There's something happenin' here what it is ain't exactly clear

There's a man with a gun over there telling me I got to beware

I think it's time we stop children what's that sound

Everybody look what's goin' down

There's battle lines being drawn nobody's right if everybody's wrong

Young people speaking their minds gettin' so much resistance from behind

It's time we stop hey what's that sound

Everybody look what's goin' down

What a field day for the heat a thousand people in the street

Singin' songs and they carrying signs mostly say hoo-ray for our side

It's time we stop hey what's that sound

Everybody look what's goin' down

Par-a-noi-a strikes deep into your life it will creep

It starts when you're always afraid

Ya step out of line the man come and take you a-way

We better stop hey what's that sound everybody look what's goin' ...

You better stop hey what's that sound everybody look what's goin' ...

You better stop now what's that sound everybody look what's goin' ...

You better stop children what's that sound

Everybody look what's goin' down
