**[C]** Lookin' in your eyes  
I **[Am]** see a paradise  
This **[F]** world that I've found is too **[G]** good to be true  
**[C]** Standin' here beside you  
**[Am]** Want so much to give you  
This **[F]** love in my heart that I'm **[G]** feeling for you

**[C]** Let 'em say we're crazy  
**[Am]** I don't care about that  
**[F]** Put your hand in my hand  
Baby, **[G]** don't ever look back  
**[C]** Let the world around us  
**[Am]** Just fall apart  
**[F]** Baby, we can make it  
If we're **[Bb]** heart to heart **[G]**

And we can **[C]** build this dream together  
**[Am]** Standing strong forever  
**[Dm]** Nothing's gonna stop us **[G]** now  
And if this **[C]** world runs out of lovers  
**[Am]** We'll still have each other  
**[Dm]** Nothing's gonna stop us  
**[G]** Nothing's gonna stop us **[Bb]** now, oh whoa

**[C]** I'm so glad I found you  
**[Am]** I'm not gonna lose you  
What-**[F]**ever it takes  
I will **[G]** stay here with you  
**[C]** Take you to the good times  
**[Am]** See you through the bad times  
What-**[F]**ever it takes  
Is what **[G]** I'm gonna do

**[C]** Let 'em say we're crazy  
**[Am]** What do they know?  
**[F]** Put your arms around me baby  
**[G]** Don't ever let go  
**[C]** Let the world around us  
**[Am]** Just fall apart  
**[F]** Baby, we can make it  
If we're **[Bb]** heart to heart **[G]**

And we can **[C]** build this dream together  
**[Am]** Standing strong forever  
**[Dm]** Nothing's gonna stop us **[G]** now  
And if this **[C]** world runs out of lovers  
**[Am]** We'll still have each other  
**[Dm]** Nothing's gonna stop us  
**[G]** Nothing's gonna stop us

**[C]** Ooh, **[Em]** all that I need is **[F]** you  
**[Dm]** All that I ever **[C]** need  
And **[Em]** all that I want to **[F]** do  
Is **[Dm]** hold you forever  
**[F]** Ever and **[G]** ever...

And we can **[C]** build this dream together  
**[Am]** Standing strong forever  
**[Dm]** Nothing's gonna stop us **[G]** now  
And if this **[C]** world runs out of lovers  
**[Am]** We'll still have each other  
**[Dm]** Nothing's gonna stop us  
**[G]** Nothing's gonna stop us  
**[C]** Build this dream together  
**[Am]** Standing strong forever  
**[Dm]** Nothing's gonna stop us **[G]** now  
And if this **[C]** world runs out of lovers  
**[Am]** We'll still have each other  
**[Dm]** Nothing's gonna stop us  
**[G]** Nothing's gonna stop us **[C]** now
