G            C          C
The train pulled away on that glorious night
      G              G              A          D
The drummer got drunk and the bugler got tight
           G            G            G7              C
While the boys in the back sang a song of good cheer
       D              D            C              G       G
While riding off to glory in the spring of their years

      G           G          C           C
The patriot's dream still lives on today
    G                G             A              D
It makes mothers weep and it makes lovers pray
       G            G               G7             C
Let's drink to the men who got caught by the chill
         D        D                 C                G       G
Of the patriotic fever and the cold steel that kills

**Patriot's Dream** (Page 2) Gordon Lightfoot

G// D// Em G// D// Em
Well there was a sad, sad lady weeping all night long
She received a sad, sad message from a voice on the telephone
Her children were all sleeping as she waited out the dawn
G// D// Em G// D// B7 B7
How could she tell those children that their father was shot down
G// D// Em G// D// Em
So she took them to her side that day and she told them one by one
G// D// Em G// D// B7 B7
Your father was a good man ten thousand miles from home

Am7 D G Cmaj7
He tried to do his duty and it took him straight to hell
Am7 D G Cmaj7 Cmaj7 Am7 Am7
He might be in some prison, I hope he's treated well

G// D// Em G// D// Em
Well there was a young girl watching in the early after - noon
When she heard the name of someone who said he'd be home soon
And she wondered how they got him, but the papers did not tell
G// D// Em G// D// B7 B7
There would be no sweet reunion, there would be no wedding bells
G// D// Em G// D// Em
So she took herself into her room and she turned the bed sheets down
G// D// Em G// D// B7 B7
And she cried into the silken folds of her new wedding gown
***<Chorus>***
G// D// Em G// D// Em
Well there was an old man sitting in his mansion on the hill
And he thought of his good fortune and the time he'd yet o kill
Well he called to his wife one day, "Come sit with me awhile"
G// D// Em G// D// B7 B7
Then turning toward the sunset, he smiled a wicked smile
G// D// Em G// D// Em
"Well I'd like to say I'm sorry for the sinful deeds I've done

But let me first remind you, I'm a patri - otic son"

Yes, Gsus4 and Csus2 are the same on the ukulele. The bass player, however, needs to know the difference! If you prefer, you can simply play the G and C major chords.

# Puff the Magic Dragon

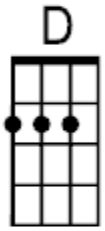

Leonard Lipton and Peter Yarrow

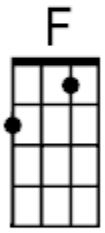

C G F C
Puff, the magic dragon lived by the sea,

And frolicked in the autumn mist in a land called Honalee.

Little Jackie Paper loved that rascal Puff,

C G F C
Puff, the magic dragon lived by the sea,

And frolicked in the autumn mist in a land called Honalee.

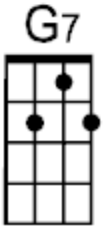

C G F C
Together they would travel on boat with billowed sail,
F C D G
Jackie kept a lookout perched on Puff's gigantic tail.
C G F C
Noble kings and princes would bow whene'er they came.
F C// Am// D// G// C// G7//
Pirate ships would lower their flags when Puff roared out his name.

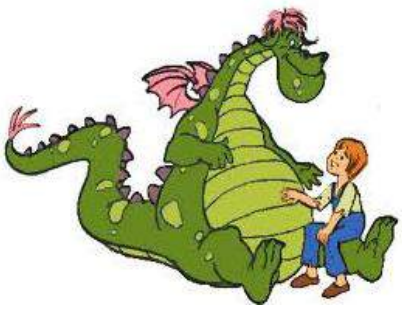

**<chorus>**

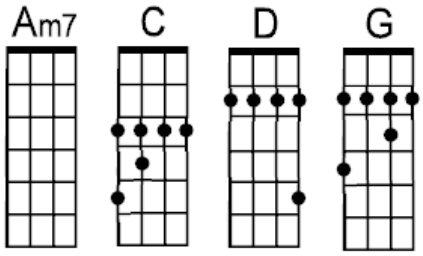

C G F C
A dragon lives forever, but not so little boys,

Painted wings and giant's rings make way for other toys.
C G F C
One gray night it happened, Jackie Paper came no more,

So Puff that mighty dragon, sadly slipped into his cave.

The original lyrics made fun at the expense of black people from Harlem. Those lyrics were used in a 1930 movie of the same name. The dance number in that movie was the first time that a mixed race ensemble performed on film in one song, but there were not on camera at the same time.

**Rhythm of the Rain** John Claude Gummoe

**Verse 1**

D G
Listen to the rhythm of the falling rain,
D A7
Telling me just what a fool I've been.
D G
I wish that it would go and let me cry in vain,
D// A7// D
And let me be alone again.

**Verse 2**

D G
Now the only girl care about has gone away.
D A7
Looking for a brand new start
D G
But little does she know that when she left that day.
D// A7// D
Along with her she took my heart.

G F#m
Rain, please tell me, now does that seem fair
Em// A7// D
For her to steal my heart away when she don't care
Bm E7 A7 A7
I can't love another, when my heart's somewhere far away.

The only hit for "The Cascades," whose name was inspired by a nearby box of dishwashing soap!

G F#m
Rain, won't you tell her that I love her so

Please ask the sun to set her heart aglow
Bm E7 A7 A7
Rain in her heart and let the love we knew start to grow.

"Rivers of Babylon" was written and performed by The Melodians in 1970. It is a Rastafari song based on Psalm 137. "Babylon" here refers to any oppressive or unjust governmental system. The cover by Boney M. in 1978 became a major international hit. This chart is for that version.

**Rock ‘n Roll Music** Chuck Berry

A7
Just let me hear some of that

D D D D
Rock and roll music, any old way you choose it
G G D D
It’s got a back beat you can’t lose it, any old time you use it
A7 A7 A7 D
It’s gotta be rock and roll music, if you wanna dance with me
A7 D
If you wanna dance with me

A A// A7// D D
I got no kick against modern jazz unless you try to play it too darn fast
G G A7 A7
And lose the beauty of the melody until it sounds just like a symphony
That’s why I go for that

A A// A7/ D D
I took my love on over ‘cross the tracks so she could hear a man a-wailin’ sax
G G A7 A7
I must admit they had a rockin’ band and they were blowin’ like a hurrican’
That’s why I go for that

A A// A7// D D
Way down south they gave a jubilee and Georgia folks, they had a jamboree
G G
They’re drinkin’ home brew from a wooden cup
A7 A7
The folks dancin’ got all shook up. And started playing that …

A A// A7// D D
Don’t get to hear ‘em play a tango I’m in no mood to take a mambo
G G A7 A7
It’s way to early for the congo so keep on rockin’ that piano
So I can hear some of that

**Rock Around the Clock** Max Freedman and James Myers

One, two three o'clock, four o'clock rock
Five, six, seven o'clock, eight o'clock rock

We're gonna rock, around the clock tonight

E E
Put your glad rags on and join me, hon,
E7 E
We'll have some fun when the clock strikes one

While far from being the first rock and roll song ever recorded, Bill Haley and the Comets version was the first rock record to land in Billboard's Pop charts. Previous rock records only reached the R&B charts.

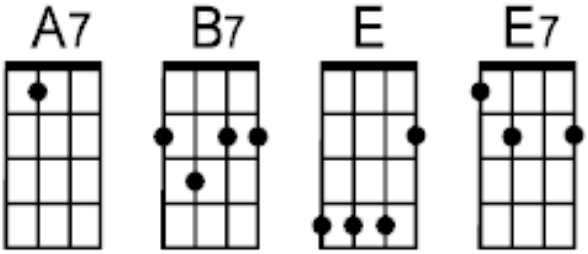

A7 A7
We're gonna rock around the clock tonight
E E
We're gonna rock, rock, rock 'til broad daylight
B7 A7 E E
We're gonna rock, gonna rock, around the clock tonight.

E E
When the clock strikes two, three and four
E7 E7
If the band slows down we'll yell for more
***<chorus>***

E E
When the chimes ring five, six and seven
E7 E7
We'll be rockin' in seventh heaven
***<chorus>***

E E
When it's eight, nine, ten, eleven too
E7 E7
I'll be goin' strong and so will you
***<chorus>***

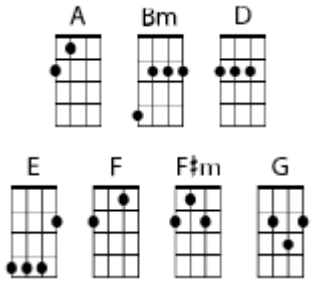

E E
When the clock strikes twelve we'll cool off then
E7 E7
Start rockin' round the clock again ***<chorus>***

**Rocky Mountain High** John Denver, Mike Taylor

                D          D                Em7              C//      A//
V1   He was born in the summer of his twenty seventh year
V2   He climbed cathedral mountains, he saw silver clouds below
V3   Now his life is full of wonder but his heart still knows some fear

                D          D                Em7              G//      A//
V1   Coming home to a place he'd never been before
V2   He saw everything as far as you can see
V3   Of a simple thing he cannot comprehend

                D          D                Em7              C//  A//
V1   He left yesterday behind him, you might say he was born again
V2   And they say that he got crazy once and he tried to touch the sun
V3   Why they try to tear the mountains down to bring in a couple more

                D          D                Em7      G//     A//
V1   You might say he found a key for every door
V2   And he lost a friend but kept his memory
V3   More people, more scars upon the land

                D          D                Em7              C//      A//
V1   When he first came to the mountains his life was far away
V2   Now he walks in quiet solitude the forest and the streams

                D          D                Em7        G//     A//
V1   On the road and hanging by a song
V2   Seeking grace in every step he takes

                D          D                Em7              C//      A//
V1   But the string's already broken and he doesn't really care
V2   His sight has turned inside himself to try and understand

                D          D                Em7       G//     A//
V1   It keeps changing fast and it don't last for long
V2   The serenity of a clear blue mountain lake
```

C1-4   But the Colorado rocky mountain high. I've seen it rainin' fire in the sky
                  G                     A          D                    G   G   G
C1     The shadow from the starlight is softer than a lullabye
C2     Talked to God and listened to the casual reply
C3     I know he'd be a poorer man if he never saw an eagle fly
C4     Friends around the campfire and every body's high

          G                              D      D     Em7
C1-4            Rocky Mountain high
          G//              A//          D      D     Em7   G//  A//
C1-4            Rocky Mountain high

Verse 3 is only half as long as the others. After the third chorus go right to the fourth chorus.

**Roller Derby Queen** Jim Croce

E7 E7 A7 A7
Gonna tell you a story that you won't believe but I fell in love last Friday evening
B7 A7 E7 E7
With a girl I saw on a bar-room TV screen.
E7 E7 A7 A7
Well I was just gettin' ready to get my hat when she caught my eye and I put it back
B7 A7 E7 E7
And ordered myself a couple a more shots and beers.

G7 A7 E7
That night that I fell in love with a roller derby queen.
E7
Round and round, go, round and round
G7 A7 B7 B7
Meanest hunk a woman that anybody ever seen -- down in the arena.

E7 E7 A7 A7
She was five-foot-six and 215, a bleach-blond mama with a streak of mean
B7 A7 E7 E7
She knew how to knuckle and she knew how to scuffle and fight
E7 E7 A7 A7
The roller-derby program said that she was built like "'fridgerator with a head."
B7 A7 E7 E7
Her fans call her Tuffy but all her buddies call her Spike.

***<Chorus>***

E7 E7
Round and round, go round and round
A7 A7 B7 A7 E7 E7
Round and round, go round and round; round and round

E7 E7 A7 A7
Well, I could not help but to fall in love with this heavy-duty woman I've been speakin' of
B7 A7 E7 E7
Things were kinda bad 'til the day she skated into my life
E7 E7 A7 A7
Well, she might be nasty, she might be bad, but I never met a person who would tell her that
B7 A7 E7 E7
She's my bleach blonde bomber, my heavy-handed Hackensack mama.

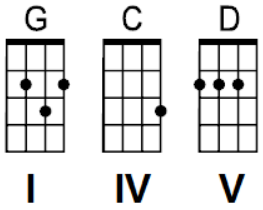

***<Chorus> <Fade on "round and round">***

She got a crazy partner, you oughta see 'em reel and rock
Long as she got a dime the music will never stop

```
                  G       G                    G       G

                  D       C                    G       G
Roll over Beethoven, dig these rhythm and blues
```

This song is a 12 bar blues, but it is a "drop blues", or "quick four." Both of these refer to the change of chord from I to IV on the second measure.

**Run-Around** John Popper

Oh, once upon a midnight dearie I woke with something in my head
I couldn't escape the memory of a phone call and what you said
Like a game show contestant with a parting gift I could not believe my eyes
When I saw through the thoughts of a trusted friend
Who needs to humor me and tell me lies, yeah humor me and tell me lies
And I'll lie too and say I don't mind and as we seek so shall we find
And when you're feeling open I'll still be here but not without a certain degree of fear
Well, what will be with you and me I still can see things hopefully

But you, why you wanna give me a run-around?
Is it a sure-fire way to speed things up when all it does is slow me down?

Shake me and my confidence about a great many things
But I've been there I can see it cower like a nervous magician waiting in the wings
Or a bad play where the heroes are right and nobody thinks or expects too much
And Hollywood's calling for the movie rights
Singing "Hey baby, let's keep in touch", hey baby, let's keep in touch
But I want more than a touch I want you to reach me
And show me all the things no one else can see
So what you feel becomes mine as well
And soon if we're lucky we'd be unable to tell
What's yours and mine, the fishing's fine
And it doesn't have to rhyme, so don't you feed me a line

***<Chorus>***

Tra la la la la bombardier, this is the pilot speaking
And I've got some news for you it seems my ship still stands
No matter what you drop and there ain't a whole lot that you can do
Oh sure the banner may be torn and the wind's gotten colder
Perhaps I've grown a little cynical
But I know no matter what the waitress brings
I shall drink it and always be full, yeah I will drink it and always be full
Oh I like coffee and I like tea. But to be able to enter a final plea
I still got this dream that you just can't shake
I love you to the point you can no longer take
Well all right okay, so be that way
I hope and pray that there's something left to say

***<Chorus 2 times>***

I could have charted all of the detailed chords for this song, but it is the same four chords over and over and over. Yes, some of the words come really fast and you will need to practice! Use YouTube's playback speed adjustment set to 0.75.

I don't know where I'm running now, I'm just running on

D A D A
Running on, running on empty. Running on, running blind
D A F#m F#m
Running into the sun, but I'm running behind

D A D A
Gotta do what you can just to keep your love alive
Trying not to confuse it with what you do to survive
In '69 I was twenty-one and I called the road my own
D A E7 E7
I don't know when that road turned onto the road I'm on

***<Chorus>***

F#m D E7 A F#m E7 D
Everyone I know, everywhere I go, people need some reason to believe
A
I don't know about anyone but me
F#m D E7 A D E7 D A
If it takes all night, that'll be all right, if I can get you to smile before I leave
D A D A
Looking out at the road rushing under my wheels
I don't know how to tell you all just how crazy this life feels
Look around for the friends that I used to turn to to pull me through
D A E7 E7
Looking into their eyes I see them running too

***<Chorus>***

D A D A
Honey you really tempt me, you know the way you looked so fine
D E7 D A
I want to know who you are but I'm running behind
D E7 D A
You know I don't even know what I'm hoping to find
D E7 A A
Running into the sun but I'm running behind

# **Same Old Lang Syne** Dan Fogelberg

C Am
Met my old lover in the grocery store
The snow was falling Christmas Eve
I stole behind her in the frozen foods
D7 FM7// G//
And I touched her on the sleeve

C Am
She didn't recognize the face at first
But then her eyes flew open wide
She went to hug me and she spilled her purse
D7 FM7// G//
And we laughed until we cried

C Am
We took her groceries to the checkout stand
The food was totaled up and bagged
We stood there lost in our embarrassment
D7 FM7// G//
As the conversation dragged

C Am
Went to have ourselves a drink or two
But couldn't find an open bar
We bought a six-pack at the liquor store
D7 FM7// G//
And we drank it in her car

Am F
We drank a toast to innocence
G Am
We drank a toast to now
Am F
And tried to reach beyond the emptiness
G G
But neither one knew how

C Am
She said she'd married her an architect
Who kept her warm and safe and dry
She would have liked to say she loved the man
D7 FM7// G//
But she didn't like to lie

C Am
I said the years had been a friend to her
And that her eyes were still as blue
But in those eyes I wasn't sure if I
D7 FM7// G//
Saw doubt or gratitude

C Am
She said she saw me in the record stores
And that I must be doing well
I said the audience was heavenly
D7 FM7// G//
But the traveling was hell

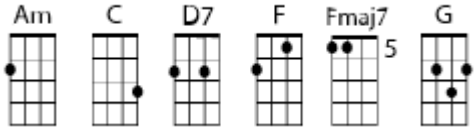

***<Repeat Chorus 1>***

And felt that old familiar pain
And as I turned to make my way back home

This traditional English balad has many more verses than in this Simon & Garfunkel version. The singer sets a series of impossible tasks to be given to a former love to perform if she would like to be loved again. It is typically sung as an alternateing duet with each setting impossible tasks for the other.

Goodbye to you my trusted friend. We've known each other since we were nine or ten

The song given here is only the chorus and the bridge. There are also two verses to this song.

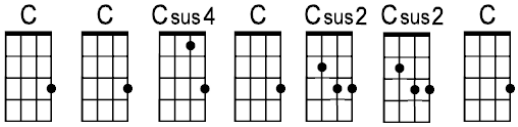

For a change of pace, try these lyrics:

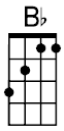

We got married last Friday, my girl was right there beside me
Our friends were all gone, we were alone, side by side
We were so happily wed when, she got ready for bed then
Her teeth and her hair, she placed in on a chair, side by side

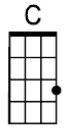

One glass eye so tiny, one hearing aid so small
Then she took one leg off, and placed it on the chair by the wall
I stood there broken hearted, most of my girl had departed
I slept on the chair, there was more of her there, side by side

***<Voice 1 takes verse 1. Voice 2 takes verse 2. Then both sing their verse simultaneously, which is called a quodlibet.>***

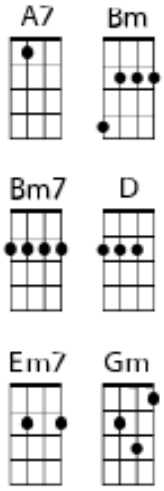

Like many of the era, this song from a 1914 musical has verses that are no longer sung. Interestingly, the verses in a 1916 recording do not match the sheet music published in 1914. One can only guess that Berlin fine-tuned the second verse, since the 1916 version matches the storyline of the song much better.

# Sister Susie's Sewing Shirts for Soldiers R.P. Weston, Hermann Darewski

While the verses have the same tempo throughout each chorus should be faster than the one before!

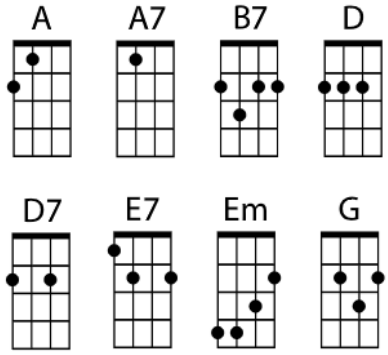

D D D D
Sister Susie's sewing in the kitchen on a Singer,
A A A D
There's miles and miles of flannel on the floor and up the stairs.
D D D D
And father says it's rotten getting mixed up with the cotton,
G Em B7 A
And sitting on the needles that she leaves upon the chairs!
A7 A7 A7 A7
And should you knock at our street door, Ma whispers "Come inside!"
E7 E7 E7 A
Then when you ask where Susie is, she says with loving pride

D D A A
Sister Susie's sewing shirts for soldiers,
A A A D
Such skill at sewing shirts our shy young sister Susie shows!
D D7 G E7
Some soldiers send epistles say they'd sooner sleep in thistles
D A A7 D
Than the saucy soft short shirts for soldiers sister Susie sews!

D D D D
Piles and piles and piles of shirts she sends out to the soldiers
A A A D
And sailors won't be jealous when they see them, not at all
D D D D
And when we say her stitching will set all the solders itching
G Em B7 A
She says our soldiers fight best when their back's against the wall
A7 A7 A7 A7
And little brother Gussie, he who lisps when he says, "yeth"
E7 E7 E7 A
Says, "Where'th the cotton gone from off my kite? Oh I can gueth!"

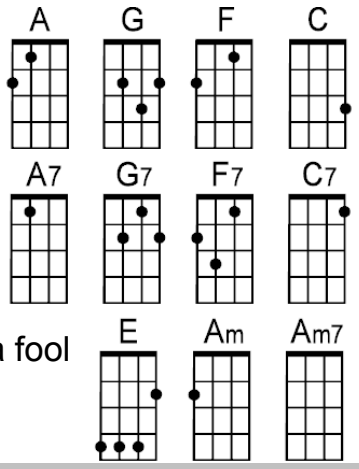

***<Chorus>***

D D D D
I forgot to tell you that our sister Susie's married,
A A A D
And when she isn't sewing shirts she's sewing other things.
D D D D
Then little sister Molly says "Oh sister's bought a dolly,
G Em B7 A
She's making all the clothes for it with pretty bows and strings"
A7 A7 A7 A7
Says Susie, "Don't be silly!" as she blushes and she sighs,
E7 E7 E7 A
Then mother smiles and whispers with a twinkle in her eyes

***<Chorus>***

## Sitting, Waiting, Wishing — Jack Johnson

I sang your songs, I danced your dance, I gave your friends all a chance

G G7 F F7 C C7
But I'm already down, just wait a minute, just sitting waiting

A A7 G G7
Well if I was in your position I'd put down all my ammunition
F F7 C C7
I'd wondered why it had taken me so long
A A7 G G7
But Lord knows that I'm not you, and if I was I wouldn't be so cruel
F F7 C C7
Cause waiting on love ain't so easy to do

E Am Am7 Am E Am Am7 Am
Must I always be waiting, waiting on you must I always be playing, playing your fool
I can't always be waiting, waiting on you I can't always be playing, playing your fool

**Sixteen Tons** Merle Travis

Every chord is two beats. In the Tennessee Ernie Ford version, which was the most popular, he held the pickup word to each verse for 4 extra counts not shown.

This key was specifically chosen so you could play the Dm on the 5th fret and walk down the first four chords, which will sound an awful lot like Stray Cat Strut (and others)!

Well, I feel so break up, I want to go home.

G G G G
Well, the first mate he got drunk, broke up the people's trunk,
G G D7 D7
The constable had to come and take him away.
G G7 C C7
Oh, Sheriff John Stone, please leave me alone,
G D7 G G
Well, I feel so break up, I want to go home.

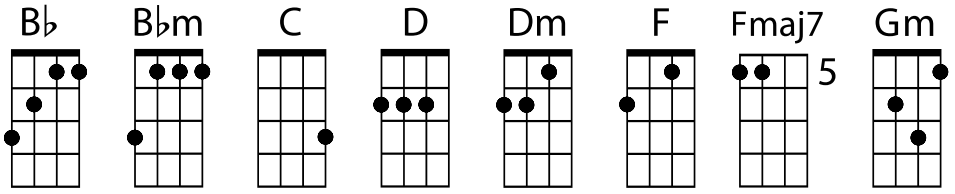

G G G G
Well, the poor cook he got fits, threw away all of my grits,
G G D7 D7
Then he took and ate up all my corn.
G G7 C C7
Let me go home, why don't they let me go home?
G D7 G G
This is the worst trip I've ever been on.

The lyrics presented here are a mix of those used by the Kingston Trio and the Beach Boys. The song appeared in Harpers Magazine in 1916 with 5 verses. In that version the Captain's pig ate the corn. That makes sense! The great Alan Lomax recorded the Cleveland Simmons Group in the Bahamas in 1935. Prior to the Beach Boys it was usually done in calypso style, although Johnny Cash did a regrettable country version in '59.

                                Smuggler's blues

D – C       The sailors and the pilots, the soldiers and the law
D – C       The payoffs and the rip-offs and the things nobody saw
D – C       No matter if it's heroin, cocaine or hash
D – C       You've got to carry weapons cause you always carry cash
G – F       There's lots of shady characters, lots of dirty deals
G – F       Ev'ry name's an alias in case somebody squeals
D – C       It's the lure of easy money, it's gotta very strong appeal
A           Perhaps you'd understand it better standin in my shoes
G7          It's the ultimate enticement, it's the smuggler's blues
D         C         D         C         D                C         D         C
                                Smuggler's blues

D – C       See it in the headlines, you hear it ev'ry day
D – C       They say they're gonna stop it but it doesn't go away
D – C       They move it through Miami, sell it in L.A.
D – C       They hide it up in Telluride, I mean it's here to stay
G – F       It's propping up the governments of Columbia and Peru
G – F       You ask any D.E.A. man, he'll say there's nothin' we can do
D – C       From the office of the president right down to me and you
A           It's a losing proposition, but one you can't refuse
G7          It's the politics of contraband, it's the smuggler's blues

**Snoopy vs. the Red Baron** Dick Holler and Phil Gernhard

G C G D7
After the turn of the century in the clear blue skies over Germany
G C
Came a roar and a thunder men had never heard
D7 G G
Like the screamin' sound of a big war bird

***Start the song in the key of F# by sliding all the chords down one fret!***

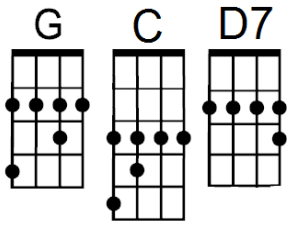

G C G D7
Up in the sky, a man in a plane. Baron von Richthoven was his name
G C
Eighty men tried, and eighty men died
D7 G G
Now they're buried together on the countryside

G C G D7
Ten, twenty, thirty, forty, fifty or more. The Bloody Red Baron was rollin' up the score
G C D7 G G
Eighty men died tryin' to end that spree, of the Bloody Red Baron of Germany

G C G D7
In the nick of time, a hero arose. A funny-looking dog with a big black nose
G C
He flew into the sky to seek revenge
D7 G
But the Baron shot him down--"Curses, foiled again!"

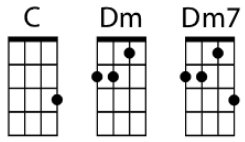

This is a simple 3 chord song, but it has two key changes, meaning it is done in 3 different keys: F#, G, and G#. The entire song here is shown as being in G for simplicity. Use the chord shapes shown for G. For F#, just go down one fret. For G#, go up one fret!

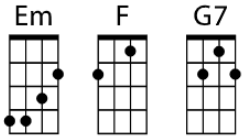

***<Chorus > <then Key Change to G>***
G C
Now, Snoopy swore he'd get that man
G D7
So he asked the Great Pumpkin for a new battle plan
G C
He challenged the German to a real dogfight
D7 G G
While the Baron was laughing, he got him in his sight

***<Key change G#>***
G C G D7
That Bloody Red Baron was in a fix. He'd tried everything, but he'd run out of tricks
G C
Snoopy fired once, and he fired twice
D7 G
And that Bloody Red Baron went spinning out of sight ***<Chorus 2x in G#>***

**Snowbird** Gene MacClellan

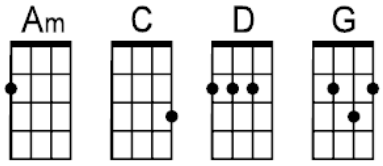

C Em Dm Dm
Beneath this snowy mantle cold and clean
G7 G7 G7 C C
The unborn grass lies waiting for its coat to turn to green
C Em Dm Dm
The snowbird sings the song he always sings
G7 G7 G7 C C
And speaks to me of flowers that will bloom again in spring
C Em Dm Dm
When I was young my heart was young then too
G7 G7 G7 C C
Anything that it would tell me that's the thing that I would do
C Em Dm Dm
But now I feel such emptiness within
G7 G7 G7 C C
For the thing that I want most in life's the thing that I can't win
C Em Dm Dm
Spread your tiny wings and fly away
G7 G7 G7 C C
And take the snow back with you where it came from on that day
C Em Dm Dm
The one I love forever is untrue
G7 G7 G7 C C
And if I could you know that I would fly away with you
C Em Dm Dm
The breeze along the river seems to say
G7 G7 G7 C C
That he'll only break my heart again should I decide to stay
C Em Dm Dm
So little snowbird take me with you when you go
G7 G7 G7 C C
To that land of gentle breezes where the peaceful waters flow

***<Chorus> <Repeat Verse 3> <Chorus>***

# Some Little Bug is Going to Find You (1915)

Silvio Hein, Benjamin Hapgood Burt, Roy Atwell

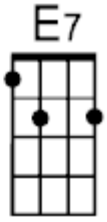

It is **[A]** often time to question in this **[D]** age of indigestion
As to **[A]** what to eat and what to leave **[E7]** alone
Every **[A]** microbe and bacillus has a **[D]** different way to kill us
And in **[A]** time they all will claim us for their **[E7]** own
There are **[A]** germs of every kind in every **[D]** food that you can find
In the **[A]** market or upon the bill of **[E7]** fare
Drinking **[A]** water's just as risky as that **[D]** so-called deadly whisky
And it's **[A]** often a mistake to breathe the **[E7]** air.

Some little **[A]** bug is going to find you **[D]** someday
Some little **[A]** bug will creep behind you **[E7]** someday
Then he'll **[A]** send for his bug friends and all your **[D]** earthly trouble ends
Some little **[A]** bug is going to find you **[E7 – E]** some- **[A]** day

The in-**[A]**viting green cucumber gets most **[D]** everybody's number
While **[A]** sauerkraut brings on softening of the **[E7]** brain
When you **[A]** eat banana fritters every **[D]** undertaker titters
And the **[A]** casket makers nearly go in-**[E7]**sane
Eating **[A]** lobster cooked or plain is only **[D]** flirting with ptomaine
While an **[A]** oyster often has a lot to **[E7]** say
And the **[A]** clams we eat in chowder make the **[D]** angels sing the louder
For they **[A]** know that we'll be with 'em right a-**[E7]**way

Some little **[A]** bug is going to find you **[D]** someday
Some little **[A]** bug will creep behind you **[E7]** someday
Eating **[A]** huckleberry pie is such a **[D]** pleasing way to die
Some little **[A]** bug is going to find you **[E7 – E]** some- **[A]** day

Eat that **[A]** lovely red balogna and you'll **[D]** wear a wood kimona
And your **[A]** relatives will start packing up your **[E7]** stuff
Now at **[A]** breakfast prunes are dandy if a **[D]** stomach pump is handy
And your **[A]** doctor can be found quite soon e-**[E7]**nough
Fried **[A]** liver's nice but mind you friends will **[D]** follow close behind you
And the **[A]** papers, they will have nice things to **[E7]** say
And those **[A]** meals they serve in courses mean a **[D]** hearse and two black horses
So be-**[A]**fore meals many people often **[E7]** pray

Some little **[A]** bug is going to find you **[D]** someday
Some little **[A]** bug will creep behind you **[E7]** someday
And though a **[A]** radish seems nutritious its be-**[D]**havior is quite viscious
Some little **[A]** bug is going to find you **[E7 – E]** some- **[A]** day

# Somewhere Over the Rainbow / Wonderful World

Intro/Outro: C Em F C F E7 Am F

C Am Em F C
Somewhere over the rainbow, way up high
F C G Am F
And the dreams that you dreamed of, once in a lullaby
C Am Em F C
Oh somewhere over the rainbow, bluebirds fly,
F C G Am F
And the dreams that you dreamed of, dreams really do come true
C G Am F
Someday I'll wish upon a star and wake up where the clouds are far behind me
C G Am F
Where trouble melts like lemon drops high above the chimney top, that's where you'll find me
C Am Em F C
Oh somewhere over the rainbow, bluebirds fly
F C G Am F
And the dreams that you dare to, oh why, oh why can't I ?
C Em F C F C E7 Am
Well I see trees of green, red roses too, I'll watch them bloom for me and for you
F G C F C
And I think to myself what a wonderful world
C Em F C F C E7 Am
Well I see skies of blue, I see clouds of white, brightness of day I like the dark
F G C F C
And I think to myself, what a wonderful world
G C G C
The colors of the rainbow, so pretty in the sky, are also on the faces of people passing by
Am Em Am Em Am Em F G
I see friends shaking hands, saying, "How do you do?" They're really saying, I … I love you
C G F C
I hear babies cry and, I watch them grow
F C E7 Am F G C F C
They'll learn much more, than we'll know and I think to myself, what a wonderful world
C G Am F
Someday I'll with upon a star, wake up where the clouds are far behind me
C G Am F
Where trouble melts like lemon drops high above the chimney top, that's where you'll find me
C Am Em F C
Oh somewhere over the rainbow way up high
F C G Am F
And the dreams that you dare to, oh why, oh why can't I ?

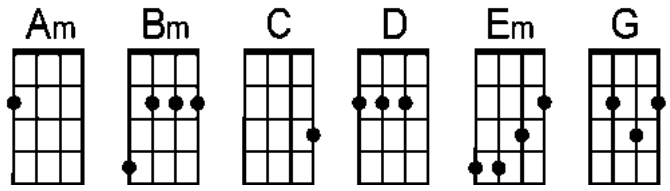

**Song for a Winter's Night** Gordon Lightfoot

G D Em C G D G D
The lamp is burnin' low upon my table top, the snow is softly falling
G D Em C G D G D
The air is still within the silence of my room, I hear your voice softly calling
G D C D Bm Em Am D
If I could only have you near, to breathe a sigh or two
G D Em C
I would be happy just to hold the hands I love
G D G D Em C
On this winter's night with you

G D Em C G D G D
The smoke is rising in the shadows overhead, my glass is almost empty
G D Em C G D G D
I read again between the lines upon the page, the words of love you sent me
G D C D Bm Em Am D
If I could know within my heart that you were lonely too
G D Em C
I would be happy just to hold the hands I love
G D G D Em C
On this winter's night with you

G D Em C G D G D
The fire is dying now my lamp is growing dim, the shades of night are lifting
G D Em C G D G D
The mornin' light steals across my window pane where webs of snow are drifting
G D C D Bm Em Am D
If I could only have you near to breathe a sigh or two
G D Em C
I would be happy just to hold the hands I love
G D B7 G D G
And to be once again with you, and to be once again with you

**Song for Zula** Phosphorescent

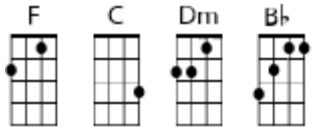

***<Intro, outro, and between each verse:>*** F C Dm Bb

F C Dm Bb
Some say love is a burning thing that it makes a fiery ring
F C Dm Bb
Oh but I know love as a fading thing, just as fickle as a feather in a stream
F C Dm Bb
See, honey, I saw love. You see, it came to me. It put its face up to my face so I could see
F C Dm Bb
Yeah then I saw love disfigure me into something I am not recognizing

F C Dm Bb
See, the cage, it called. I said, "Come on in." I will not open myself up this way again
F C Dm Bb
Nor lay my face to the soil, nor my teeth to the sand. I will not lay like this for days now upon end
F C
You will not see me fall, nor see me struggle to stand
Dm Bb
To be acknowledged by some touch from his gnarled hands
F C Dm Bb
You see, the cage, it called. I said, "Come on in." I will not open myself up this way again

F C Dm Bb
You see the moon is bright in that treetop night I see the shadows that we cast in the cold clean light
F C Dm Bb
My feet are gold. My heart is white. And we race out on the desert plains all night
F C Dm Bb
See, honey, I am not, some broken thing. I do not lay here in the dark waiting for thee
F C Dm Bb
No my heart is gold. My feet are light. And I am racing out on the desert plains all night

F C Dm Bb
So some say love is a burning thing that it makes a fiery ring
F C Dm Bb
Oh but I know love as a caging thing. Just a killer come to call from some awful dream
F C Dm Bb
Oh and all you folks, you come to see, you just stand there in the glass looking at me
F C Dm Bb
But my heart is wild and my bones are steam and I could kill you with my bare hands if I was free

## Sound of Silence  Paul Simon

Dm C C Dm
Hello darkness my old friend, I've come to talk to you again.
Dm// F// Bb// F// F Bb// F//
For the vision softly-y creeping, left its seeds while I wa-as sleeping,
F// Bb Bb F F// Dm//
And the vision that was planted in my brain still remains
F// C Dm
Within the sound of silence.

Dm C C Dm
In restless dreams I walked alone, through narrow streets of cobblestone.
Dm// F// Bb// F// F Bb// F//
Beneath the halo of a-a street lamp, I turned my collar to the cold and damp.
F// Bb Bb F F// Dm//
When my eyes were stabbed by a flash of the neon light, that split the night
F// C Dm
And touched the sound of silence.

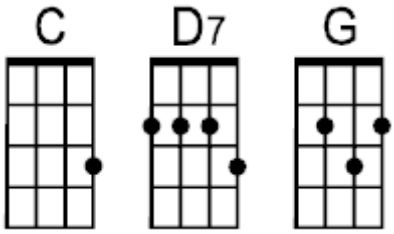

Dm C C Dm
And in the naked light I saw ten thousand people maybe more.
Dm// F// Bb// F// F Bb// F//
People talking withou-out speaking, people hearing withou-out listening.
F Bb Bb F F// Dm//
People writing songs that voices never shared, no one dared
F// C Dm
Disturb the sound of silence.

There are lots of irregular measures in this song. Just follow the map and you'll stay on track!

Dm C C Dm
"Fools," said I, "you do not know, silence like a cancer grows.
Dm// F// Bb// F// F Bb// F//
Hear my words that I mi-ight teach you. Take my arms that I mi-ight reach you."
F// Bb Bb F/// Dm/
But my words like silent raindrops fell
F// Dm// F C Dm
And echoed in the wells of silence.

Dm C C Dm
And the people bowed and prayed to the neon god they made.
Dm// F// Bb// F// F Bb// F//
And the sign flashed out i-its warning, in the words that it wa-as forming
F Bb Bb F
And the sign said: "The words of the prophets are written on the subway walls
F// Dm// F C <pause> Dm
And tenement halls," and whispered in the sounds of silence.

## Steal My Kisses  Ben Harper

When changing from C to D, pass through the C# for one strum.

G C
I pulled into Nashville Tennessee
D G
But you wouldn't even come to see me
G C
You said you were heading up to Carolina
D G
You know I'm gonna be right there behind ya

***<Chorus:>***
G C
Cause I always have to steal my kisses from you
D G
Always have to steal my kisses from you
G C
Always have to steal my kisses from you
D G
Always have to steal my kisses from you

Ben Harper discovered Jack Johnson in 1999 and forwarded a demo tape to his producer who made Johnson's debut album.

G C
Now I love to feel that warm southern rain
D G
Just to hear it fall is the sweetest sounding thang
G C
And to see it fall on your simple country dress
D G
It's like heaven to me I must confess

The rhythm for Steal My Kisses is provided by Rahzel, a rapper and human beat box.

**<Chorus>**

G C
Now I've been hanging round you for days
D G
But when I lean in you just turn your head away
G C
Oooooh no you didn't mean that, she said
D G
I love the way you think but I hate the way you act."

Harper's grandparents ran the Folk Music Center and Museum, which was frequented by Leonard Cohen and Taj Mahal. Taj Mahal gave Harper his first big break.

**Sunshine** Jonathon Edwards

G G G D
Sunshine go away today, I don't feel much like dancing
G G G C C
Some man's gone, he's tried to run my life, don't know what he's asking

G G G D
He tells me I'd better get in line, can't hear what he's saying
G G G C C
When I grow up I'm going to make it mine, but these aren't dues I been paying

C G↓ C G↓
How much does it cost, I'll buy it. The time is all we've lost, I'll try it.
C G F D7 D7
But he can't even run his own life, I'll be damned if he'll run mine, Sunshine

G G G D
Sunshine go away today, I don't feel much like dancing
G G G C C
Some man's gone, he's tried to run my life, don't know what he's asking

G G G D
Working starts to make me wonder where the fruits of what I do are going
G G G C C
He says in love and war all is fair but he's got cards he ain't showing

***<Chorus>***

G G G D
Sunshine come on back another day, I promise you I'll be singing
G G G C C
This old world, she's gonna turn around, brand new bells'll be ringing

C↓ C↓ G↓ D↓ C↓ C↓ G↓ D↓ G

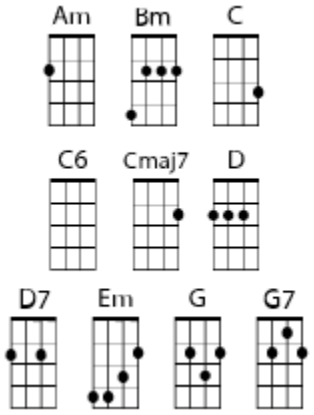

One hit wonder? Maybe. Edward's only chart success was this song from his first solo album. It was only released due to an accident in the studio that erased the intended single. However, he has gone on to release a total of ***17 albums***.

We'll be plannin' out a route, we're gonna take real soon

We're waxing down our surfboards, we can't wait for June
F C
We'll all be gone for the summer, we're on safari to stay

**Each chord shown is 8 beats. This song works best if you play the first 5 beats of each chord, then no strumming for the next 3 beats while you sing.**

Brian Wilson wrote new lyrics to Chuck Berry's "Sweet Little Sixteen" but did not initially credit Berry.

**Sweet as Whole** Sara Bareilles

G D
Sometimes I can be perfectly sweet got the sugary me all stuffed up in my sleeve
Am C
And I talk of ponies and rainbows and things and I'm just who you want me to be
G D
But like most creatures down here on the ground I'm composed of the elements moving around
Am C
I grow and change and I shift and I switch and it turns out I'm actually kind of a bitch
G D
But that only happens when I get provoked by some piece of shit asshole we all sadly know
Am C <slowing to a stop>
And I sit and I write while reminding you all that mean songs are still better than going postal

G D Am C
That guy's an asshole. That girl's a bitch. Baby it's natural. No getting away from it
G D Am// Am7// D// D7// G G
So sing it out with me and then let it go. Fuck that guy he's just an ass - hole

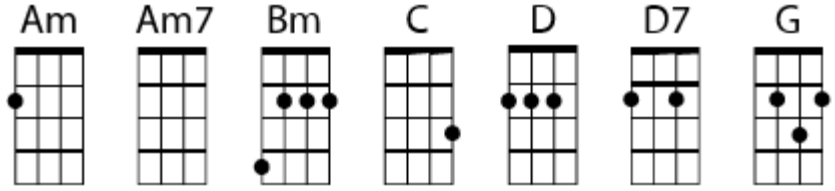

G D
I see I've surprised you with some of my words and I know that surprises while fun still can hurt
Am C
And I hate to think that I've ruined the day of the dick and the queen of the high horse parade
G D Am
But I'm sick and tired of your poisonous ways you're a toxin wasting perfectly good space
C <slowing to a stop>
And I say what I think 'cause it's more economic than drugs or a drink

G D Am C
That guy's an asshole. That girl's a bitch. Baby it's natural. No getting away from it
G D Am// Am7// D// D7// G G
So sing it out with me and then let it go. Fuck that guy he's just an ass - hole

C Bm Am G
And I won't let him in under my skin he's a sad sack of shit, it's pathetic
C Bm Am// Am7// D7↓
Just a festering sore who will never be more than that if I don't let him

G D Am C
That guy's an asshole. That girl's a bitch. Baby it's natural. No getting away from it
G D Am// Am7// D// D7// G G
So sing it out with me and then let it go. Fuck that guy he's just an ass - hole

Big wheels keep on turning.
Carry me home to see my kin
Singing songs about the Southland.
I miss Alabama once again (And I think it's a sin, yes)

Well I heard mister Young sing about her
Well, I heard ol' Neil put her down
Well, I hope Neil Young will remember
A Southern man don't need him around anyhow

Sweet Home Alabama. Lord, I'm coming home to you

**Swinging on a Star** Jimmy Van Heusen, Johnny Burke (1944)

E7 A7 D7 G
Would you like to swing on a star? Carry moonbeams home in a jar
E7 A7 D7 G
And be better off than you are or would you rather be a mule / pig / fish?

G// C// G// C// G// C// G
A mule is an animal with long funny ears, he kicks up at anything he hears
A7 D7 A7 D7
His back is brawny and his brain is weak. He's just plain stupid with a stubborn streak
G// C// G// E7// A7// D7// G
And by the way if you hate to go to school you may grow up to be a mule

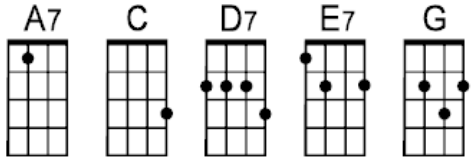

***<Chorus>***

G// C// G// C// G// C// G
A pig is an animal with dirt on his face. His shoes are a terrible disgrace
A7 D7 A7 D7
He's got no manners when he eats his food. He's fat and lazy and extremely rude
G// C// G// E7// A7// D7// G
But if you don't care a feather or a fig you may grow up to be a pig

***<Chorus>***

G// C// G// C// G// C// G
A fish won't do anything but swim in a brook. He can't write his name or read a book
A7 D7 A7 D7
And to fool the people is his only thought, though he's slippery he still gets caught
G// C// G// E7// A7// D7// G
But then if that sort if life is what you wish you may grow up to be a fish

E7 A7 D7 G
All the monkeys aren't in the zoo. Every day you meet quite a few

This is the Doobie Brothers cover arrangement of a Motown song. To get the full Doobie Brothers sound on the verses, play a D chord on beat 4 of every measure. You must play the Gsus2 form of the G. The original music is a single A chord throughout the verse. You need to have that A string in the chord to preserve that sound.

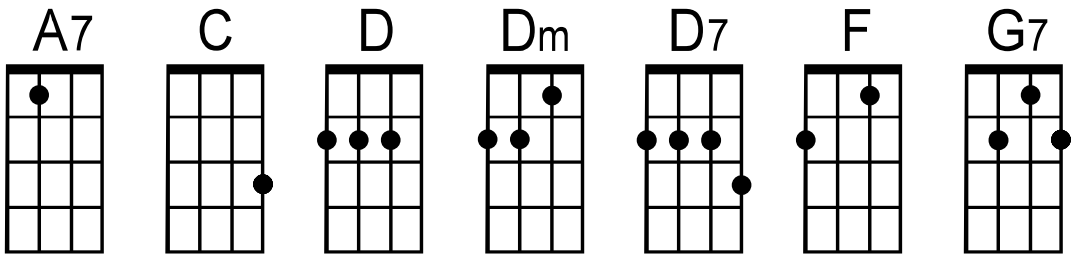

The Kim Weston original is quite different. For that, play all A chords for the verse except play one Gsus2 chord on beat 4 of every other measure.

Graham Nash wrote this song while a member of the Hollies, but it was not recorded until CSNY. On the 1970 recording Jerry Garcia plays the pedal steel guitar. He said that he would play for them if CSNY would teach the Dead how to sing harmony for their next albums.

```
          C                Cmaj7          C7              F
I was dancin' with my darlin' to the Tennessee Waltz

          C                Cmaj7             C7                  F
I introduced him to my loved one and while they were dancin'

```

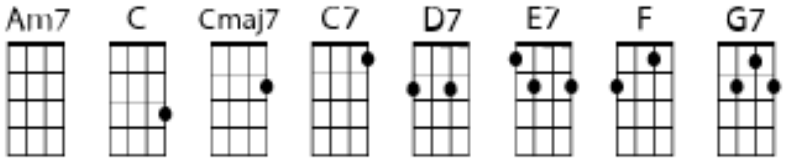

```
          C              E7               F              C
I remember the night and the Tennessee Waltz

Only you know how much I have lost

The beautiful Tennessee Waltz

The following verse was written by Leonard Cohen.

```
          C                      Cmaj7             C7              F
She goes dancin' through the darkness to the Tennessee Waltz
          C              Am7      D7     G7
And I feel like I'm falling apart
          C              Cmaj7            C7              F
And it's stronger than drink and it's deeper than sorrow

# That's Why Tammy Has My Car — The Boxmasters

C C F C
I had a little too much to drink last night and I burned up the dinette set
C C D7 G
And then me and Tammy had a horrible fight about me getting us in debt
C C F C
She locked me out so I could sleep with the dog and she poured out all of my booze
F C Dm// G// C
Later on I heard her sawing logs while me and Fluffy sang the blues

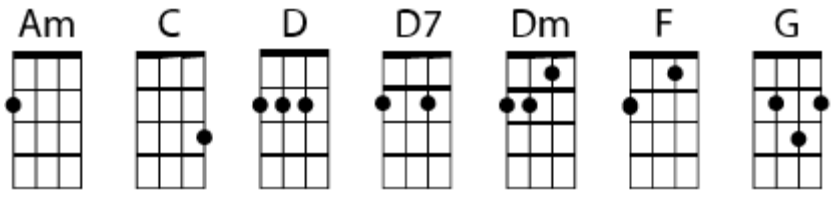

F F C C
Well, I'm a moron (he's a moron). I'm a dummy (he's a dummy)
G G C C
I'm an irresponsible wash out and a debit to my gender
F F C Am
I spent too much time in bars, I let the asshole go too far
Dm G C C
And that's why Tammy has my car

C C F C
Lately I've had time on my hands since I quit that pizza place
C C
Seems I'm better with my liver than my other glands
D7 G
And the ground's best friend is my face
C C F C
Lately I'm drinking out of a bag since Tammy hooked up with that singer
F C Dm// G// C
And every now and then they pass me in my jag and they both throw me the finger

***<Chorus>***

I'm so confused! Buddy Holly and the Three Tunes recorded this song for Decca, but it was never released. His contract prohibited him from re-recording it for 5 years. He recorded it 9 months later for Brunswick, who issued it as performed by "The Crickets." Even though Brunswick was a subsidiary of Decca. So Decca signed Holly yet again, but this time with a different subsidiary, Coral Records.

## This Land is Your Land  Woody Guthrie

G7 C C G G
This land is your land, this land is my land,
D7 D7 G G7
From California to the New York Island,
C C G G
From the redwood forest to the Gulf Stream waters,
D7 D7 G G7
This land was made for you and me.

C C G G
As I went walking that ribbon of highway,
D D G G7
I saw above me that endless skyway.
C C G G7
I saw below me that golden valley.
D7 D7 G G7
This land was made for you and me.

These are the original lyrics from 1944. Other verses have appeared throughout the years, including many by Guthrie himself.

C C G G7
I've roamed and rambled, and followed my footsteps,
D7 D7 G G7
O'er the sparkling sands of her diamond deserts.
C C G G7
And all around me this voice came sounding,
D7 D7 G G7
This land was made for you and me.

C C G G7
I followed your low hills, and I followed your cliff rims,
D7 D7 G G7
Your marble canyons and sunny bright waters,
C C G G7
This voice came calling, as the fog was lifting,
D7 D7 G G7
This land was made for you and me.

C C G G7
As the sun was shining and I was strolling
D7 D7 G G7
Through the wheat fields waving, and the dust clouds rolling.
C C G G7
I could feel inside me and see all around me,
D7 D7 G G7
This land was made for you and me.

# **This Year** White Buffalo (Jake Smith)

**G** Another year older, it came and went, blood and the tears and the money spent
**C** The new year's here with the same old cast, we dance and we drink like it may be our last
**G** Buzzin' waitin' for the countdown to come, feels like slow motion from ten to one
**C** A kiss and the fireworks light the sky, falling apart over Auld Lang Syne
D7 D7 G
Let's focus on this night alone, just hope that we'd make it home alive

G The Earth it turns, spring rushes in; days get longer and nights grow thin
C Mother wakes up a little brighter than before; cold melts away and the gardens grow
G The air is crisp and fields are sweet; grass and the daffodils tickling our feet
C Flowers they bloom and the birds they sing; fill up the day with the songs they bring
D7 D7 G
And I don't feel much like singing at all; seasons change but I don't change at all

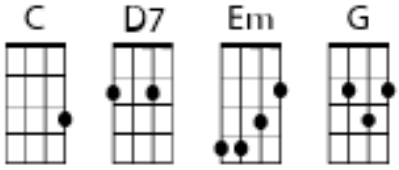

Em C G
Well I've done wrong, well I've done right, that's clear
Maybe I'll get better, maybe I'll be different, this year

G Ooh, here comes summer, well it's comin' in hot; no shirt, no school, give it all you got
C The sun, it calls so let's go outside; toastin' our drinks in the warm sunshine
G The asphalt smoulders in the city streets; you better run fast or you're gonna burn your feet
C Splashin' and yellin' the cannonball; enough love and laughter for one and all
D7 D7 G
Oh the future's future is looking bright; I think that I might get it right after all

G Moody autumn blows in on a summer wind; leaves die off of the trees, never see them again
C Like embers they float into the streets; golden and red and the dance repeats
G Let's close off the curtains, gonna stay inside; no flower, no fruit and the lawns all die
C Well how could it all fall apart so fast; and why would I think it would ever last?
D7 D7 G
When everything is dying, well, how can I feel alive?

Em C G
Oh, life is short, all good things disappear
Maybe I've been lost, maybe I'll get found, this year

G Well the winter and the cold come storming in; kicks down the door and your blood runs thin
C Day's too short and the night's too long; carolers came, I can't sing along
Oh money's all gone, don't know where it went; Christmas ain't easy when you can't pay the rent
C And the lights go out to a silent night; and all you can do is just stay in the fight
D7 D7 G
And I just can't feel the wrong, and I just can't feel the right

Em C G
Oh, life is hard, I've been fighting, I've failed
Maybe I've been lost, don't think I'll get found, this year

Well I've done wrong, well I've done right, that's clear
But maybe I'll get better, maybe I'll be different, next year

**To Sir with Love** Don Black, Marc London

I have included the third verse which was not used in Lulu's movie version.

C C D F C C
Those schoolgirl days of telling tales and biting nails are gone
C C D F C C
But in my mind I know they will still live on and on
B7 Em B7 Em
But how do you thank someone who has taken you from crayons to perfume?
D G D A7
It isn't easy, but I'll try
D Cadd2 D
If you wanted the sky I would write across the sky in letters
Cadd2 D G A7 C6
That would soar a thousand feet high 'To Sir, With Love'

C C D F C C
The time has come for closing books and long last looks must end
C C D F C C
And as I leave I know that I am leaving my best friend
B7 Em B7
A friend who taught me right from wrong and weak from strong
Em D G D A7
That's a lot to learn. What can I give you in return?
D Cadd2
If you wanted the moon I would try to make a start
D Cadd2 D G A7 C6
But I would rather you let me give my heart 'To Sir, With Love'

C C D F C C
Those awkward years have hurried by. Why did they fly away?
C C D F C C
Why is it, sir, children grow up to be people one day?
B7 Em B7 Em
What takes the place of climbing trees and dirty knees in the world outside?
D G D A7
What is there for you I can buy?
D Cadd2 D
If you wanted the world I'd surround it with a wall, I'd scrawl
Cadd2 D G A7 D
These words with letters ten feet tall, 'To Sir, With Love'

**Truckin'** Robert Hunter, Jerry Garcia, Bob Weir, Phil Lesh

D D G7 G7

C1 Truckin' got my chips cashed in. Keep truckin', like the doodah man
C2 Dallas, got a soft machine; Houston, too close to New Orleans
C3 Truckin', like the do-dah man. Once told me "You've got to play your hand"
C4 Truckin', up to Buffalo. Been thinkin', you got to mellow slow
C5 Busted, down on Bourbon Street, set up, like a bowlin' pin.
C6 Truckin', I'm a goin' home. Whoa whoa baby, back where I belong

A7 A7 G7 G7 D (D D D)

C1 Together, more or less in line, just keep truckin' on
C2 Truckin', I'm a goin' home. Whoa whoa baby, back where I belong
C3 Sometimes your cards ain't worth a dime, if you don't lay'em down,
C4 Takes time, you pick a place to go, and just keep truckin' on
C5 Knocked down, it gets to wearin' thin. They just won't let you be
C6 Back home, sit down and patch my bones, and get back truckin' on

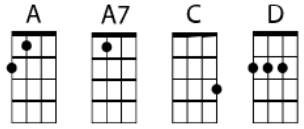

Skip these 3 "D"s when going to the bridge

D Arrows of neon and flashing marquees out on Main Street
Chicago, New York, Detroit and it's all on the same street
Your typical city involved in a typical daydream
Hang it up and see what tomorrow brings ***< then chorus 2>***

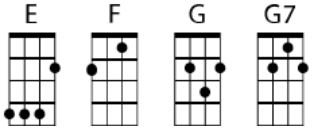

D Most of the cats that you meet on the streets speak of true love,
Most of the time they're sittin' and cryin' at home.
One of these days they know they better get goin'
Out of the door and down on the streets all alone ***<then chorus 3>***

G G// F C// G// G C// G// F//
Sometimes the light's all shinin' on me other times I can barely see
C// G// C A// E E G G D D D D
Lately it occurs to me what a long strange trip it's been

D What in the world ever became of sweet Jane?
She lost her sparkle, you know she isn't the same
Livin' on reds, vitamin C, and cocaine
All a friend can say is "Ain't it a shame?" ***<then chorus 4>***

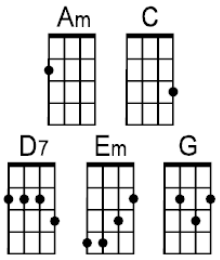

D Sittin' and starin' out of the hotel window.
Got a tip they're gonna kick the door in again
I'd like to get some sleep before I travel,
But if you got a warrant, I guess you're gonna come in ***<then chorus 5>***

D You're sick of hangin' around and you'd like to travel
Get tired of travelin' and you want to settle down
I guess they can't revoke your soul for tryin'
Get out of the door and light out and look all around ***<Bridge> <chorus 6>***

**Vegematic** Steve Goodman and Mike Smith

The main riff for this song consists of four down strums, one per beat, of Dm-Dm-Dm-A.

A Dm / / A Dm / / A A7 Dm / /
Fell asleep last night with the T-V on. Oh, what a dream I had.
*The doorbell rang all morning and into the afternoon.*
I remembered I was dreaming, so I gave a mighty cheer.

A Dm / / A Dm / / A A7 A7sus4 A7
Dreamed I went and answered every single one of those late night mail order ads.
*I shook with fright as it rang all night to the light of the Master Card moon.*
When I awoke, it was no joke, 'cause all that shit was here.

Dm / / A Dm / / A Gm A7 Dm / / A
And four to six weeks later, much to my surprise,
*There was Parcel Post in the pantry, and U.P.S. in the hall,*
So if you fall asleep with the TV on, let me tell you what to do:

Dm F Dm A7 Dm (tacet)
The mailman came to my front door, and I couldn't believe my eyes
*C O D's to the ceiling, and I just couldn't pay for it all.*
Tear the telephone out of the wall unless you want it to happen to you.

Dm (tacet) Gm A7 Dm / / A
When he brought the Vegematic, and the Pocket Fisherman too,
*When they brought the egg scrambler, with a Seal-a-Meal carrying case,*
You'll get the Vegematic, and the Pocket Fisherman too,

Dm F Dm A A7
Illuminated illustrated history of life, and Boxcar Willie with a Ginzu knife,
*A set of presidential commemorative plates so I could eat my eggs off the president's face*
Illuminated illustrated history of life, and Boxcar Willie with a Ginzu knife,

Dm (tacet) Gm A7 Dm / / A
A bam - boo steamer, and a Garden Weasel too,
*A Mi - nute Mender, and a needle that'll knit or crochet,*
A bamboo steamer, and a smokeless ashtray too

Dm F Dm A7 Dm / / A
And a tie-dyed, day-glow souvenir shirt from Six Flags Over Burbank.
*And an autographed photograph of Rin Tin Tin at Six Flags Over Burbank.*
And an all expenses paid weekend for three at Six Flags Over Burbank.

**Waiting for Me** Edie Brickell

G G
You call me up on a Saturday night
Em Em
Half intoxicated with a crazy bunch of guys
C C
Say you're at a party and I really ought to come
D7 D7 G G
Then you hold the phone up so that I can hear the hot drumbeat

Em Em C C G G
If you're waiting for me, if you're waiting for me, you'll be waiting for a long time

G G
I don't wanna leave out all the fun and happiness
Em Em
I don't wanna walk away from love and tenderness
C C
I'll be on the sofa watchin' rented videos
D7 D7 G G
I'll be gettin' closer to the one who satisfies my soul

Em Em C C G G
If you're waiting for me, if you're waiting for me, you'll be waiting for a long time

One day I will turn around and they will all be grown

**Waiting for the World to End** The Mavericks

F F F C
You're overstating, pontificating, the meaning of your life, my friend
C C C F
I tell you one thing, but not for nothing, we're all waiting for the world to end

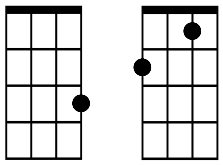

F F F C
And you may enter the gates of heaven, while some are dying to be born again
C C C F
It's intuition, not superstition; we're all waiting for the world to end

F F F C
Do you believe in things unseen, or are you one of those that just pretends
C C C F
Are you aware, let me be clear, we're all waiting for the world to end

F F F C
So if you must hang on to love, it's only disbelief you must suspend
C C C F
Oh, by the way, it's way too late, we're all waiting for the world to end

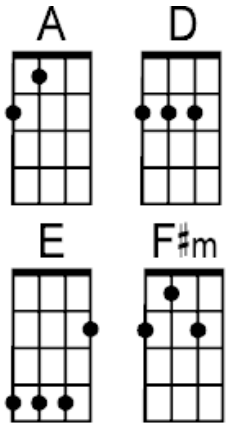

F F F C
And blind ambition, like double vision, will never show you what's around the bend
C C C F
I'm double-guessing why you're obsessing, when we're all waiting for the world to end

F F F C
So in conclusion here's the solution, just live your life until you die, my friend
C C C F
Have no regrets and don't forget, we're all waiting for the world to end

**Waiting on the World to Change** John Mayer

A F#m D A
Me and all my friends, we're all misunderstood.
E F#m D A
They say we stand for nothing, and there's no way we ever could.
A F#m D A
Now we see everything thats going wrong with the world and those who lead it
E F#m D A
We just feel like we don't have the means to rise above and beat it.
A F#m D A
So we keep waiting, waiting on the world to change.
E F#m D A
We keep on waiting, waiting on the world to change.
A D F#m D
It's hard to beat the system, when you're standing at a distance,
E F#m D A
So we keep waiting, waiting on the world to change.
A F#m D A
Now if we had the power to bring our neighbors home from war
E F#m D A
They would have never missed a Christmas, no more ribbons on their door
A F#m D A
And when you trust your television, what you get is what you got
E F#m D A
Cause when they own the information, oh, they can bend it all they want
A F#m D A
That's why we're waiting, waiting on the world to change
E F#m D A
We keep on waiting, waiting on the world to change
A D F#m D
It's not that we don't care, we just know that the fight ain't fair
E F#m D A
So we keep on waiting, waiting on the world to change
A F#m D A
And we're still waiting, waiting on the world to change
E F#m D A
We keep on waiting, waiting on the world to change
A D F#m D
One day our generation, is gonna rule the population
E F#m D A
So we keep on waiting, waiting on the world to change
E F#m D A
Now we keep on waiting, waiting on the world to change
E F#m D A
We keep on waiting, waiting on the world to change.

## The Walk — Mayer Hawthorne

**F Bb F Bb**
So long you did me wrong, so long you did me wrong
**F Bb F Bb**
Baby, what you're doing now you're pissin' me off
**F Bb F Bb**
Uhh but your hair is so luxurious and your lips are so soft uuh
**F Bb F Bb**
Any way you slice it uh, you're doing me wrong
**F Bb F Bb**
But I love the way you walk now and your legs are so long.

**F Bb**
Well your looks had me putty in your hand now
**F Bb**
But I took just as much as I can stand now
**F Bb F Bb**
And you can walk your long legs baby out of my life, so long, you did me wrong
Yeah you can walk your long legs baby right out of my life, so long, you did me wrong

From the moment that I met you I thought you were fine, so fine
But your shitty fuckin' attitude has got me changing my mind, yeah
Everybody tells me uuh, I need to let go, I know
But your cocoa butter skin now has got me beggin' for more
Well your heels keep on runnin' through my head now
Tryin' to deal but I'm coming to the end now

And you can walk those high heels baby right out of my life, so long, you did me wrong
Yeah you can walk those high heels baby right out of my life, so long you did me wrong

**Am Am Dm Dm**
Tell me why, why do you turn the blue skies cloudy grey
**Am Am Dm Dm**
You know I, I can't let you keep treatin' me this way

**F Bb F Bb**
You've been chuckin' me around but uhh, I kept my eyes shut yeah
Cause your shape is like an hourglass but I think the time's up
Well your heart is like a blackened piece of coal now
And I doubt that you ever had a soul now

And you can walk your coal heart baby out of my life, so long, you did me wrong
Yeah you can walk your coal heart baby right out of my life, so long you did me wrong

# Wanting Memories

Ysaya Barnwell

D D A7 D
I am sitting here wanting memories to teach me to see the beauty in the world through my own eyes
I am sitting here wanting memories to teach me to see the beauty in the world through my own eyes

G D G D
You said you'd rock me in the cradle of your arms. You said you'd hold me 'til the storms of life were gone
G D
You said you'd comfort me in times like these and now I need you.
A7 A7 D D
Now I need you and you are gone

D D A7 D
I am sitting here wanting memories to teach me to see the beauty in the world through my own eyes
D D A7 D
Since you've gone and left me, there's been so little beauty but I know I saw it clearly through your eyes

G D G D
Now the world outside is such a cold and bitter place. Here inside I have few things that will console
G D
And when I try to hear your voice above the storms of life
A7 A7 D D
Then I remember all the things that I was told

***<repeat 1st chorus>***

G D
I think on the things that made me feel so wonderful when I was young
G D
I think on the things that made me laugh , made me dance, made me sing
G D
I think on the things that made me grow into a being full of pride
A7 A7 D D
I think on these things for they are true

D D A7 D
I am sitting here wanting memories to teach me to see the beauty in the world through my own eyes
D D A7 D
I thought that you were gone but now I know you're with me. You are the voice that whispers all I need to hear

G D
I know a "Please", a "Thank you", and a smile will take me far
G D
I know that I am you and you are me and we are one
G D
I know that who I am is numbered in each grain of sand
A7 A7 D D
I know that I am blessed, again, and again, and again, and again, and again

An Irish potato started to cry when a Spanish onion hit its eye

Safely walk to school without a sound. ***<repeat this line then D D>***

D D D D
Well here we are, no one else, we walk to school all by ourselves
G G D D
There's dirt on our uniforms from chasing all the ants and worms
A G D D
We clean up and now it's time to learn ***<repeat this line then D D>***

D D D D
Numbers letters learn to spell, nouns and books and show and tell
G G D D
Play time we will throw the ball, then back to class, through the hall
A G D D
The teacher marks our height against the wall ***<repeat this line D D>***

G G D D G G D D
We don't notice any time pass, 'cause we don't notice anything
E E E E
We sit side by side in every class

The teacher thinks that I sound funny, but she likes it when you sing

D D D D
Tonight I'll dream in my bed while silly thoughts run through my head

A G D D
That you and I will walk together again
'Cause I can tell that we are going to be friends
I can tell that we are going to be friends

Mini-notation lessons: 1) A "SUS" chord with no number is always assumed to be "sus4". 2) An "Fadd9" is F-A-C-G. "Fadd2" is F-G-A-C. Of course, the chord shown here is "C-F-G-A", which I guess would be "F/C(add2)"? "add2" is intended and it matches the diagram, despite the name on the diagram.

**The Wedding Song** Noel Paul Stookey

```
        I              V                IV              I
He is now to be among you at the calling of your hearts
 VIm                I              V              V
Rest assured this troubadour is acting on his part
      I                V                IV                I
The union of your spirits here has caused him to remain
       VIm                I                V                V
For whenever two or more of you are gathered in his name
           IV   IV   IV   IV            I    IIm   IV  I
There is love,               there is love

         I                    V              IV                    I
Well a man shall leave his mother and a woman leave her home
VIm                I              V              V
They shall travel on to where the two shall be as one
        I              V            IV             I
As it was in the beginning, is now until the end
 VIm                I                    V              V
Woman draws her life from man and gives it back again
                IV   IV   IV   IV              I    IIm   IV  I
And there's love,                 there is love

            IV             IV             V                    I
Well then what's to be reason for becoming man and wife
      IV                    IV       V                    I
Is it love that brings you here, or love that gives you life
        I              V              IV                I
For if loving is the answer, then who's the giving for?
    VIm                I                    V              V
Do you believe in something that you've never seen before?
           IV   IV   IV   IV            I    IIm   IV  I
There is love,               there is love

**What Have You Done to Lift Somebody Up** Paul Thorn

```
          G
I know a woman she lives down the road
                                    D7
Her husband passed away 2 years ago
                  G                      C
She has lonely nights when teardrops fall

So pick up your telephone give her a call

What have you done to lift somebody up?
                   Am                                D7
When have you helped someone who's got it rough?
                 G                                  C
Oh we can change the world with a little love

What have you done to lift somebody up?

A little boy struck out in a baseball game
                                    D7
Couldn't face his father he felt so ashamed
                     G                      C
Daddy said don't worry I'm proud of you son

You don't have to win to be number one!
```

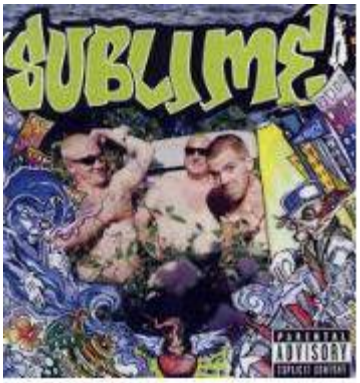

***<Chorus>***

```
          C                  G
We all need to do a little more
                        C                          D7
Cause you can't be rich if your neighbors are poor

**What I Got** Brad Nowell, Eric Wilson, Floyd Gaugh, Lindon Roberts

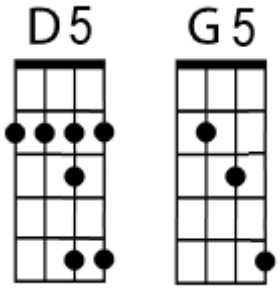

D G D G
Early in the morning, risin' to the street
Light me up that cigarette and I strap shoes on my feet
Got to find a reason, a reason things went wrong
Got to find a reason why my money's all gone
I got a dalmatian, and I can still get high
I can play the guitar like a motherfucking riot

D G
Well, life is too short, so love the one you got
'Cause you might get run over or you might get shot
Never start no static I just get it off my chest
Never had to battle with no bulletproof vest
Take a small example, take a tip from me
Take all of your money, give it all to charity
Love is what I got, it's within my reach
And the Sublime style's still straight from Long Beach
It all comes back to you, you'll finally get what you deserve
Try and test that you're bound to get served
Love's what I got, don't start a riot
You'll feel it when the dance gets hot

D G D G
Lovin' is what I got, I said remember that ***<4 times total>***

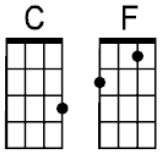

D G
Why I don't cry when my dog runs away
I don't get angry at the bills I have to pay
I don't get angry when my Mom smokes pot
Hits the bottle and goes right to the rock
Fuckin' and fightin', it's all the same
Livin' with Louie dog's the only way to stay sane
Let the lovin', let the lovin' come back to me

***<Chorus>***

If you want to replicate the Sublime sound, try using the chords shown here. Use your middle finger on fret 3 as an unmoving anchor.

**What It Means** Drive By Truckers

C He was running down the street when they shot him in his tracks
F About the only thing agreed upon is he ain't coming back
C There won't be any trial so the air it won't be cleared
F There's just two sides calling names out of anger out of fear
C If you say it wasn't racial when they shot him in his tracks
F Well I guess that means that you ain't black, it means that you ain't black
C I mean Barack Obama won and you can choose where to eat
F But you don't see too many white kids lying bleeding on the street

C In some town in Missouri, but it could be anywhere
F It could be right here on Ruth Street, in fact it's happened here
C And it happened where you're sitting, wherever that might be
F And it happened last weekend, and it will happen again next week
C And when they turned him over they were surprised there was no gun
F I mean he must have done something or else why would he have run
C And they'll spin it for the anchors on the television screen
F So we can shrug and let it happen without asking what it means

C C C C F F F F C C C C F F F F
What it means? What it means?

C Then I guess there was protesting and some looting in some stores
F And someone was reminded they ain't called colored folks no more
C I mean we try to be politically correct when we call names
F But what's the point of post-racial when old prejudice remains?
C And that guy who killed that kid down in Florida standing ground
F Is free to beat up on his girlfriend and wave his brand new gun around
C While some kid is dead and buried and laying in the ground
F With a pocket full of skittles

***<Chorus>***

C Astrophysics at our fingertips and we're standing at the summit
F And some man with a joystick lands a rocket on a comet
C We're living in an age where limitations are forgotten
F The outer edges move and dazzle us but the core is something rotten
C And we're standing on the precipice of prejudice and fear
F We trust science just as long as it tells us what we want to hear
C We want our truths all fair and balanced as long as our notions lie within it
F There's no sunlight in our asses and our heads are stuck up in it
C And our heroes may be rapists who watch us while we dream
F But don't look to me for answers cuz I don't know what it means

***<Chorus>***

## Who knew?

Grace Slick was a member of the short-lived band, “Great Society.” Their first producer was a young man named Sylvester Stewart, who had yet to form “Sly and the Family Stone.” “Great Society” released the song “Somebody to Love” in 1966. The band also performed Slick’s “White Rabbit.” She then joined Jefferson Airplane as a replacement singer. So, two of Airplane’s biggest hits were, in fact, cover songs.

**Willie and the Hand Jive** Johnny Otis

The Hand Jive was a style of dancing using mainly the hands in a crowded Soho club: *The Cat's Whiskers*. This song is perhaps the fourth one to celebrate the Hand Jive. The movements that are now associated with the Hand Jive first appeared in the movie "*Grease*." Prior to that, the Hand Jive was not any particular set of moves.

Back in a simpler time, rural telephone systems were often owned and operated by the county. Hence, a lineman for the county maintained the telephone lines.

Glen Campbell asked Jimmy Webb to write him a "place" song. Webb sent him this unfinished song. It lacks a middle section and a third verse. Campbell recorded it as is, and the rest is history.

# Would You Like to Play the Guitar (tune: Swinging on a Star)

Intro: A7 D7 G

E7 A7 D7 G
Would you like to play the guitar? Carry money home in a jar
E7 A7 D7 G
From a coffeehouse or a bar, or would you rather get a job?

G C G C G C G
A job is the thing that makes you get out of bed and work every day until your dead.
A7 D7
Your back is achin' and your brain is numb
A7 D7
And you just can't wait until the weekend comes
G C G E7 A7 D7 G
But if you don't want to starve or beg or rob, you're gonna have to get a job.

E7 A7 D7 G
Or would you like to play the guitar? Drive for miles and miles in your car
E7 A7 D7 G
And pretend that you're a big star, or would you rather book the gig?

G C G C G C G
An agent's the guy who takes his twenty percent, what he says ain't always what he meant.
A7 D7
He'll clean you out in ways you never thought
A7 D7
Because he's good at business and he knows you're not
G C G E7 A7 D7 G
And then he'll sue if you ever make it big, 'cause he's the guy who booked the gig.

E7 A7 D7 G
Or would you like to play the guitar? For a living – har-dee-har-har
E7 A7 D7 G
I'll admit it's kind of bizarre, or would you rather be the wife?

G C G C G C G
The wife is the one who has to rescue their butts. She's either a saint or else she's nuts.
A7 D7
She gets impatient and she gets annoyed
A7 D7
'Cause she's the one who must remain employed
G C G E7 A7 D7 G

# The Wreck of the Edmund Fitzgerald  Gordon Lightfoot

Intro: Asus2 A11 Dsus4 D Asus2 A11 D Asus2

**Every line: Asus2 Em G D Asus2**

The legend lives on from the Chippewa on down of the big lake they call Gitche Gumee
The lake, it is said, never gives up her dead when the skies of November turn gloomy
With a load of iron ore twenty-six thousand tons more than the Edmund Fitzgerald weighed empty
That good ship and true was a bone to be chewed when the gales of November came early

The ship was the pride of the American side coming back from some mill in Wisconsin
As the big freighters go, it was bigger than most with a crew and good captain well seasoned
Concluding some terms with a couple of steel firms when they left fully loaded for Cleveland
And later that night when the ship's bell rang could it be the north wind they'd been feeling

A A11 Dsus4 D Asus2

The wind in the wires made a tattle-tale sound and a wave broke over the railing
And every man knew, as the captain did too, twas the witch of November come stealing
The dawn came late and the breakfast had to wait when the Gales of November came slashing
When afternoon came it was freezing rain in the face of a hurricane west wind

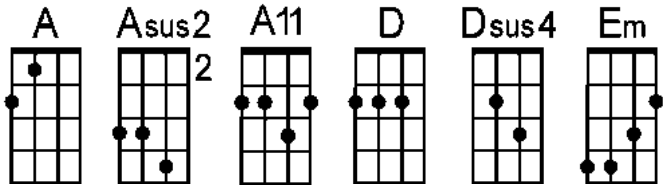

A A11 Dsus4 D Asus2 A11 D Asus2

When suppertime came, the old cook came on deck saying, ‘Fellas, it's too rough to feed ya’
At seven PM a main hatchway caved in, he said, ‘Fellas, it's been good to know ya ‘
The captain wired in he had water coming in and the good ship and crew was in peril
And later that night when his lights went out of sight came the wreck of the Edmund Fitzgerald

Does any one know where the love of God goes when the waves turn the minutes to hours
The searchers all say they'd have made Whitefish Bay if they'd put fifteen more miles behind her
They might have split up or they might have capsized they may have broke deep and took water
And all that remains is the faces and the names of the wives and the sons and the daughters

Lake Huron rolls, Superior sings in the rooms of her ice water mansion
Old Michigan steams like a young man's dreams, the islands and bays are for sportsmen
And farther below Lake Ontario takes in what Lake Erie can send her
And the iron boats go as the mariners all know with the Gales of November remembered

In a musty old hall in Detroit they prayed, in the Maritime Sailors' Cathedral
The church bell chimed til it rang twenty-nine times for each man on the Edmund Fitzgerald
The legend lives on from the Chippewa on down of the big lake they call Gitche Gumee
Superior, they said, never gives up her dead when the gales of November come early

**Good King Wenceslas** Lyrics J.M Neale, Tune ~ 13th century

G Em C G
Good King Wenceslas looked out on the Feast of Stephen

When the snow lay round about deep and crisp and even

Brightly shone the moon that night though the frost was cruel

When a poor man came in sight gathering winter fu - u - el

Bring me flesh and bring me wine, bring me pine logs hither
Thou and I shall see him dine when we bear them thither

Sire, the night is darker now and the wind blows stronger

**Go Tell It On the Mountain** John Wesley Work, Jr.

D A D
Go tell it on the mountain, over the hills and everywhere
D A7 D
Go tell it on the mountain, that Jesus Christ is born

D A D
While shepherds kept their watching, o'er silent flocks by night
D A A7
Behold throughout the heavens, there shone a holy light

D A D
The shepherds feared a trembled, when lo! above the earth
D A A7
Rang out the angel chorus that hailed our Saviour's birth

D A D
Down in a lowly manger, the humble Christ was born
D A A7
And brought us God's salvation, that blessed Christmas morn!

# Grandma Got Run Over By a Reindeer

Randy Brooks

D G
Grandma got run over by a reindeer, walking home from our house Christmas eve
D A D
You can say there's no such thing as Santa, but as for me and Grandpa we believe

Bm A D
She'd been drinking too much egg nog, and we begged her not to go
G Em A D
But she forgot her medication, and she staggered out the door into the snow

Bm A D
When we found her Christmas morning at the scene of the attack
G Em A D
She had hoofprints on her forehead, and incriminating Clause marks on her back

***<Chorus>***

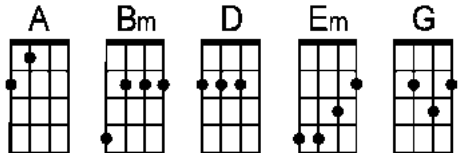

Bm A D
It's not Christmas without Grandma, all the family's dressed in black
G Em A D
And we just can't help but wonder, should we open up her gifts or sent them back

Bm A D
Now we're all so proud or Grandpa, he's been taking this so well
G Em A D
See him in there watching football, drinking beer and playing cards with cousin Mel

***<Chorus>***

Bm A D
Now the goose is on the table, and the pudding made of fig
G Em A D
And the blue and silver candles, that would just have matched the hair in Grandma's wig

Bm A D
I've warned all my friends and neighbors, better watch out for yourselves
G Em A D
They should never give a license, to a man who drives a sleigh and plays with elves

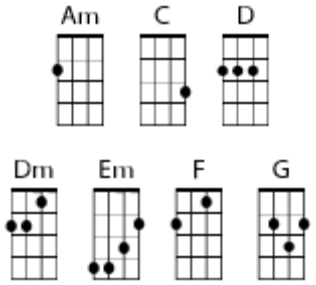

***<Chorus>***

  C                                                      G7
Rudolph the red-nosed reindeer had a very shiny nose
                                                        C
And if you ever saw it, you would even say it glows

They never let poor Rudolph, join in any reindeer games

## **Snoopy's Christmas** George Davie Weiss, Hugo and Luigi

C G G C
The news had come out in the First World War. The bloody Red Baron was flying once more
C F G C C
The Allied command ignored all of its men and called on Snoopy to do it again.

C G G C
Twas the night before Christmas, 40 below when Snoopy went up in search of his foe

He spied the Red Baron, fiercely they fought; with ice on his wings Snoopy knew he was caught.

F                                      C        G7      C
Mind the music and the step and with the girls be handy!
```

Did ever a song make less sense than Yankee Doodle? Well, here is the unofficial history of Yankee Doodle: Doodle comes from the German dödel, which is a simpleton. The Macaroni's were a male fad in London for ridiculously outlandish dress and hair (a "dandy"), including a "macaroni wig". So, the song basically says: Stupid Yankee went to town, stuck a feather in his head, and thought he was stylish.

Why on earth would that be a patriotic song? The lyrics were made up by the British and sung to the tune of a nursery rhyme to make fun of the backwards colonists during the French-Indian war. After the Battle of Lexington and Concord during the Revolutionary War, the patriots made the British soldiers dance endlessly to the song as punishment. When that was reported in Boston, the Americans adopted the formerly mocking song as their own.

```
 I                V7              I            V7
Yankee Doodle went to town a'riding on a pony
 I                IV              V7             I
Stuck a feather in his hat and called it macaroni.

IV                               I
Yankee Doodle, keep it up. Yankee Doodle dandy.
 IV                                    I        V7      I
Mind the music and the step and with the girls be handy!
```

Simple songs are great for learning new things. The second version of Yankee Doodle is written using numbered chords. Learning a song with numbered instead of lettered chords makes is much easier to transpose. It also makes it much easier to recognize when songs in different keys actually have the exact same chord pattern and helps you recognize that these same patterns occur over and over again!

Father and I went down to camp,
Along with Captain Gooding;
And there we saw the men and boys,
As thick as hasty pudding.

There was Captain Washington
Upon a slapping stallion,
A-giving orders to his men,
I guess there was a million.

And then the feathers on his hat,
They looked so' tarnal fin-a,
I wanted pockily to get
To give to my Jemima.

And then we saw a swamping gun,
Large as a log of maple;
Upon a deuced little cart,
A load for father's cattle.

And every time they shoot it off,
It takes a horn of powder;
It makes a noise like father's gun,
Only a nation louder.

I went as nigh to one myself,
As' Siah's underpinning;
And father went as nigh agin,
I thought the deuce was in him.

We saw a little barrel, too,
The heads were made of leather;
They knocked upon it with little clubs,
And called the folks together.

And there they'd fife away like fun,
And play on cornstalk fiddles,
And some had ribbons red as blood,
All bound around their middles.

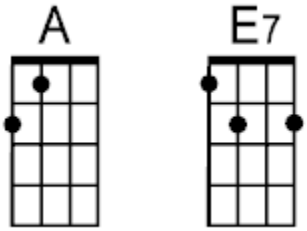

The troopers, too, would gallop up
And fire right in our faces;
It scared me almost to death
To see them run such races.

Uncle Sam came there to change
Some pancakes and some onions,
For' lasses cake to carry home
To give his wife and young ones.

But I can't tell half I see
They kept up such a smother;
So I took my hat off, made a bow,
And scampered home to mother.

Cousin Simon grew so bold,
I thought he would have cocked it;
It scared me so I streaked it off,
And hung by father's pocket.

*Extra Choruses*

2 YES! we have no bananas; we have no bananas today.
Our eggs are delicious
But they get suspicious
They look like they passed away
And if you try some of our spin-ISH
We'll tell you your finish
But, YES! we have no bananas, we have no bananas today.

3 YES! we have no bananas; we have no bananas today.
We'll sell you some Swiss cheese,
When you open up this cheese
It gets up and walks away,
We got those IM-ported STRUM-berries,
COO-cum-bers and cherries,
But, YES! we have no bananas; we have no bananas today.

4 YES! we have no bananas; we have no bananas today.
Our grapefruit I'll bet you,
Is not gonna wet you,
We drain them out every day.
We got those hen fruit, have you tried 'em,
Live chickens inside 'em,
But, YES! we have no bananas; we have no bananas today.

5 YES! we have no bananas; we have no bananas today.
We just killed a pony,
So try our bologny
It's flavored with oats and hay.
We have those New Hamp-SHY-re squashes
They taste like go-LAH-shes
But, YES! we have no bananas, we have no bananas today.

Our famous cucumbers,
Were tested by plum-BERS,
And they cannot leak they say.
We have some nice fresh vege-TAY-bles
Just look at the labels
But, YES! we have no bananas; we have no bananas today.

7 YES! we have no bananas, we have no bananas today.
We have aspar-AY-gus,
That's good for lum-BAY-gus,
And grapefruit that's turning gray.
And you can take home for the WIM-mens,
Nice juicy per-SIM-mons,
But, YES! we have no bananas; we have no bananas today.

But, YES! we have no bananas, we have no bananas today.

*Last Chorus*
YES! we have no bananas; we have no bananas today.
This song isn't pretty,
But still it's a ditty,
That grows on you day by day.
And you can all do something for us
Just join in the chorus.

**You and Me on the Rock** Brandi Carlile

C Fadd2
They build wooden houses on frozen ponds in the summertime when the water's gone
Fadd2 C
Diagonal lines in their rolled-out lawns and the sage always smells so pretty
C Fadd2
But nobody cares where the birds have gone when the rain comes down on Babylon
Fadd2 C
The stonemason's phone rings all day long and you gotta get back to the city

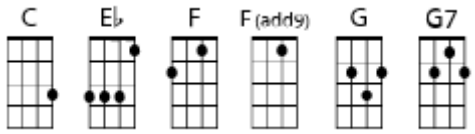

F G7
I build my house up on this rock, baby, every day with you
C Fadd2
There's nothin' in that town I need after everything we've been through
F G7
Me out in my garden and you out on your walk
C Fadd2
Is all the distance this poor girl can take without listenin' to you talk
G7 Fadd2// C C
I don't need their money, baby, just you and me on the rock

C Fadd2
I built paper planes when I learned to fly like a 747 fallin' out of the sky
Fadd2 C
I folded 'em crooked and now I'm wonderin' why I could always end up in the water
C Fadd2
But nobody's askin' why she lookin' so thin why she's laughin' too hard, why she drinkin' again
Fadd2 C
A falling star, she's a paper plane, and she was goin' down when you caught her

It's an earthquake, it's a harder wind. It's a record-breakin' tide and it is rollin' in

It's a big sea, but it can't touch you and me. It's just a water view, and what a view

I don't need their money, baby. It's you and me on the rock

# You are My Sunshine

Paul Price (Jimmy Davis and Charles Mitchell)

**<Chorus:>**

```
          G                    G7
You are my sunshine, my only sunshine,
          C                       G
You make me happy when skies are gray
          C                       G
You'll never know dear, how much I love you
                    D7        G
Please don't take my sunshine away

          G                    G7
The other night, dear, as I lay sleeping
          C              G
I dreamed I held you in my arms
          C                    G
When I awoke dear, I was mistaken
                D7              G
And I hung my head down and cried

          G                         G7
I'll always love you and make you happy
          C              G
If you will only say the same
          C                    G
But if you leave me, and love another
                D7        G
You'll regret it all some day

          G                    G7
You once told me, you really loved me
          C                    G
And no one else could come between
                C              G
But now you've left me, to love another
                    D7        G
And you've shattered all of my dreams

          G                         G7
In all my dreams, dear, you seem to leave me
          C                    G
When I awake my poor heart pains
                C                        G
When you come back dear, and make me happy
                    D7        G
I'll forgive you and take all the blame
```

The Pine Ridge Boys with Paul Price recorded this song in 1939. Jimmy Davis bought the rights to the song for $25 and took out the copyright. Davis and Mitchell are named on the copyright, but never claimed to author the song. Paul Price claimed to have written it in 1937.

There are many who claim to have heard the song much earlier in the '30s. A strong case has been made that it was written by Oliver Hood, who at the time would not have considered copyrighting his songs.

The true author of the song cannot be confirmed.
