[C] . . . [C] . . . [C] [C] . . .

[C] Get your motor runnin'
[C] Head out on the highway
[C] Lookin' for adventure
[C] And whatever comes our way

[Bb] Yeah [F] darlin' gonna [C] make it happen
[Bb] Take the [F] world in a [C] love embrace
[Bb] Fire all [F] of your [C] guns at once and
[Bb] Ex[F]plode into [C] space . . .

[C] I like smoke and lightning
[C] Heavy metal thunder
[C] Racin' with the wind
[C] And the feelin' that I'm under

[Bb] Yeah [F] darlin' gonna [C] make it happen
[Bb] Take the [F] world in a [C] love embrace
[Bb] Fire all [F] of your [C] guns at once and
[Bb] Ex[F]plode into [C] space . . .

Like a [C] true nature's child
We were [Bb] born, born to be wild
We can [F] climb so high
I [Bb] never want to [C] die . . . [C] . . .
[C] Born to be [Bb] wi [F] iild [C] . . . [Bb] . [F] .
[C] Born to be [Bb] wi [F] iild [C] . . . [Bb] . [F] .
