[F] What's the matter with the [Am] clothes I'm wearing ?

"Can't you [Eb] tell that your tie's too [Bb] wide ?"

[F] Maybe I should buy some [Am] old tab collars ?

"Welcome [Eb] back to the age of [Bb] jive."

[Am] "Where have you been hidin' [Dm] out lately, honey?
You [Am] can't dress trashy till you [G] spend a lot of [C]
money."

[F] Everybody [Am] talking 'bout the [Eb] new sound, [Bb]
funny,

but it's [Dm] still rock and [C] roll to [F] me.

[F] What's the matter with the [Am] car I'm driving?

"Can't you [Eb] tell that it's out of [Bb] style?"

[F] Should I get a set of [Am] white wall tyres?

"Are you [Eb] gonna cruise the miracle [Bb] mile?"

[Am] "Nowadays you can't be [Dm] too sentimental,
your [Am] best bet's a true, baby, [G] blue Conti-[C]nental."

[F] Hot funk, [Am] cool punk [Eb] even if it's [Bb] old junk,
it's [Dm] still rock and [C] roll to [F] me.

Oh, [C] it doesn't matter what they [Bb] say in the papers,
'cause it's [Am] always been the same old [D] scene.

There's a [C] new band in town but you [Bb] can't get the sound
from a [Am] story in a maga-[C#]zine, [G#] aimed at your
average [Bb] teen. [C]

[F] How about a pair of [Am] pink sidewinders and a [Eb] bright orange pair
of [Bb] pants?

[F] "Well, you could really be a [Am] Beau Brummel, baby,
if you [Eb] just give it half a [Bb] chance."

[Am] "Don't waste your money on a [Dm] new set of speakers.
you [Am] get more mileage from a [G] cheap pair of [C] sneakers."

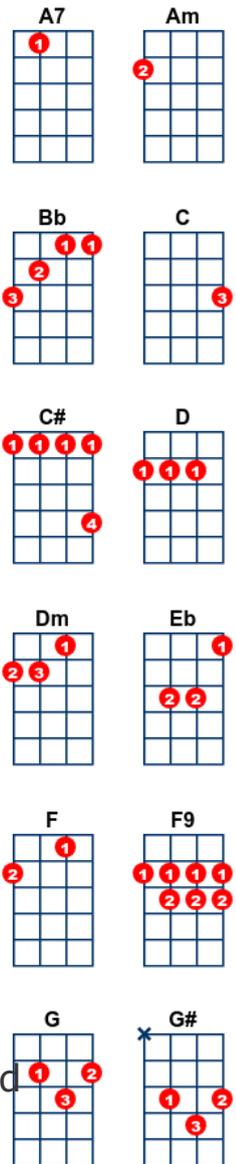

[F] Next phase, [Am] new wave, [Eb] dance craze, [Bb] anyways,
it's [Dm] still rock and [C] roll to [F] me.

[C] - [Bb] - [A7] - [Dm] - [C] - [Bb] - [A7] - [C#] - [G#] - [Bb] - [C]

[F] What's the matter with the [Am] crowd I'm seeing? -
"Don't you [Eb] know that they're out of [Bb] touch?"

[F] Should I try to be a [Am] straight A student?

"If you [Eb] are, then you think too [Am] much".

[Am] "Don't you know about the **[Dm]** new fashion, honey?

[Am] all you need are looks and a **[G]** whole lot a **[C]** money."

It's the **[F]** next phase, **[Am]** new wave, **[Eb]** dance craze, **[Bb]** anyways,
it's **[Dm]** still rock and **[C]** roll to **[F]** me.

[F] Everybody's **[Am]** talking about the **[Eb]** new sound, **[Bb]** funny,
but it's **[Dm]** still rock and **[C]** roll to **[F]** me. **[F9]**
