[G] Try to re-**[Em]**member the **[C]** kind of **[D7]** September,
when **[G]** life was **[Em]** slow and **[C]** oh, so **[D7]** mellow.

[G] Try to re-**[Em]**member the **[C]** kind of **[D7]** September,
when **[G]** grass was **[Em]** green and **[C]** grain so **[D7]** yellow.

[G] Try to re-**[Em]**member the **[C]** kind of **[D7]** September,
when **[G]** you were a **[Em]** young and a **[C]** callow **[D7]**
fellow.

[G] Try to re-**[Em]**member, and **[C]** if you re-**[D7]**member,
then **[G]** follow **[Em]**...**[C]** follow **[D7]**

[G] [Em] [C] [D]

[G] Try to re-**[Em]**member when **[C]** life was so **[D7]** tender,
that **[G]** no one **[Em]** wept ex-**[C]**cept the **[D7]** willow.

[G] Try to re-**[Em]**member when **[C]** life was so **[D7]** tender,
that **[G]** dreams were **[Em]** kept be-**[C]**side your **[D7]** pillow.

[G] Try to re-**[Em]**member when **[C]** life was so **[D7]** tender
that **[G]** love was an **[Em]** ember a-**[C]**bout to **[D7]** billow.

[G] Try to re-**[Em]**member and **[C]** if you re-**[D7]**member,
then **[G]** follow **[Em]** ...**[C]** follow **[D7]**

[G] [Em] [C] [D7] [G] [Em] [C] [D7]

[G] Deep in De-**[Em]**ember it's **[C]** nice to re-**[D7]**member,
al-**[G]**though you **[Em]** know the **[C]** snow will **[D7]** follow.

[G] Deep in De-**[Em]**ember it's **[C]** nice to re-**[D7]**member,
with-**[G]**out a **[Em]** hurt the **[C]** heart is **[D7]** hollow.

[G] Deep in De-**[Em]**ember it's **[C]** nice to re-**[D7]**member,
the **[G]** fire of Sep-**[Em]**tember that **[C]** made you **[D7]** mellow.

[G] Deep in De-**[Em]**ember our **[C]** hearts should re-**[D7]**member,
then **[G]** follow **[Em]** ...**[C]** follow **[D7]**

[G] [Em] [C] [D\].
